Jeff Brennan

Dear Student Body,

As the year comes to a close, it's time to take a brief look back at the '85-'86 school year. At first glance, the year would seem a disappointment. Sherman High experienced some highs and lows throughout the year. It was easy to get frustrated and disappointed, but through it all, Sherman kept its head up and its loyalty strong. That's what makes Sherman High such a great place. It's not the athletics or the academics that make Sherman the place it is, it's the people. What you and I will remember about high school are the friends we made; the rest is just a bonus. Thanks for everything.

Jeff Brennan

'85-'86 Student Body President

Dear Students,

Many memories are made during high school years. That is why the Athenian staffs have tried to capture these memories in the past Athenians. This year there was not going to be any yearbook because there was not a staff class; however, a group of students volunteered their time and efforts to make a yearbook. This group gradually dwindled until it was only about half as large, but the students who remained worked hard to bring you what you now have. Without these volunteers, there would be no 1986 Athenian.

The whole staff has coped with inexperience and lack of time to complete necessary work. Our work has finally come to an end, and we are proud to present the 1986 Athenian to the student body of SHS.

Sincerely,

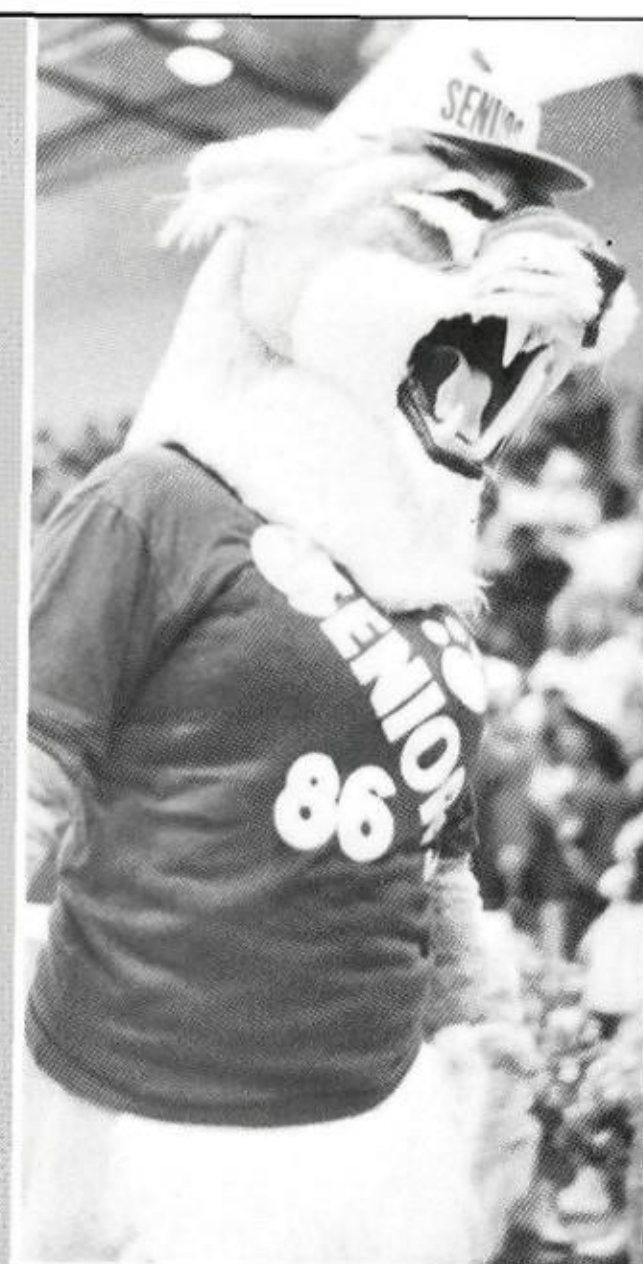

*The
Athenian Staff*

Sherman's School Board Implements New Policies

Seven members headed by their president Dr. Geer McKee, comprise Sherman's school board — the school district's policy-making body.

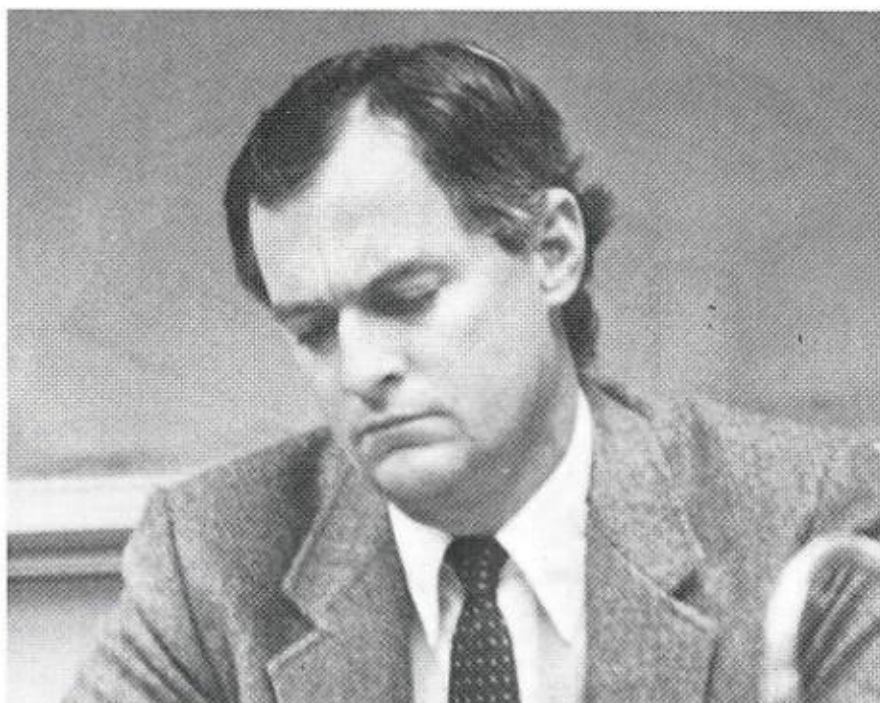

Their meetings each second Tuesday of the month are held at their boardroom at 120 West King. The board discharges several responsibilities. In addition to formulating policies, these include interpreting educational guidelines, analyzing and approving budgetary requests and establishing goals and objectives for the system.

It is important to note that the school board does not have the responsibility of actually running our school system. The system is run by the superintendent of schools. Dr. Wendall Hubbard, who has been the superintendent for 25 years, is serving his last full year in this position.

The Sherman ISD School Board for the 1985-86 school year is President: Dr. Geer McKee, Mr. David Brown, Mr. Jeffery Grynwald, Mrs. Sara Jackson, Mr. Charles Schweizer, Mrs. Charlotte Spears, and Mr. Eugene Youree.

Dr. Beryl Mackey comes to a decision.

Dr. McDougal Enjoys First Year At SHS

Dr. Michael McDougal is our new principal here at SHS, but he is not new to administration with seventeen years of previous experience at schools including Dillingham Middle School and Washington Elementary School.

Dr. McDougal was faced with the challenge of working with a different age group and enforcing new state policies such as the new grading scale.

He earned a Bachelor's degree from Southeastern

Oklahoma State University and a Master's and Doctorate's degree from North Texas State University. He's a colonel in the U.S. Army Reserve acting as Commander of the 4300th U.S. Garrison currently located in Midwest City, OK.

Dr. McDougal would like to congratulate the student body and thank them for making his debut year here at SHS terrific!

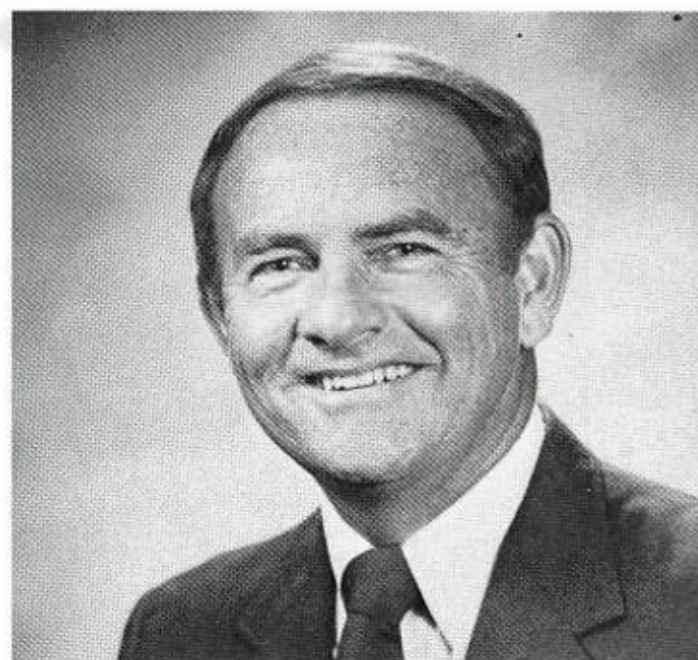

"I suppose you're all wondering why I've asked you here today."

Dr. McDougal prepares to make an announcement.

Dr. McDougal makes a funny face at the photographer.

Asst. Principals Enforce New Principles

Also a part of this year's changes in administration are our assistant principals. This year we have three: Mr. Jack Pierce, Mr. Herman Stoner, and Mr. Bill McClure. Mr. Pierce and Mr. Stoner are in charge of the freshman and sophomore classes respectively, while Mr. Pierce is the assistant principal in charge of both the junior and senior classes.

Assistant principals have had to adjust to the new realignment of duties. So far they have reported no difficulties. They report their main duty is to make our school year as successful as possible. In this year of change, our assistant principals have done their best to lead SHS to a great future.

Counseling of the Counselors

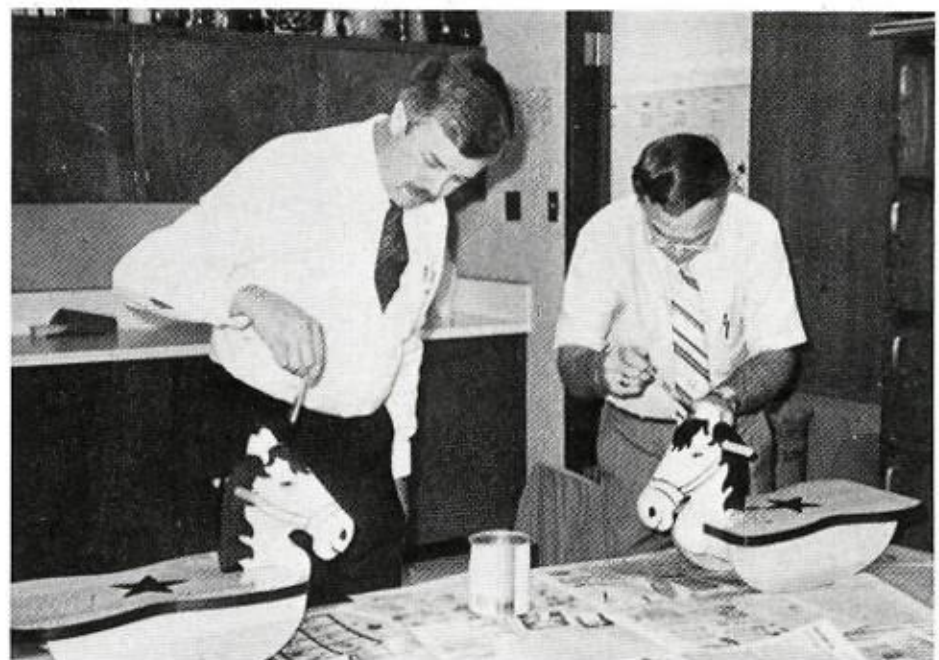

The counselors serve a very important role in our school. Their job is to find the right courses for the students here at S.H.S. Counselors also provide classes without personality conflicts with the teachers to influence a better learning environment.

Our counselors get the new students of our school acquainted with other students, teachers, and other new school surroundings. The counselors have a special way of taking time to know each student assigned to them. They make the students problems theirs and together they hope to solve them.

The compassion of the counselors have helped many students through troubled times in school. The student body of Sherman High highly value the counselors of our school.

A Secretary's Job Isn't Easy

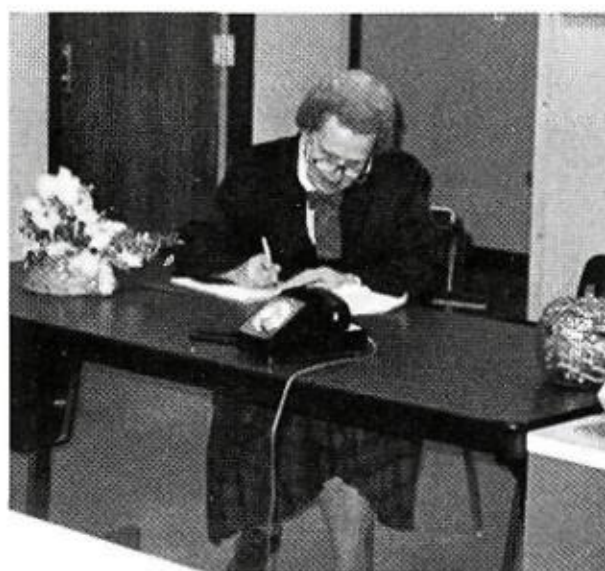

Within the confines of the office, the clatter of typewriters betray the diligence at which the secretaries once again attack a hectic day.

The secretaries must face a rigorous routine of counting absentees, writing yellow slips, scheduling Parent-Teacher conferences, enrolling new students, typing, filing, and, of course, answering the telephone.

Without the secretaries to help the SHS faculty and students, the daily routine at Sherman High School would turn from hectic to disastrous. As Nancy Carlson, senior, said, "The secretaries are wonderful people. The school would fall apart without them."

Faculty: Key to SHS Success

As students, we seldom realize the great responsibility and hardship that rests on the shoulders of our teachers. Long after we've all gone our separate ways when that last bell rings, the teachers are still hard at work to insure that our next day will go as smoothly as possible.

Yet the job seldom ends with the tasks of everyday life (lectures, grading papers, etc.). Added to these are the various chores of coaching, club sponsoring, chaperoning, and the all time favorite — cafeteria and hall duty. Some of our faculty members also are involved in activities such as pep rallies.

When asked what they most looked forward to each year, the most frequent response among the faculty was "summer." It seems that we do have something in common after all.

Seniors Say Farewell...

SENIOR CLASS OFFICERS — Top: Monique Green, Maryanna Gillespie. Bottom: Twyla McKenzie, Linda Inman.

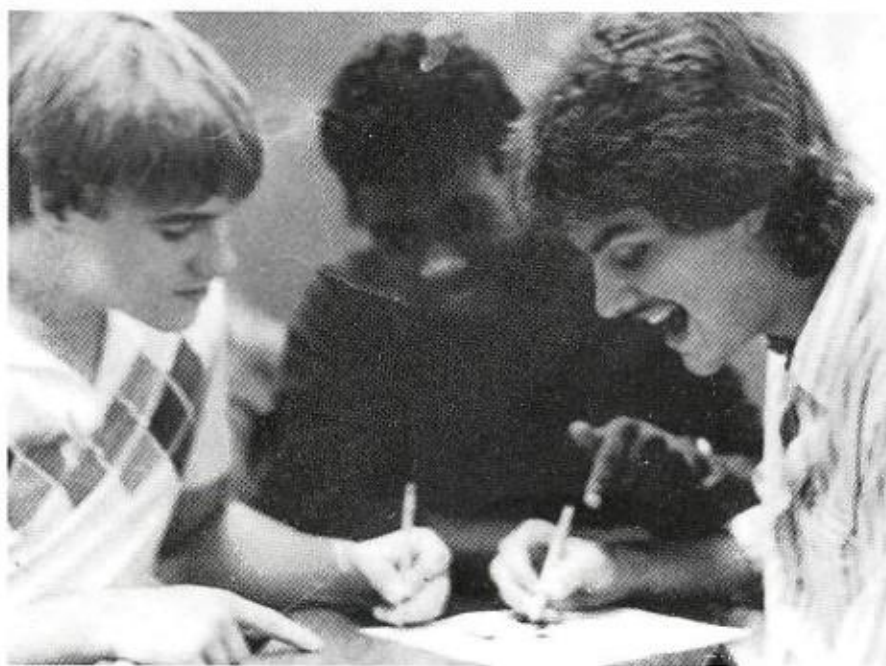

After eleven long years of hard work, our year has finally arrived. We are the **Seniors of 1986**. We have been through a lot, and all of our hard work has finally paid off. We came to Sherman High as adolescents and are now leaving as mature young men and women. We realize now that though we felt the teachers were hard on us, we are now prepared for tomorrow — our future. There are many memories that we will treasure. Remember when you'd get lost in the halls or become the unfortunate person to drop his lunch tray in the cafeteria. There were also the super pep rallies supporting our Bearcats and all the games we went to cheer our teams on. Remember when the commons was the most 'dangerous' place to go as Freshmen, but by the time our Senior year had come, the commons had become our favorite place. We are an awesome class. We had a senior pep rally that united us as one and let us prove to our fellow underclassmen that we are a spirited and super class. Our Senior year was filled with many fun activities which we all enjoyed. We are a special class as all Senior classes are. We are young adults who have been faced with many obstacles whether hard or easy. We have been faced with responsibilities, loneliness, love, pain, excitement, and hope. Each one of us will now go out into this world setting goals for ourselves and hoping to achieve these goals. Well now it is time to say farewell to Sherman High and fellow classmates and to remember how great of a school it really is. We are an awesome class.

Shawn Wash is being escorted into the pep rally by Susan Roberts and Beth Harrell.

We finally reached our Junior year. We are now "upperclassmen." Each year of our high school career has brought us new changes, such as the change in our curriculum (putting Driver's Ed. in the summer) and the new challenges such as the no pass/no play rule causing difficulties for everyone and the new grading system which makes it harder to pass. But through each of these times the awesome **class of '87** has risen to the occasion and has taken on these challenges with a positive attitude and a strong desire to excel.

It has been an exciting time in our lives which we have shared at Sherman High. Goals have been set and we are now facing our final years as high school students. SHS pride and confidence in ourselves has brought us through thus far. We have one more year left to make our mark upon this school and this town and we are ready for another challenge.

This year has been a success thanks to the help of our 1985-86 class officers which include: **Stephanie Gray**, President; **Cindy Kyle**, Vice President; and **Raquel Oliveres**, Secretary. With the help of each and every member of this proud class of 1987, next year will bring us through and set us all on our journeys into the future!!!

Sophomores Feel At Home

Mark Linn and Debra Edwards look for Athenian pictures.

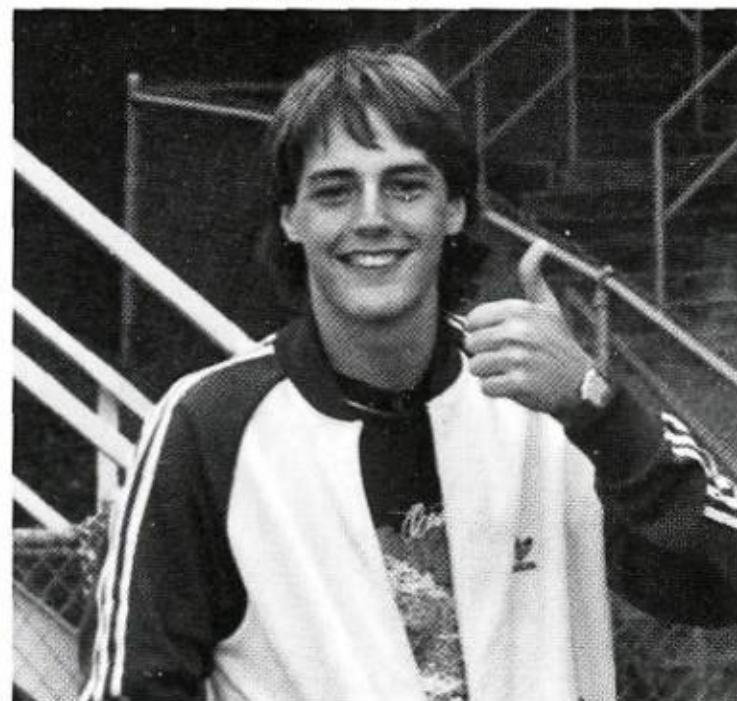

Amy Roberts shows her enthusiasm towards class.

SOPHOMORE CLASS OFFICERS — Marsha Banks, Marcus Leinart, and Sonja Watwood.

The class of '88, this year's sophomores, returned to school this fall with a greater sense of belonging than they did last year as freshmen. Sophomores showed their spirit and enthusiasm in early morning pep rallies and by claiming victory in the "Spirit Links" competition. Several sophomores felt the confidence to get involved in more activities outside the classroom this year.

When the sophomores trudged through the doorways of Sherman High School, their hearts heavy with

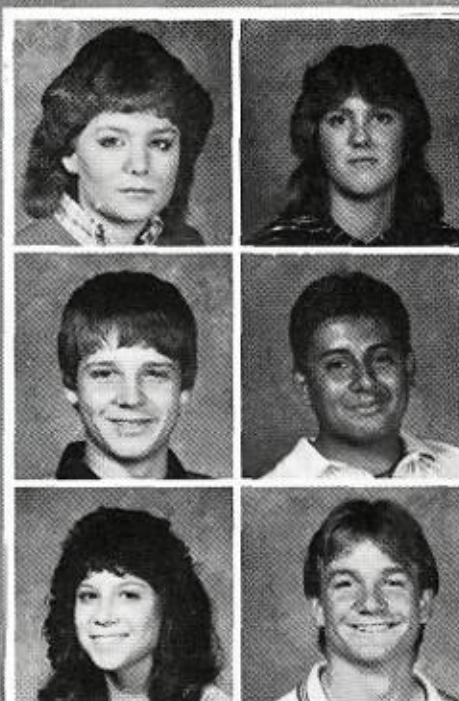

Jon Marshall says, "Thumbs up for sophomores!"

the loss of summer's freedoms, hope was sparked by one thought the assurance of most receiving their driver's license. Not far beyond this thought was the realization that a place in the commons was just waiting for them. The year refused to go wrong after a beginning as promising as that.

Leading the sophomores through their second year of high school were class officers: **Marsha Banks**, president; **Marcus Leinart**, vice president; and **Sonja Watwood**, secretary.

Is that a good book, Stacy?

Freshmen Take on SHS

This year has been one that we, the freshman class, can reflect and look upon as one with many new adventures and experiences. It has been a work of unexpected happenings and new ideas. We have learned to deal with the feeling of anxiety that came from the big change from middle school to high school and meet the demands of this change. We, as a class, have shown spirit and enthusiasm in the support of the Bearcat team by participating in the pep rallies, football games, and other extra-curricular activities. The spirit generated by these

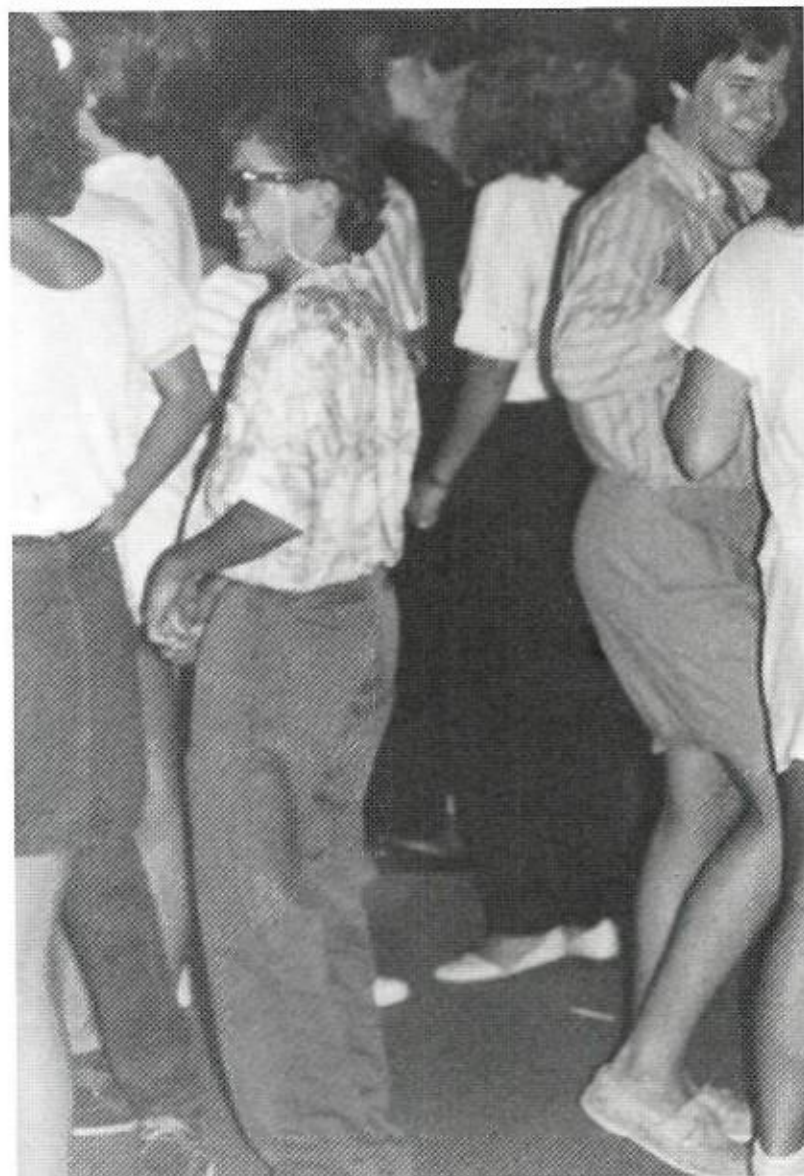

things are what makes being a Sherman High Bearcat such a fun experience. We, The Class of '89, launched our high school career well organized. Earlier in the year, class officers were elected and the results were: Greg Estes, President; Joey Fuller, Vice President; Sarah Dannel, Secretary. The freshman class may not be at the top of the list right now, but we're rapidly progressing and growing more day by day. And when 1989 rolls around, we'll make it a year to remember and cherish — forever.

Chad is mesmerized by the music.

Jenny Brummer cries her heart out for those Bearcats.

Miss Green crowned 1985 Queen

With a long week of festivities, a large discussion roamed about — who will be the Homecoming Queen? Voting schedules, assemblies and week night events led to more excitement than ever for the 31 nominees.

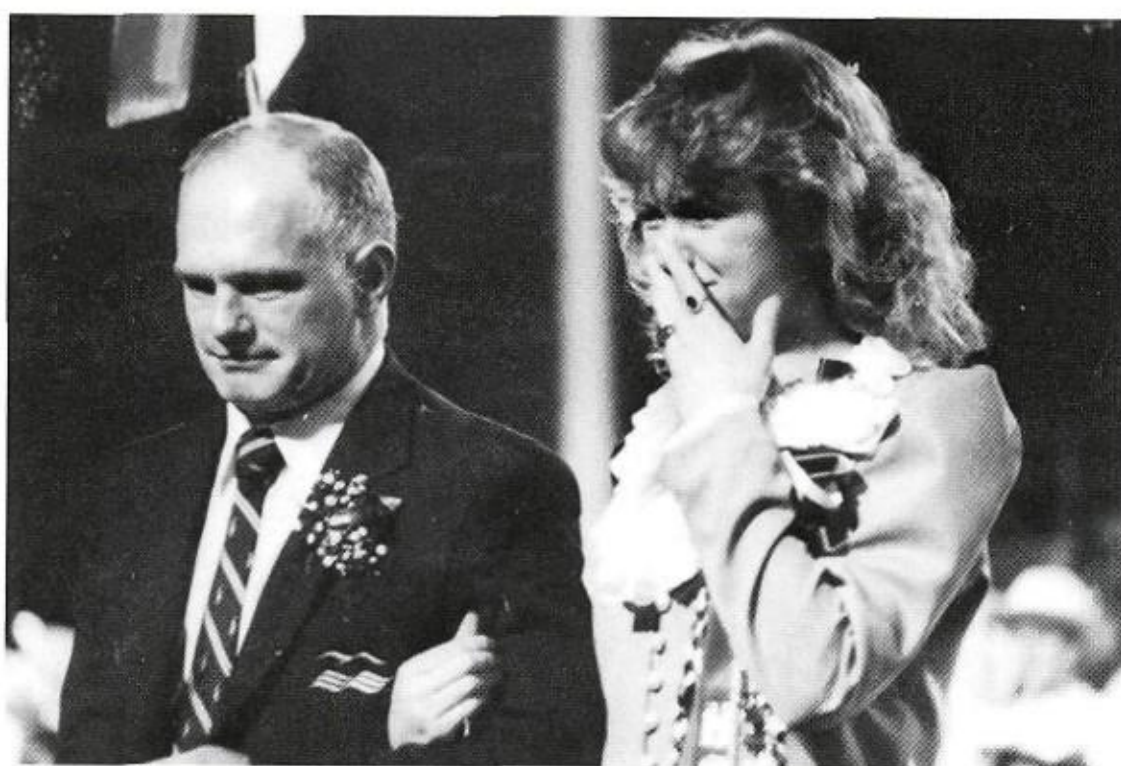

Out of the 31 nominees, Monique Green was chosen to be the queen. When asked how she felt about the occasion she said, "I felt honored, scared and excited." In preparation for the night to come, Monique was most worried about her hair falling and her mascara running. She was extremely happy, to say the least.

Jack Shay laughs to ease the embarrassment of being an escort to Monique Green during the Homecoming Assembly.

Homecoming Highlights:

The week of Oct. 21-26 was a special time in the life of Sherman High School. Homecoming is an occasion that honors the alumnus and offers many extra events to the student body. The activities started with a Monday afternoon parade featuring Queen nominees and many high school organizations, including the drill team and band. The variety show, on Tuesday evening, displayed the numerous and diverse abilities of the student body. Through two computer tabulated elections, Monique Green, Auto Mechanics nominee, was selected as the 1985 Homecoming Queen. This was announced during halftime of the Friday night football game. Miss Green was given a bouquet of roses by Student Body President Jeff Brennan and then driven around the field by Steve Buckingham.

The week ended with the Homecoming Dance, held at the Silver Wings Club at Grayson County College. The theme song was "In the Air Tonight" by Phil Collins.

Cats Show Spirit, Enthusiasm

Varsity football seems to be the most prominent sport in Texas schools. With the record posted by the Bearcat Varsity Team this year, SHS has received a large amount of diverse publicity from the surrounding area. But in the face of adversity, the 'Cats kept putting out tremendous effort each week. The spirit of the team never diminished as the losses kept mounting. Head Coach Harris Brownlee was pleased with the effort put forth by the team this year. He stated, "I feel that each player knows that he is a winner."

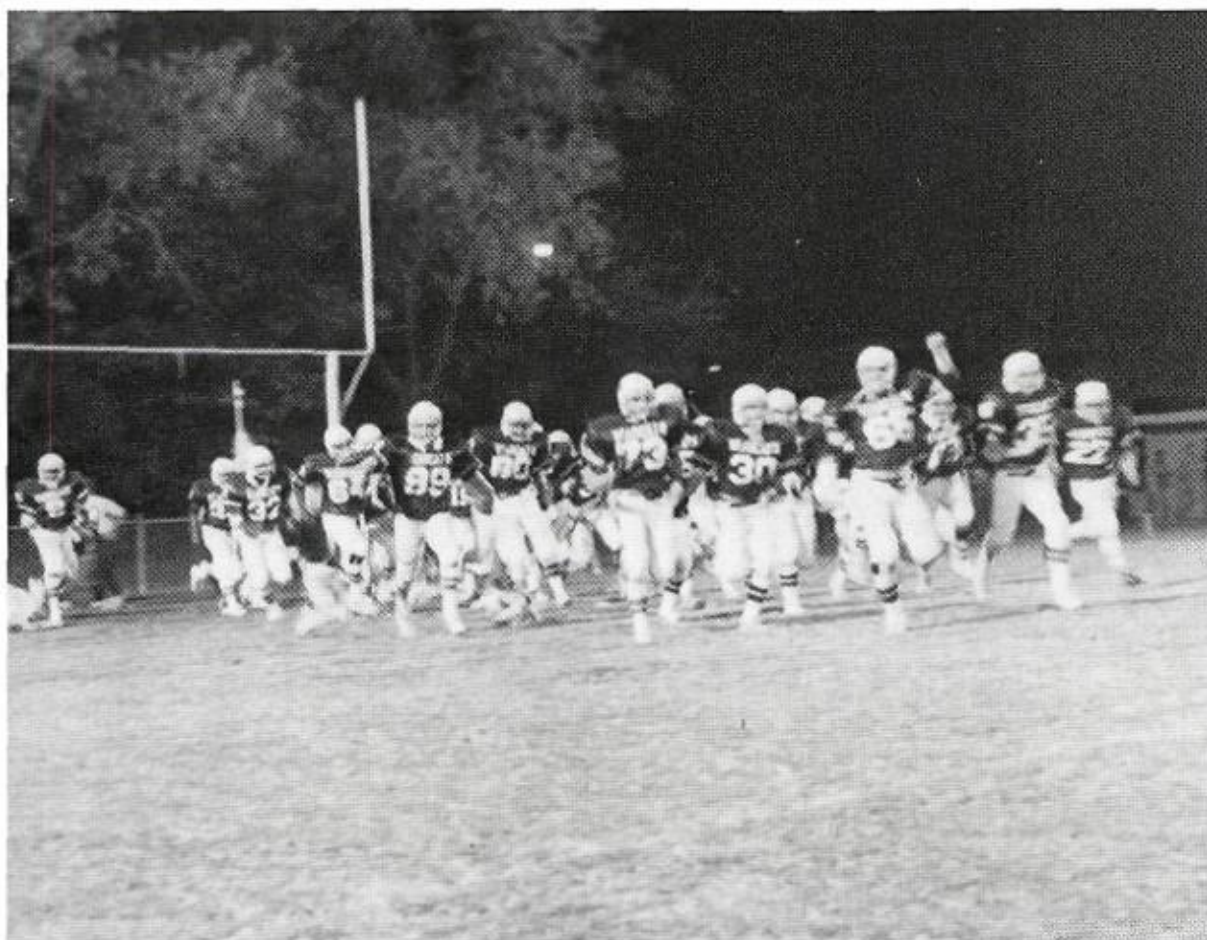

Defensive play was highlighted by seniors Chad Rolen and Darin Black. Offensive endeavors showed seniors Walter Casey and Quenton Boyd as true competitors.

Cheerleaders Take Pride in SHS Varsity Cheerleaders+Mascot = Spirit

It is **everyday** after school to practice a new stunt. It is being at every possible school function. It is cheering even when the spirit is low. It is dedication, leadership, responsibility, and hard work. It is what it takes to be a varsity cheerleader. This year's varsity cheerleaders have had some help on the field and at the pep rallies. Amy West has become a new addition to the spirit of Sherman High as the first mascot. Between the cheerleaders and Amy, Spirit has run high at SHS. Together, Jennifer Kinder, Yvonne McKee, Kim Everett, Amy Brown, Michele Matlock, Lyndy Anderson, Cindy Campbell, Missy McAllister, Michelle Hagy, and Head Cheerleader Gretchen Shaw along with Amy West worked very hard to lead the Bearcats to victory and to keep that enthusiasm that is so indispensable to Sherman High.

Senior cheerleader, Yvonne McKee, leads the crowd in a cheer to pep up the team to victory.

Sherman High School's newest addition is the Bearcat Mascot. This year Amy West, senior, filled the job of helping raise the student body's school spirit. Amy worked hard alongside the cheerleaders to fill this role of leadership.

HI-STEPPERS STEPPIN' OUT

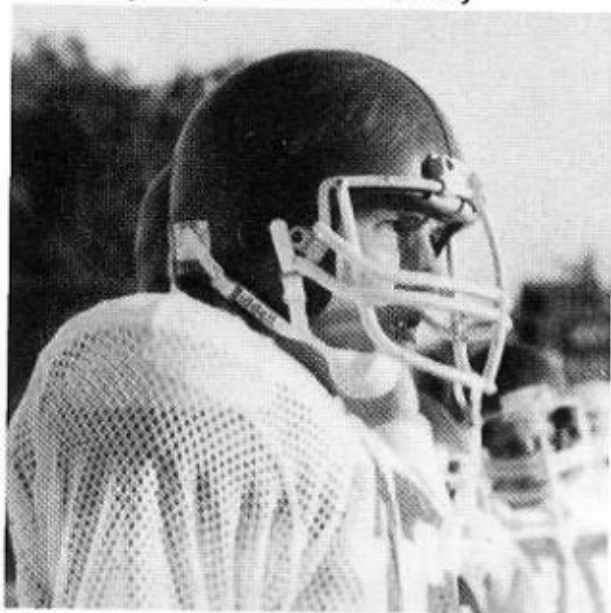

To have a good, sharp drill team requires much hard work. This hard work was evident as the Sherman Hi-Steppers performed excellent routines, such as jazz, high kick, pom pom and chair routines. They showed much style and talent as they performed at football games, pep rallies, and both boys' and girls' basketball games. The Hi-Steppers also marched in the Homecoming and Christmas parades.

During the summer, the officers met many long hours and attended drill team camp at SMU. Each officer was rewarded a ribbon in either dance, marching, or both. They brought home a trophy and two nominations for All-American/Who's Who Drill Team which were awarded to Maryanna Gillespie and Monique Green.

Being a Hi-Stepper required a lot from each girl. One must be patient, willing to work as a team and have respect for fellow members. These requirements were important in putting a routine together and perfecting it. The Hi-Steppers had to meet a week before school started to learn the year's performances. During the school year, they worked hard in the mornings and afternoons to perfect the routines.

The JV Football Team had a record of 1 and 9.

There was a bright side to the season, according to coach Duane Merideth. "The guys did good this year. We will have a more experienced varsity team next year."

J.V. Cheerleaders Jump to the Action

When it comes to J.V. sports, and you need enthusiasm to cheer things up, the J.V. cheerleaders will be able to do that very thing. Throughout the 1985-86 Bearcat J.V. season you could always count on the J.V. cheerleaders to cheer at J.V. basketball and football games. They also made locker signs and sacks full of goodies for the players, and most of all, screamed their lungs out at all games. They also did their share of cheering at the Friday morning pep rallies honoring all sport teams.

The 1985-86 J.V. Cheerleaders are Tiniya Anderson, Cynthia Owens, Hillary Green, Cary Gillespie, Kristy Friend, and Kelly Williams.

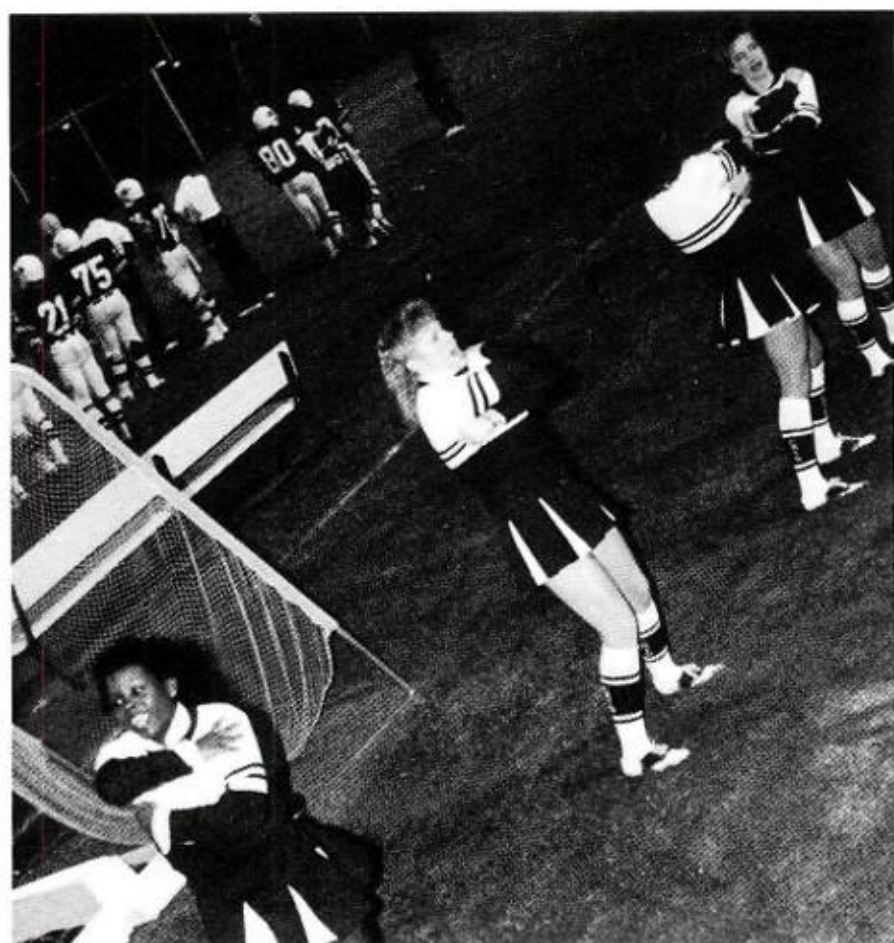

Kristy Friend can both jump and shout at the same time.

Playing in games was just part of this year's curriculum for the Frosh players.

Journey of a 1000 Miles

The freshmen at SHS experienced many new things, especially the freshmen football players who now played along side their opponents from the year before, at the other jr. high in town.

The unity of the Frosh created a season record of 5-3 for the "A" team with rivalries of 3-2-1 for the "B" team, nicknamed the "Killer Bees."

The past behind them, they now look forward to the greater challenge of Junior Varsity and, ultimately, the limelight of varsity play.

The Freshmen "A" team displayed strong offensive play, led by quarterback Jeff Horn, with Pete Scheibmeir, Gary Cox, Bert Langford, Chad Points, and Jason Cooper, providing plenty of protection.

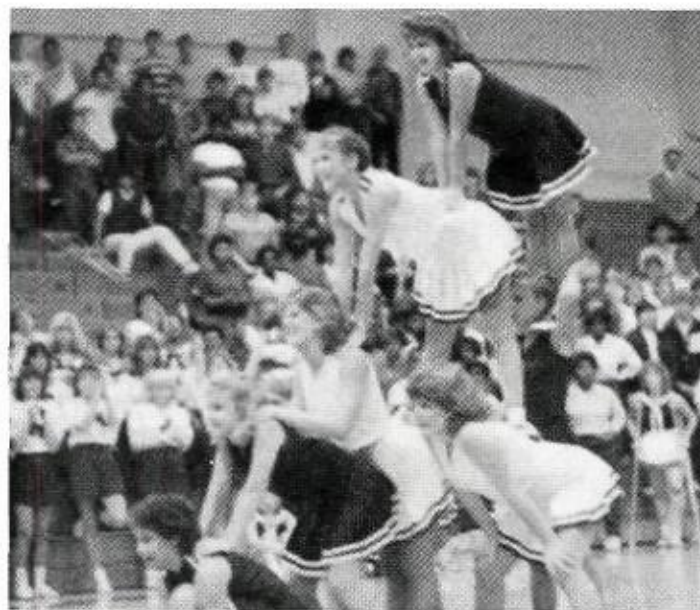

The running expertise of Lane Aleman, Willie Lawrence and Anthony Ratcliff helped achieve an average of 28 pts. per game.

Playing football can be a lonely experience at times.

Outstanding players were Rob Boaz, Jerry Stenger, Eric Kirk, Chedric Boyd, Paul Aleman. For the "Killer Bees." There was Joe McCollough, Larry Hendricks, Chad Harris, and Chad Key for the "A" team.

When asked what he thought of the year, Coach John Miller responded, "A journey of a thousand miles begins with the 1st step." This first high school step was a positive step in the direction of future success for these young men both as athletes and adult citizens. They have already learned to give the great effort and effort produces its own rewards. Keep your eye on the class of '89."

Freshman Cheerleaders Spark Spirit

The freshman cheerleaders promoted the school spirit at freshmen football and basketball games. In addition to performing at a fall pep rally, the cheerleaders decorated the freshmen football players' lockers, and helped with the Spirit Commit-

tee whenever they could. The freshmen cheerleaders are Sheri Dunn, Kellie Pomano, Brandi Slaughter, Katie Watson, Sarah Dannel, Valerie Olson, Kelly Story, and Heather Brennan. To show their spirit they wrote this poem:

The FISH of '86 would like to say,
We love our fans in a special way . . .

They cheer us on through sun and rain;
They were always there at every game.

But, don't forget our awesome teams,
'Cause without them we'd have no means.

As we yell with a freshman "cheer"
We're proud to say '89's our year!!!

We  those Cats,
Sheri, Kellie, Brandi, Katie, Sarah, Valerie, Kelly, and Heather

"Go Team Go" says the Freshman cheerleaders.

'Cats Strive for Success

The Varsity Boys Basketball team began the season with only three lettermen from last year's 17-10 team: Earl McKinney, Jeff Brennan and Rodney Carter.

The Cats got off to an average start in pre-season, but Coach Al Hambrick said his young Cats gained the experience and maturity needed to excel in district 5-A. Leadership came from Seniors Rodney Carter, Jeff Brennan and Junior Earl McKinney. Other players who made major contributions were Junior Kevin Pruitt, Sophomore Tim Phillips, Sophomore Byron Whitfield, Junior Pat Galbreath and Sophomore

Bradley Scruggs.

Coach Hambrick said his Bearcats were a good defensive team with scoring balance and good running.

Kevin Pruitt and Tim Phillips added that they had a very young team, with only two seniors, but they were very good leaders.

"Our team had a lot of skills and heart. We all depended on each other, and that is what it took for us to make it to the playoffs. We only had 8 people but we did what it took to win," said Tim Phillips, sophomore guard.

Varsity Girls Basketball Takes It To The Hoop

The girls varsity basketball team ended the season February 4th with a record of 13-12. The Bearkettes, under coach Russell Haddock, finished with 4-6 district record. The young team will see four seniors graduate this year, leaving seven experienced players. Melissa Zivec, senior, when asked why she plays basketball, replied, "I enjoy all sports, and basketball, is one of my favorites."

J.V. Boys: Solid

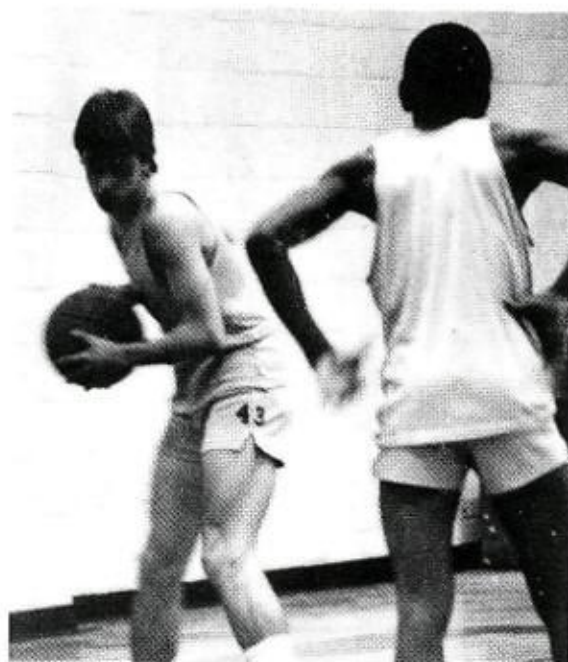

The 1985-1986 J.V. Boys Basketball team was off to a great start this season. The head coach William Bailes said the team deserves all the credit. The team has shown great spirit and productivity. The team has a sixty point average for every game so far this season. The guys are showing that they have the skills to play basketball and they will be an asset to all the future basketball teams here at SHS. There is no single player that deserves all the credit, the team played as a team and all of them at one time or another had to give up their winning ego to share the ball with an opponent. Coach Bailes is a first year coach here at SHS and is very proud of this year's team. He said, "If there is anything I would like to do before they put me in the ground, that would be to score over 500 for a winning record. This will prove that the J.V. has what it takes to be a successful team."

J.V. GIRLS SHOOT FOR THE STARS

The J.V. Girls Basketball team was comprised of terrific young players. The girls worked exceptionally hard and used determination, discipline, and self respect, in practice to add the finishing touches in each game. The Kettes, along with Coach Terri Landes, encountered some rough times, but stood up as one and showed their pride as a team. The Kettes will be back next season with the same will to win and courage that brought them their 4-6 district record.

Freshmen Boys Basketball Rebound

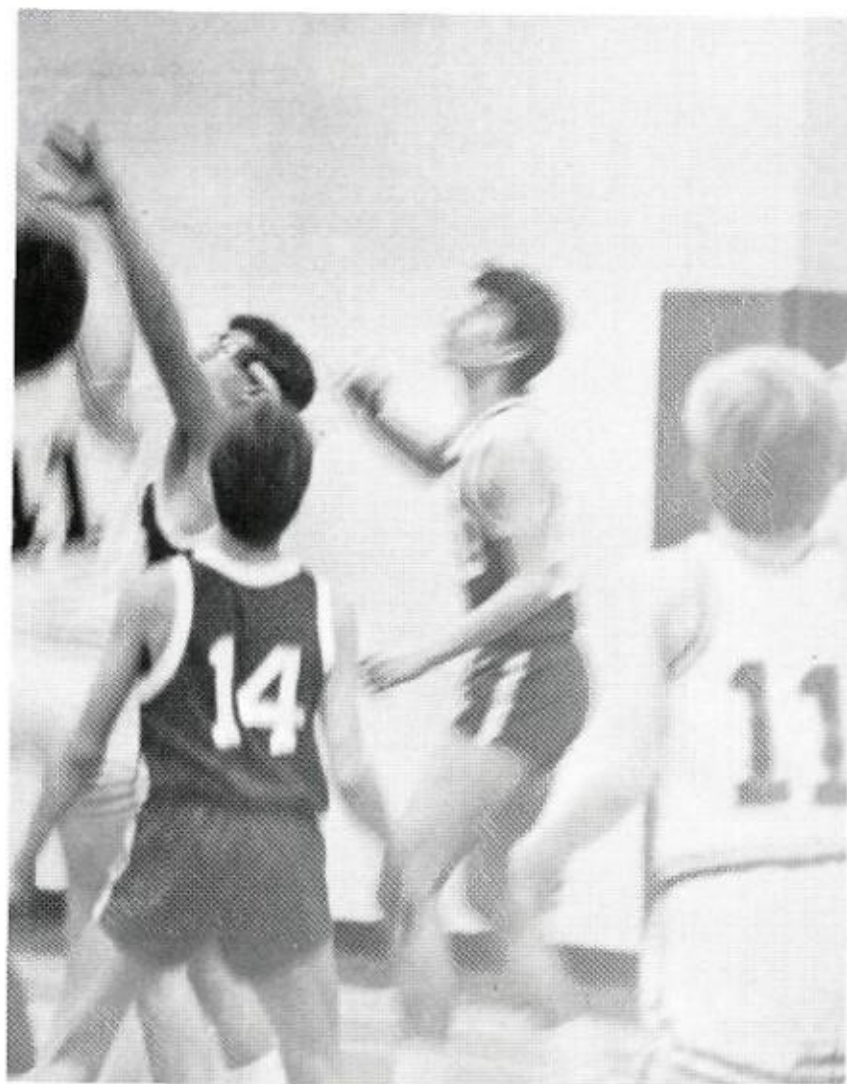

The freshmen team worked well together with Howard Harris as the leader and topscorer of the season. Following Harris were Josh Inhoff and Joe McCollough. Kenny Ford, Todd Detro, Brian Griffin, and Kenny Harding. Coach Benton thinks the boys were great assets to the team, and will be to future teams. "They were beaten down in the constellation of the Irving tournament, but with our boys' size they should be able to have a good team in the future," says coach Gary Benton. The freshmen A-Team ended with a 4-10 season record. The B-team members were Kelly Bryant, Gavin Hay, Darren Welch, Russell Hinsley, Ross Perkins, Bobby Brandon, and Maurie Cook. Their season ended with a 4-8 record.

Frosh. Girls Basketball: Alive and Kicking

The freshman girls' basketball season was one of development and growth. The players on both "A" and "B" teams gained great amounts of knowledge, according to Coach Pam Plunkett. Each player seemed to mature, as an athlete, during each game.

At the beginning of the year the girls appeared to be nonchalant about competition; however, at mid season there was a change of attitude.

The "A" team finished the season with a record of three wins and fourteen losses. Their style of play improved in every game.

The "B" team completed their season with a record of three wins and five losses. They like the "A" team, improved in every game they played.

"It is my opinion that each of the girls on our basketball teams have great potential and will prove to be an asset to the basketball programs in the years to come," said Coach Pam Plunkett.

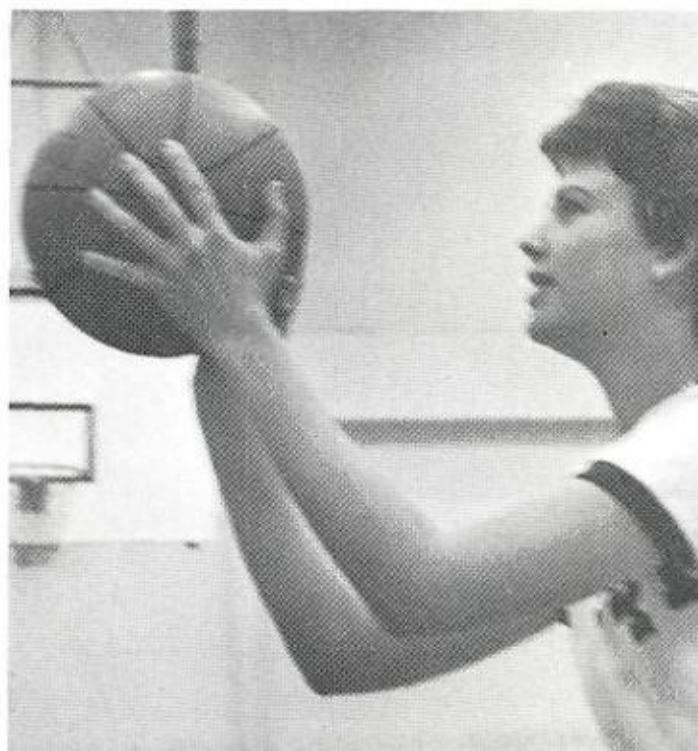

"A" Team: Tammy Bell — manager, Shawn Gillum, Rhonda McKinney, Ellen Hancock, Cindy Thompson, Belinda Wright, Yolanda White, Carla Doherty, Tracy McCoy, Shatterra Rutherford, Coach Pam Plunkett.

JV Volleyball Hustles

JV volleyball team ended up with a record of 4-12. They beat Denison 2 out of 3 times. Coach Plunkett feels that this year's team learned a lot about the importance of teamwork, when it comes to winning volleyball.

"We may not have won many matches, but we were consistent with our spirit and determination throughout the season," says Coach Plunkett. She also said, "I'm looking forward for next year's team to be **Awesome** and **exciting**."

Coach Plunkett felt that Anita Parker was most effective hitter on the JV volleyball team. Aleman was our most intelligent court JV player as a setter. Gina has a sense of knowing where the ball was at all times and where the ball should be played. Also, Gina's serving form became an affective asset and well welcomed to the 85-86 team.

Daun Dingman was the most eager player on the team. She had a drive to be the best that she could be, and a desire to aid the teammates to the best of her ability. Many times she would perform in a match, with a great amount of pain due to a knee injury, but she will never let you know of her pain because of her drive to be the outstanding player that she was.

The team played extremely well except for a few losses. Coach Aleman said, "There could have been more improvement. But we needed more teamwork and I needed more experience coach girls."

The season was 3-11. Tammy Bell said the freshmen volleyball team played extremely well considering that it was Coach Aleman's first year coaching girls. Everyone is looking forward to J.V. and maybe Varsity. Captains were Karen Emery, Dena Scruggs, and Tracy McCoy.

The Varsity Soccer team ended the season with a 7-7 record; its best in the past 10 years. The team had some outstanding players which helped lead the team to its victories. They played well together and did better than expected in the predistrict games. Coach Aleman felt that the season was satisfying because they "accomplished some goals." The Seniors felt confident about their season; the others have expectations of winning district next year.

JV Develops Skills

The Sherman High School Junior Varsity Soccer Team, under the excellent coaching of Randy McFarlin, greeted the 1985-86 season with aspirations of sharpening their talents and continuing further with the soccer experience. As Coach McFarlin said, "Our basic goal with the JV is to develop their skills for the Varsity Soccer Program."

Outstanding players included Steve Johnston, Kash Kays, Cliff Drake, Chris Blanton, John Thomas, and Kirk Grynwald.

Girls Track Excells

The track team entered the year with high expectations and most of last year's members returned for a successful team. The members of the team are Juniors: Lina Dunlap, Charla Fay, Ginger Gillum, Erika Hayes, Anita Parker, Juanita Parker, Crystal Robertson, Rhonda Sewell, and Twana Walker. Sophomores: Marsha Banks, Demetria Brown, Debra Edwards, Nicole Esters, Joanna Krawitz, and Angela Royal. Freshmen: Heather Brennan, Jennifer Dill, Sherry Dudley, Roiena Garrett, Courtney Graber, Melissa Hardin, Dawn Henson, Tracy McCoy, Alecia Manuel, Hope Moten, and Yolanda White. Seniors: Gerho Dunlap, Leah Rice, and Melissa Zivec were looking forward to a rewarding and prosperous year.

Boys Tracksters Run To Win

This year the boys had a highly competitive track team. Their long hours of practice paid off in each track event. Coaches Bill O'Brien and Ed Hunt encouraged the boys to improve their time in races. Because of the boys' dedication, the 1986 track team proved to be exciting as well as rewarding. The members of this year's track team were: Derek Beck, Jeff Bennett, Darin Black, Robert Boaz, David Boyd, Quentin Boyd, Bobby Bradley, Phillip Burch, Sammy Bryant, Walter Casey, Marshall Cathey, David Coble, Brad Stogner, Shawn Wash, I. V. Williams, Michael Wilson, Matthew Day, Randall Dollar, Derrick Dunlap, Albert Ellis, James Fagan,

Baseball Makes a Big Hit

The Sherman High School Varsity Baseball Team met the 1985-86 season with one basic goal. Said Coach Gary Benton, "We just tried to win as many games as possible."

The accomplishment of such goals relied on not only excellent coaching but from leadership on the field. According to Coach Benton, Wade McClure, Jeff Huchison, and Wayne Buckelew provided the links of leadership that carried us through the season.

GOLF TEAM SWINGS INTO ACTION

Top Row: Clay Francisco, Pat Kinder, Cole Francisco. **Middle Row:** Randy Russell, Randy Acklin, Casey O'Connor, Rusty May, Steve Ferguson. **Bottom Row:** Chris Casmedes, Jason Allen, Kari Hunter, William May, Chris Fry.

The Bearcat Golf Team had high hopes for this year's season, and they expected to finish well ahead of where they did last year.

Last year's golf team was made up of younger, inexperienced players. Last year's first tournament, the "Denton Invitational" led by 2nd year letterman Chris Casmedes, had the Cats come out with a very good showing. After one round of district play, the cats were tied for second. At the end of the second round, the team was third, missing regionals by only one place.

This year, the Bearcats had more experience with returning lettermen Chris Casmedes, Steve Ferguson, Rusty May, Clay Francisco, Cole Francisco and Jason Allen. The team's newest addition was Kari Hunter, who attended varsity tournaments in the girl's division.

The Bearcats hoped to reach State competition this year after the Denton and Paris Invitationals, the El Dorado Tournament, and District. Chris Casmedes, junior, said, "Last year the team was young and not quite as experienced as we were this year. We worked hard this year, and we had the talent to make it to state."

TENNIS TEAM GETS OFF TO A GREAT START

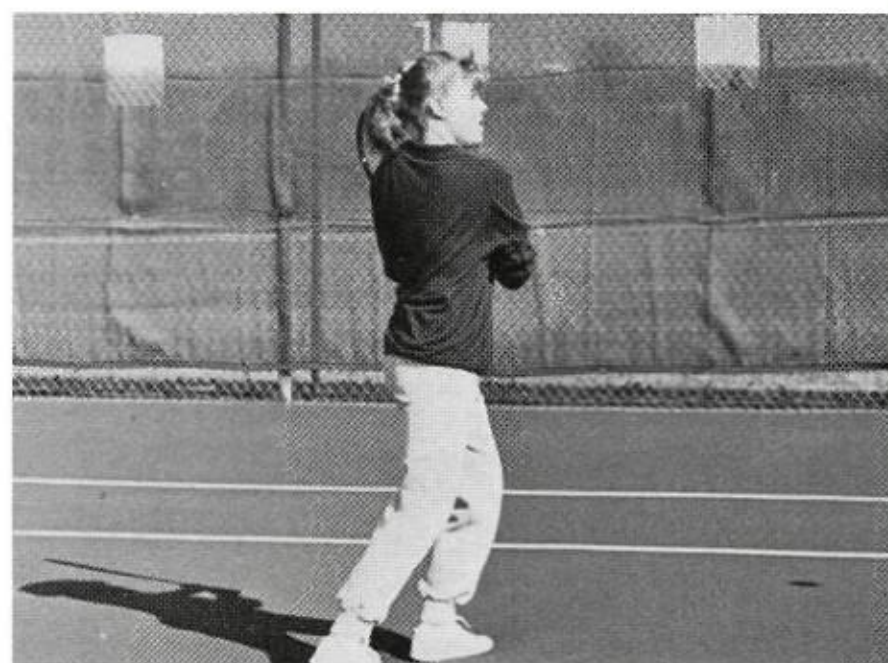

Every day after school, rain or shine. "Follow through!" "Run, run, run!" It never really stopped for the tennis team.

It took a lot of practice to play as well as the varsity and junior varsity teams played. Coach John McGee worked hard this year and it was obvious as the teams made good showings in area matches in both doubles and singles.

The perseverance and talent exhibited by this year's team represented Sherman High well, and we are proud of the true Bearcats on the tennis team.

SWIMMERS TAKE THE PLUNGE

The **SHS Swim Team**, Coached by Bruce Southerland, competes from November to March. These strong young men and women work out at Austin College from 2-4 daily. The Team competes against other schools frequently, such as Denton, Lewisville, and Trinity. District competition is in Wichita Falls and regionals are in Fort Worth. When asked why she swims, senior Amber Sprouse said, "Swimming keeps you in shape and is a lot of fun at the same time."

HONORS

English

Alice Ann Moore was chosen as the outstanding student from the English department. She took honors English for four years and earned her way to UIL State Literary contests in ready writing and spelling. Her many activities include GLAD, JCL, French Club, NHS, Mu Alpha Theta, award winning participation in the Math/Science teams, and keyboard music. Alice commented, "English can be the most interesting subject one can take — and I am happy to have had my skills in this subject honed and nurtured by the English department here at SHS."

Social Studies

Beth Harrell was selected as the outstanding student in the Social Studies department. She excelled in American history, world history, government, economics, and college history. Her many activities included serving as freshman cheerleader, JV cheerleader, and drill team member; participation in Mu Alpha Theta, NHS, PASF, FTA (TAF), NIKE, and an active role in Student Council where she served as Student Body Historian. She said, "Social Studies helped me understand our history, government, and world situation. I've also really enjoyed all of my teachers in the department."

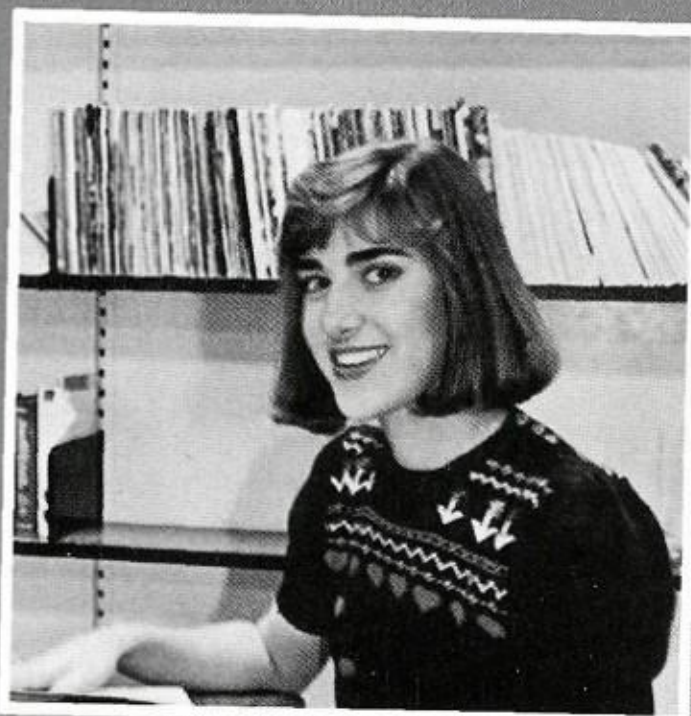

Mathematics

Brian Hopkins was chosen as the outstanding student in the mathematics department. He took full advantage of the courses offered by Sherman High and won many awards at mathematic and computer competitions. As a senior, he took Computer Math II at the high school and continued his education at Grayson County College by taking Calculus III and Differential Equations. His other activities included band, debate, GLAD, NHS, Student Council, and Mu Alpha Theta. He said, "I feel I've been gifted with the ability to work well with numbers. I'm glad the school system allowed me to work ahead and expand my knowledge in math."

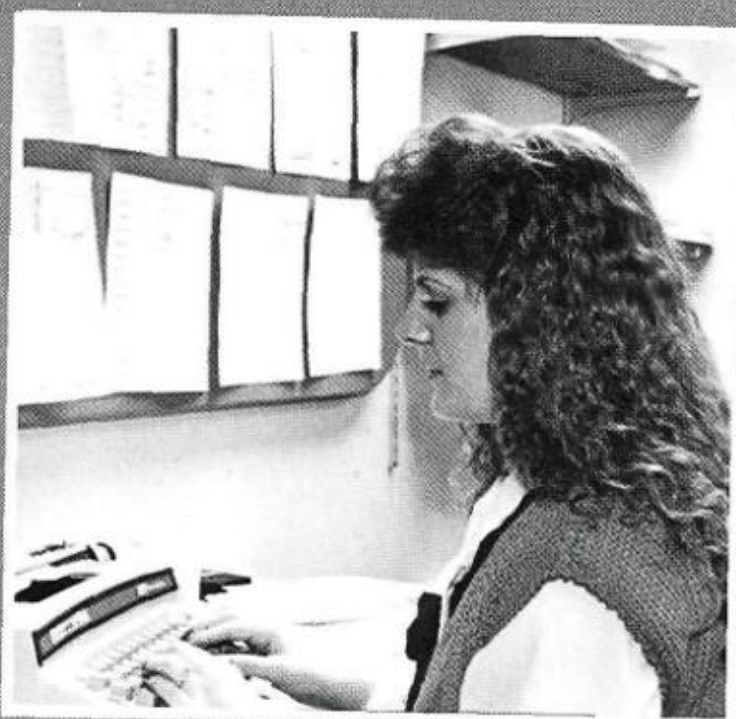

Business

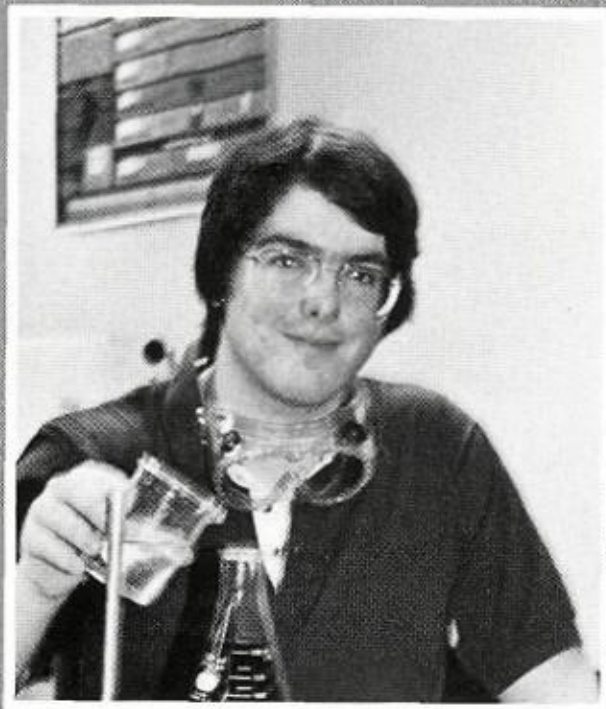

Donna Henderson was selected as the student in the business department. She took accounting, Typing I and II, word processing, and computer math. She commented, "Sherman High offers a wide variety of business related courses. The courses I took have helped me decide my career goals." She plans to major in business at college.

Vocational Office Education

Diana Sanders was chosen as the outstanding student for the Office Education department. She has taken word processing, typing, accounting, three years of Office Education A and two years of the VOE cooperative course. She served as secretary and president of OEA. She commented, "VOE allows people to get on the job training in office related positions. It has taught me many valuable skills that I can apply to office related positions. With the experiences I have acquired, I will be prepared for an office position after I graduate."

Physical Sciences

Brian Hopkins was chosen as the outstanding student for the physical science department. He took a year of both chemistry and physics and competed in many science contests. His extracurricular activities included GLAD, debate, Math/Science team, band, Student Council, Academic Decathlon, NHS, and Mu Alpha Theta. He said, "Physical sciences explain why things happen in our world. I really enjoyed these courses at the high school because of my scientific curiosity and the excellent teachers. My studies here have given me a good foundation for further study in college."

Health Occupation Education

Angie Compton was chosen as the outstanding student in Health Occupations Education (HOE). She participated in the HOE Co-op course for two years. As a junior, she served as Parliamentarian, and was president her senior year. She also played freshman volleyball and was a member of FHA. She said, "Health Co-op can help you to determine a job career. It has helped me to prepare to work in a health field."

Life Science

Alice Ann Moore was chosen as the outstanding student for the life science division of the science department. She took two years of biology and won numerous science awards along with participation in the ETSU Biology Merit Exam. Among her many activities include GLAD, JCL, French Club, NHS, Mu Alpha Theta, Math/Science team, and keyboard music. Alice said, "I have had an excellent teacher for my two years of biology, and I'm glad that he has encouraged my love of it. Biology is an intriguing subject and it is great that I have gotten a good background in it so that I can take more advanced courses in college." In college Alice plans to combine her interests in biology and psychology.

Band

Tobi Armstrong was selected as the outstanding member of the high school band program. She was in band all four years and served in various leadership roles. Among her achievements are All Region band, I's at Solo and Ensemble Texas Invitational Solo Contest, and participation in the Interlocken School of Music. She was also a member of GLAD, and JCL. She said, "It has always been my goal to achieve the highest I can in the musical field. Band has given me the discipline to achieve this goal. The band provided a tremendous amount of enjoyment for me, as well as giving me a true sense of accomplishment."

Choir

Laura Work was chosen as the outstanding member of the choral department. She has been in choir all through high school. First a member of the New SHS Singers and then the SHS Singers, she spent her last two years in the A Cappella Choir. As a junior, she earned a position in the All Region Choir and was an alternate to the Area Choir. As a senior, she was in the All-District Choir. From 1983 to 1986, she also participated in the Texas Baptist All-State Youth Choir. Laura was also a four year band member, serving as squad leader and secretary, as well as being a member of the Pan American Student forum. When asked about choir, she explained, "Choir is where I enjoy being the most because when I sing I can express my feelings through the music."

Orchestra

Chris Mullins was chosen as the outstanding student in the Sherman High Orchestra. In addition to being in orchestra all four years, he participated in many solo and ensemble contests including UIL for four years. He went to state competition and played with the Sherman Symphony for three years. "I enjoy playing my violin, and orchestra provides a place for that. Orchestra helps me develop my talents and provides competition, which helps me strive for better musical ability."

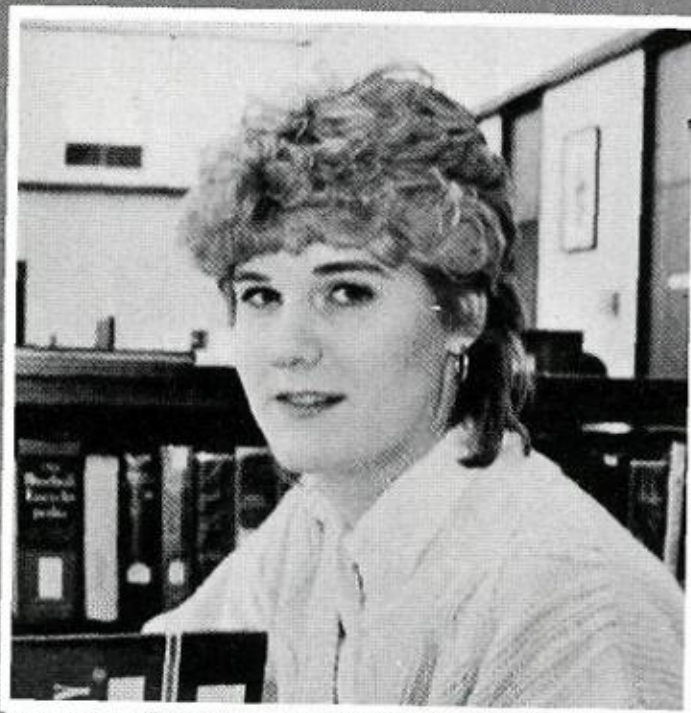

Spanish

Lisa Jones was selected as the outstanding student in the Spanish division of the foreign language department. She took two years of Spanish and participated in the Pan American Student Forum. Her other activities included choir, Student Council, Debate, NHS, NIKE, and Mu Alpha Theta. She said, "It's interesting to learn a foreign language because in doing so you learn more about English and expressing yourself well. I know I'll be able to use Spanish a lot in the future."

Latin

Brian Hopkins was chosen as the outstanding student of the Latin division of the foreign language department. He excelled in two years of Latin and participated in many competitions. He won at Area, State, and National levels. He was an officer of the Junior Classical League both years, and he served as consul or co-president his senior year. His numerous activities included GLAD, Mu Alpha Theta, NHS, Debate team, Academic Decathlon, Math/Science team, and Band. He commented, "I've really enjoyed my study of Latin. It helps my understanding of the English language and acquaints me with the culture of ancient Rome. Under the guidance of Anna Hinkle and Mike Mitchusson, I've been able to excel in competition and expand my knowledge."

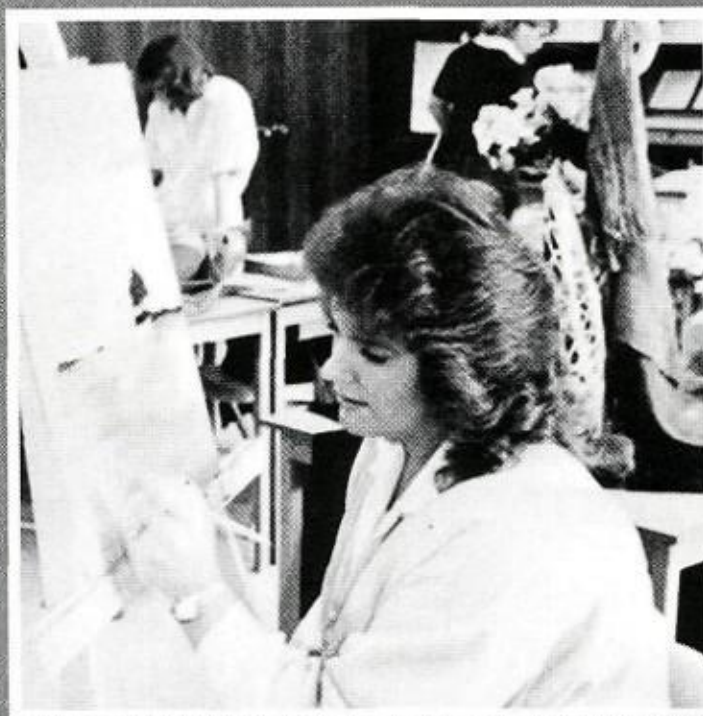

French

Michelle Haggerton was chosen as the outstanding student in the French division of the foreign language department. She excelled in her two years of French and was a member of the French club. She participated in band for three years, served on the Spirit Committee, and was a member of the National Honor Society. She commented, "I have always been interested in the French lifestyle, and two years of the language have really helped me understand the people and their culture."

Art

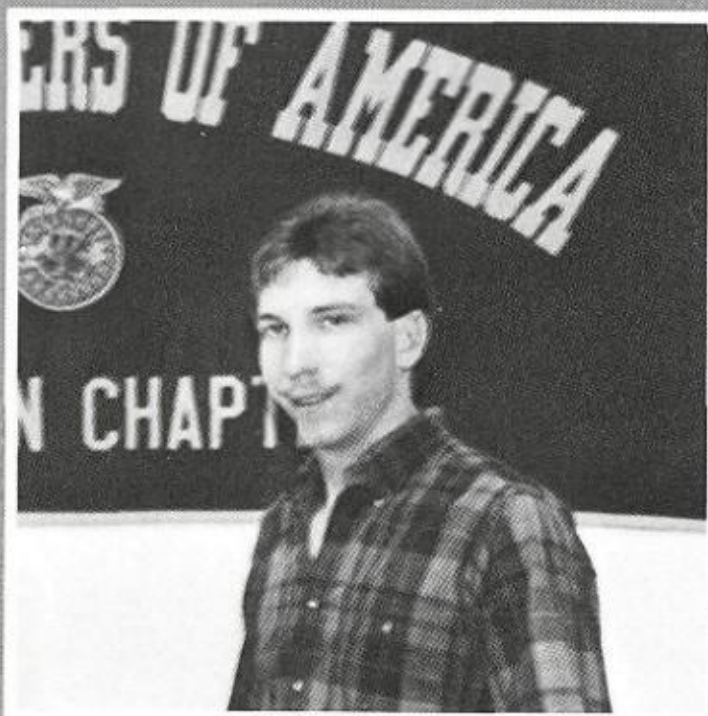

Tricia Grimmett was selected as the outstanding student in the art department. She excelled in three years of art at high school and was an active member of the art league. She also participated in FHA. Her favorite media is ink, since it allows emphasis on shadows. She attributed much of her ability and interest in art to Mrs. Hensler. Tricia said, "I like art because I feel that it is a neat way to express people's feelings. I find it very enjoyable to draw."

Drama

Deanna Grigg was selected as the outstanding division of the fine arts department. She was only enrolled in drama for one year, but in that time she displayed her strong dramatic talent. She was a Thespian and participated in the award winning one-act play, "Star Spangled Girl." She was also in Mu Alpha Theta, TAFE, PASF, Student Council, Choir and Band where she was president. Deanna commented, "Under the direction of Bob Watson, Drama has been a good experience because it gives me a chance to express myself through different characters."

Agriculture

Dale Rodgers was selected as the outstanding student in the agriculture program as SHS. He displayed his enthusiasm and ability in this area through four years of Agriculture classes. In his junior year, he served as secretary of the Agriculture organization and he was president his senior year. He also played freshman and junior varsity football. He said, "The Ag program has helped me tremendously. It has been the most important program in my high school career and will help me in the future. I have learned so much because of a great teacher and all my buddies in the program."

Homemaking

Julie Young was chosen as the outstanding student in Consumer and Homemaking education. She has taken many classes in this department including Homemaking I, Foods and Nutrition, Clothing and Textiles, and Home and Family Living. During her senior year, she was historian for the Future Homemakers of America and served on the Athenian staff. She said, "I enjoy home economics because it presents a challenge, and I enjoy challenges."

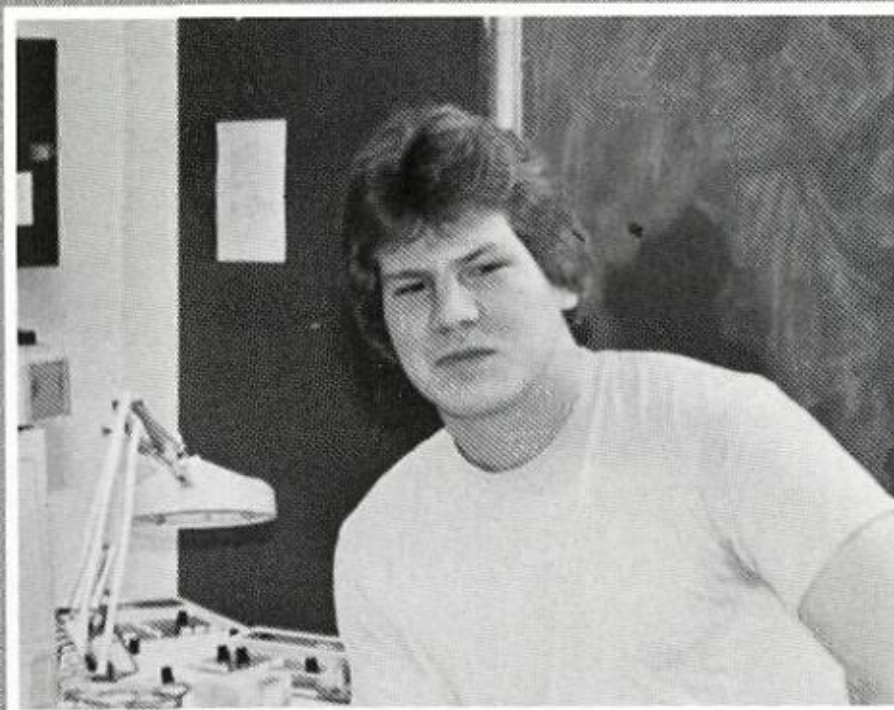

Cosmetology

LaTonya Murphy was chosen as the outstanding student in the cosmetology department. An area student from Van Alstyne, she came to SHS to take vocational courses not offered at her high school. She said, "I took Cosmetology because I wanted to learn more about the hair and be able to work in the beauty field as soon as I finish high school."

Electronics

Marty Thompson was chosen as the outstanding student in the electronics department. He is an area student from Denison High School who participated in two years of electronics and robotics. He also won various math awards. "I feel that taking the Electronics course here at Sherman has better prepared me for the field of Robotics, which I plan to enter upon graduation." In college he plans to study Robotics and Automation.

Marketing Education

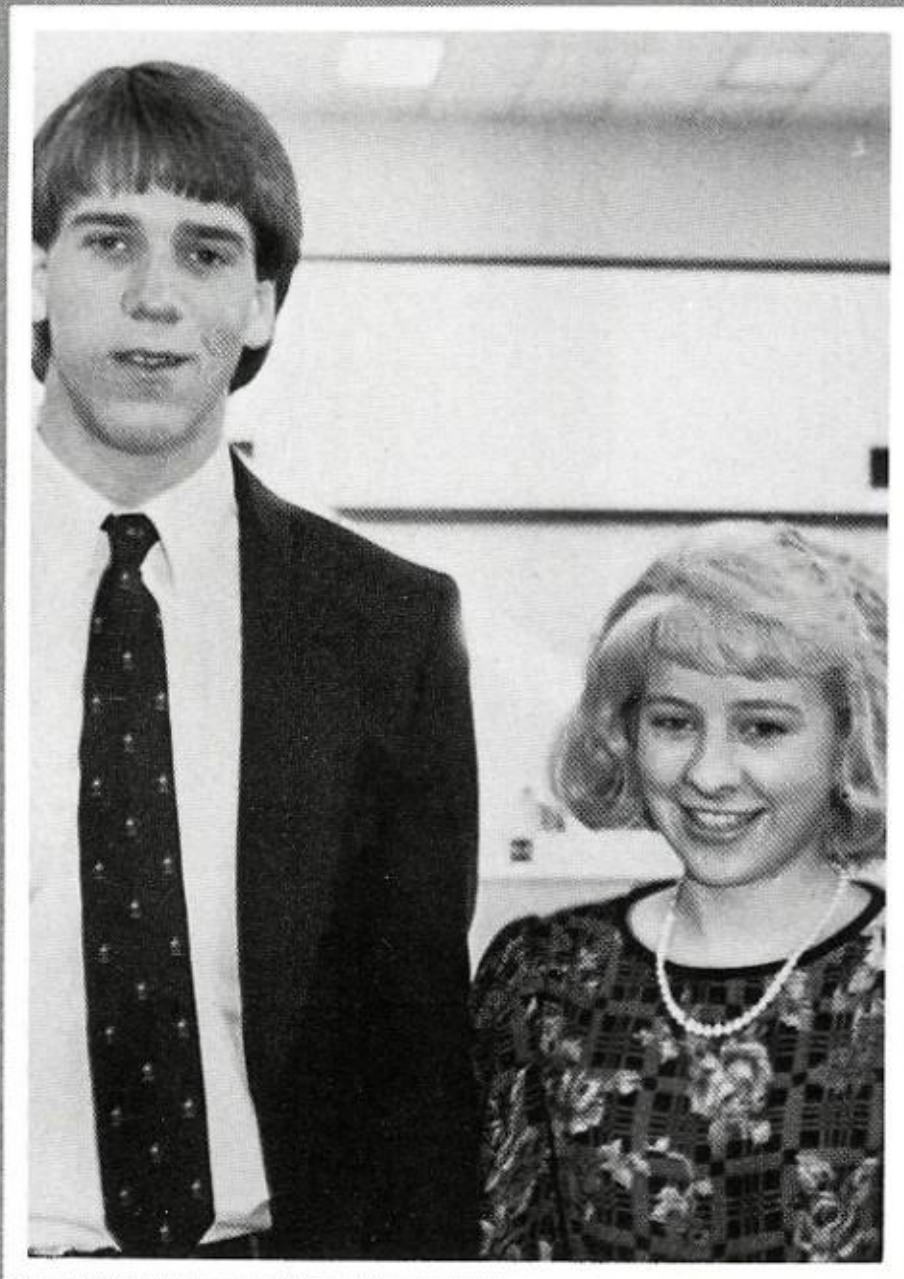

Lori Miller was chosen as the outstanding student in the marketing education department. She displayed her ability and interest in this area by taking two years of Distributive Education, and by serving as Parliamentarian of DECA as a senior. Senior Superlatives

Each year, the graduating class chooses seniors who are outstanding in various areas. The honors are diverse: from unpredictable to dependable, friendly to musical, and athletic to intelligent. But each one is special in its own way and necessary to make a senior class. For the 1985-86 school year, a young man and young woman are elected to each of eleven categories. These are the people who were special in a certain way and will be remembered as the outstanding members of the Class of 1986.

Most Spirited

Jennifer Kinder and Brett Graham could always be found at pep rallies and athletic events leading students in support of the Bearcats. Chairing the Social Committee of the Student Council helped Brett spread his enthusiasm through school dances. "I've got a lot out of Sherman High," he said, "and spirit is but just one of the ways I have tried to repay." Jennifer was a cheerleader all four years of high school. She commented "I've never felt being spirited was anything but natural. My classmates have always helped carry on the Bearcat tradition and I'll always be a Bearcat cheerleader."

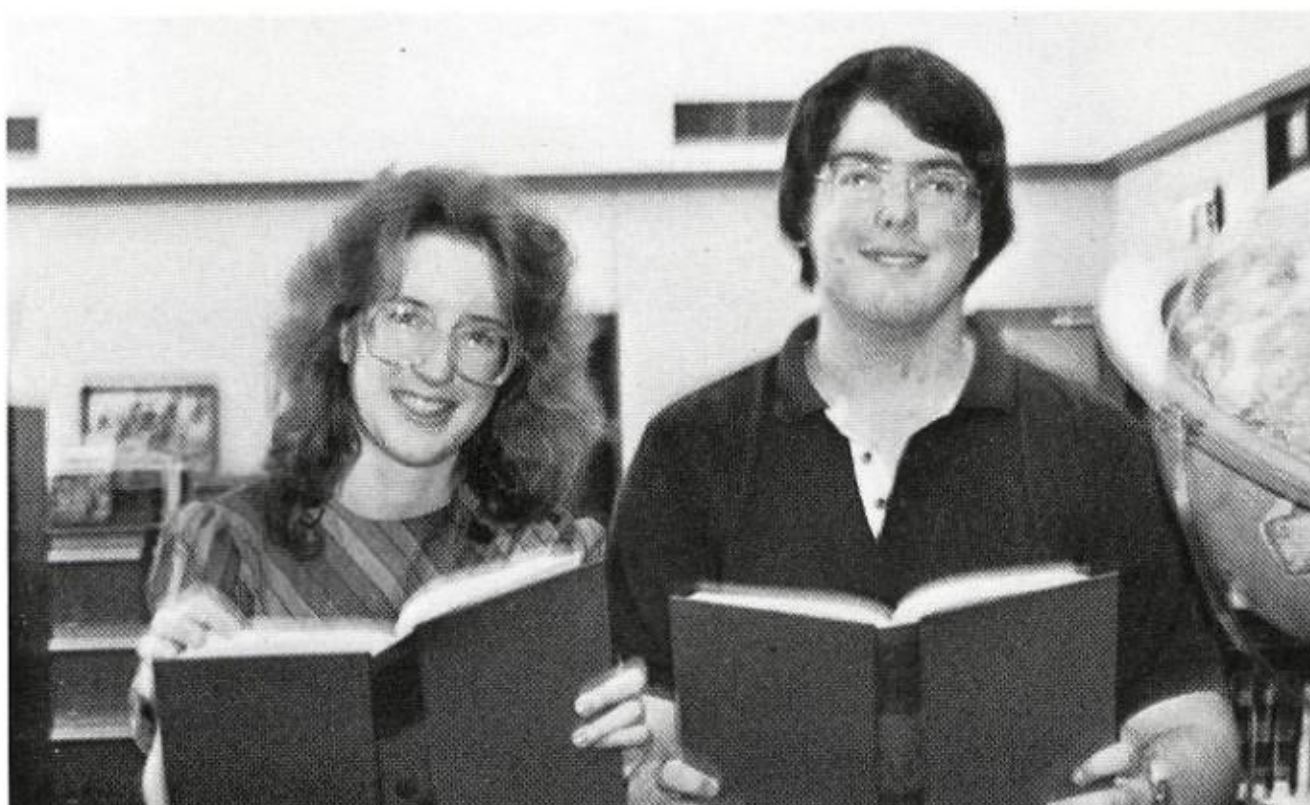

Most Likely to Succeed

Tamalyn Graham and Jeff Brennan were the people who always displayed great potential along with ability and determination to go far in life. Both participated in many school activities especially Student Council, and religious groups. Tamalyn commented, "I believe that for a person to be a success in life he or she should possess well rounded qualities and be able to enjoy life and people at the same time." Jeff added, "I think the reason for my selection is that I'm a well rounded person with a good head on my shoulders. Just a good kid."

Most Intelligent

Alice Ann Moore and **Brian Hopkins** always seemed to be at the top of their classes vying for high GPA's. But their intelligence helped other students and represented our high school well in many areas. Both were active in numerous organizations. Alice commented, "Academic excellence has always been one of my foremost goals, and I am honored to know that the Senior class of 1986 acknowledges my efforts as having been worthwhile." Brian said, "High school offers a good opportunity to test your mental ability. I have really enjoyed my participation in different scholastic groups and the challenging classes found in our school."

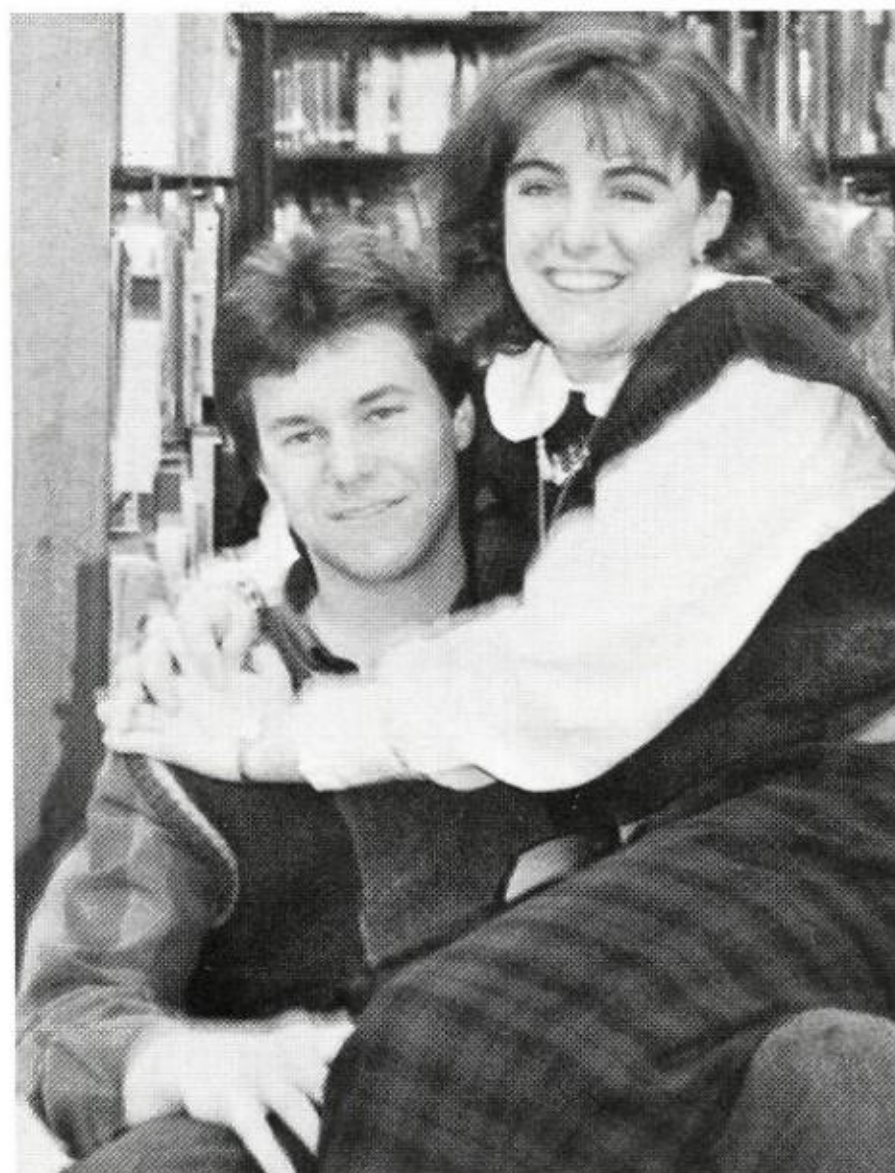

Friendliest

Yvonne McKee and **Joe Rentfro** seemed to always be handy with a smile and encouraging word. They made time for between class conversation (even with underclassmen) and Yvonne admitted, "I love to talk." A latecomer to Sherman High, Joe commented, "When I moved here, I was amazed by the warmth and friendship of the Sherman High School students. The people here made my transition an enjoyable one." Both Yvonne and Joe enjoyed meeting people and making new friends.

Best Dressed

Shannon Vaughan and **Leon Goodman** could always be counted on to be wearing the latest fashions. As well as being highly complimented for their stylish clothes, they set the pace for other students. Leon said, "I feel that the way you dress expresses a lot about how you feel about yourself and your school." Shannon agreed saying, "I dress well because I feel more confident about myself." But she also admitted, "It is fun to shop for my clothes."

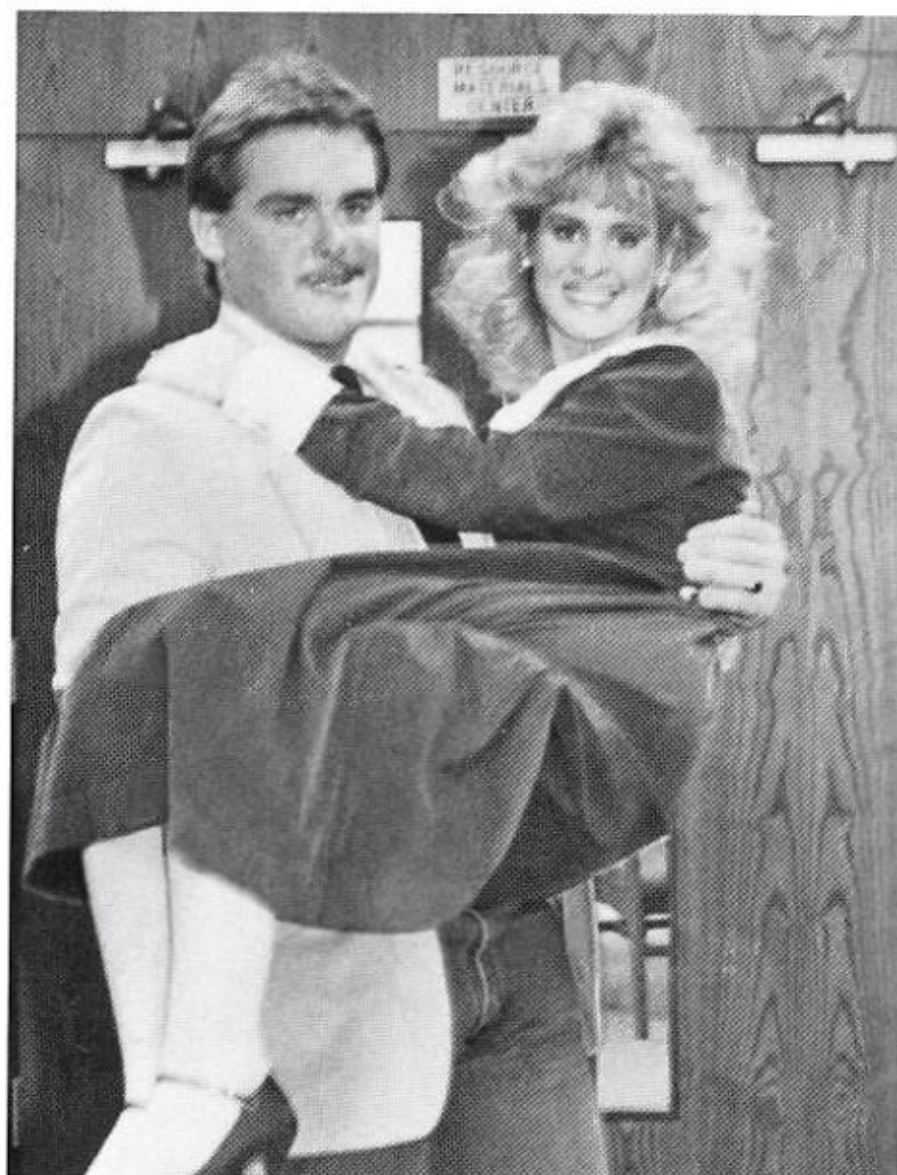

Most Musical

Laura Work and **Steve Froese** displayed their musical abilities in many ways through their high school years, whether at a pep rally or spring concert. Both were members of both band and choir. Steve was a percussionist while Laura played flute and piano. Steve commented, "I'm proud to represent the senior class as well as the band and the choir members as most musical." According to Laura, "Music is the talent God gave to me and I plan to use it in every way possible for Him."

Beauty & Brawn

Catherine Sims and **Chad Rolen** respectively represented the attractiveness and strength looked up to by the student body. Chad maintained his physique through participation in baseball, track, bodybuilding, and four years of football. Catherine has done some modeling and exercising. However, she feels there is more to beauty than appearance. "I feel that before one is truly beautiful or handsome, she or he must possess inner qualities that are attractive. There must be characteristics within the person that shine through".

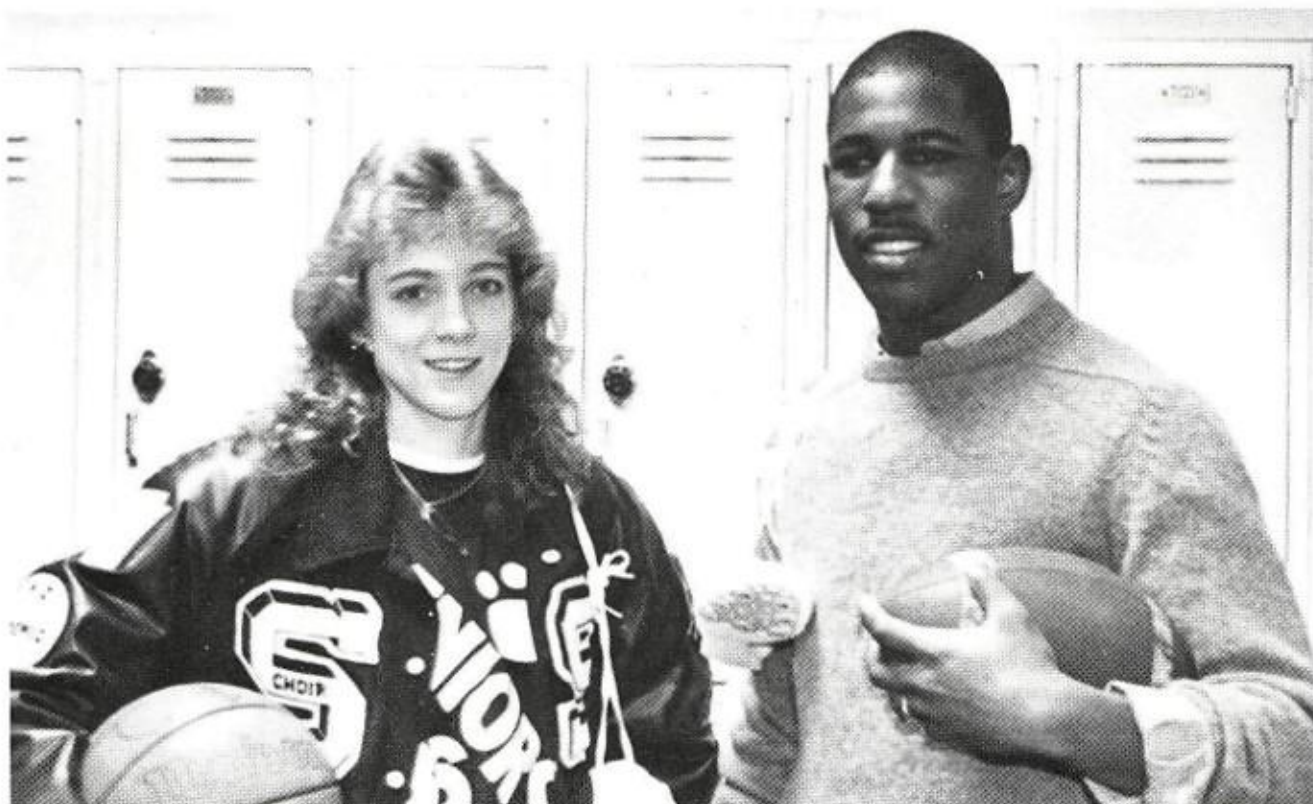

Most Artistic

Marcy Miller and **Carl Bluemel** were the students most fitted in creating visual art. Carl took three years of art courses and also studied privately. Marcy said, "I feel being artistic helps people express feelings they may not be able to say. It also is a good way to let out frustration and I find it can be relaxing and even fun." Carl commented, "I really enjoy working with complicated subjects where I can focus on intricate detail. Pen and ink and prismacolor are my favorite media; the human figure is my favorite subject."

Most Athletic

Melissa Zivec and **Walter Casey** were always active in the various sports offered at the High School. Whether on a basketball court, track, or football field, they displayed athletic excellence and sportsmanship.

Melissa participated in four years of varsity track and three years of varsity basketball after serving on the freshman team. Walter also served on the varsity track team for four years and played for three years on varsity football after a year of freshman football. According to Melissa, "Participating in sports has helped me to be more self disciplines and to get along better with people." Walter advises, "Always finish what you start and always give 100% in what you do."

Most Dependable

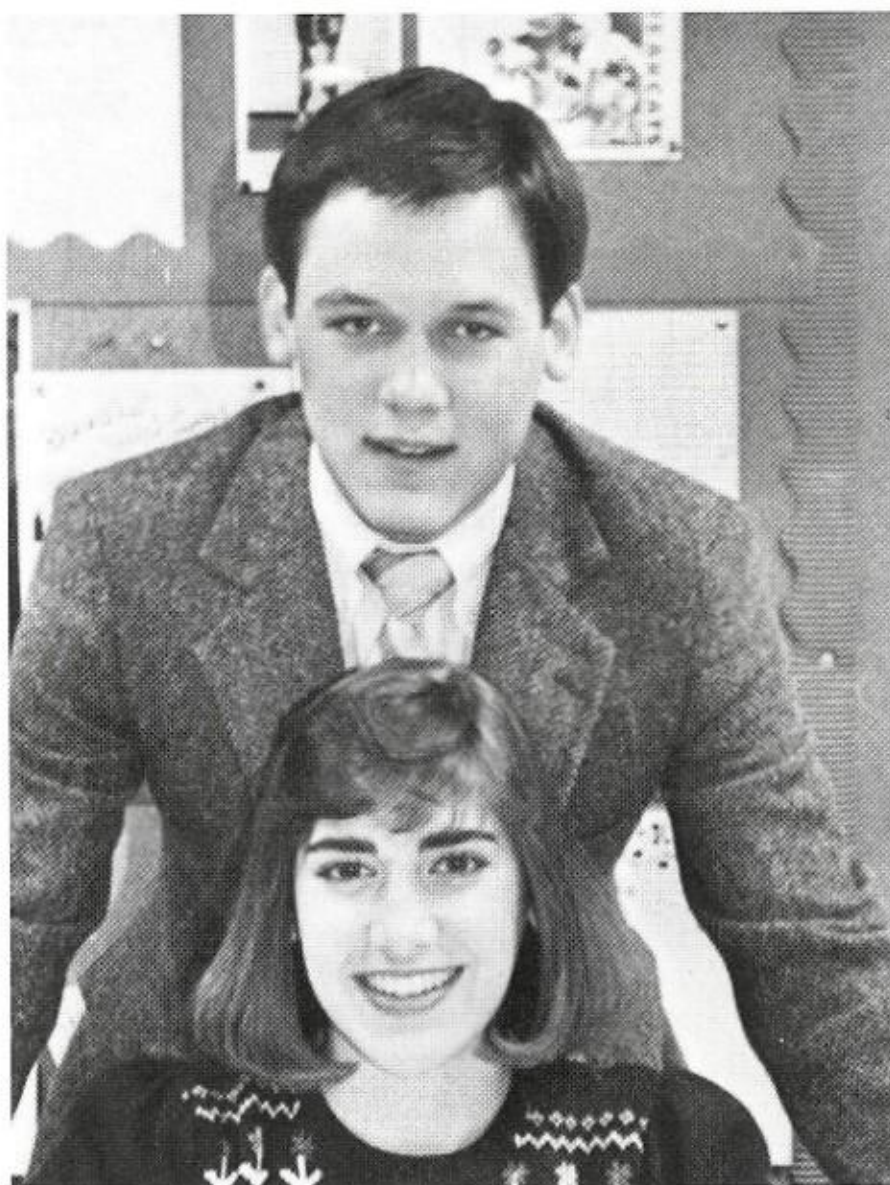

Beth Harrell and **Todd Estes** were the people you could always rely on and trust to keep their word. Both were involved in numerous school organizations, especially Student Council where they were both officers. Todd commented, "All the activities that I have been involved in have been a learning experience for me!"

Beth added, "They have given me the responsibility to prove myself dependable, being considered dependable gives me the confidence to know that people do trust me."

Most Unpredictable

Brandi Whitten and **Alan Younts** were the students whose next action was unknown. Having either of them in a class made the day much more exciting. They both made our days in high school interesting and memorable. Alan explained, "Getting into mischief has always come natural. It keeps me from getting bored." Brandi's only comment was "Honi soit qui mal y pense!" which means "Evil be he who thinks evil."

Foreign Exchange Students Enjoy U.S.

Ana Alvarez was an exchange student from Spain. She feels the U.S. is a terrific place to live, but would feel uncomfortable about leaving her family and close friends behind. She said the schools here provide an excellent education but she still prefers to attend Spanish schools. In Spanish schools you don't have as much freedom to do things as you do here in the States.

Ana lived with Mr. and Mrs. Perry Flippin during her stay here in Sherman. "They are a wonderful influence on foreign people," Ana says.

Ana believes that after returning to Spain, someday she would like to return to the U.S. for a visit. "It would be a pleasure to return to the U.S. for a short visit, but not so long that I would miss my friends in Spain," said Ana.

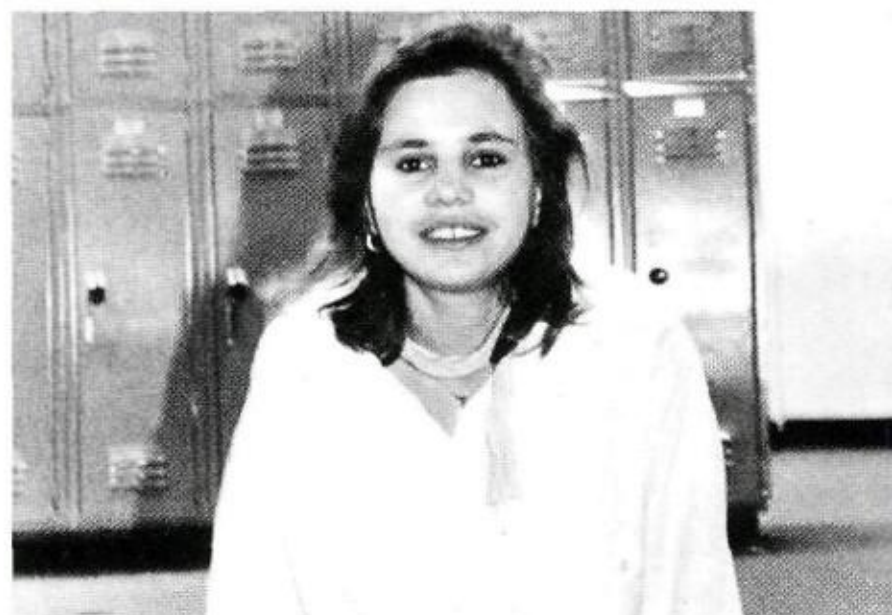

Irene Gonzalez was the second of 2 foreign exchange students from Spain. She enjoyed her stay in the U.S. as well. She said that people in Spain do almost the same or have the same things as we Americans do. For example, we too eat such foods as pizza and tacos. They practically have the same lifestyle as the United States and Irene said this made her visit similar and enjoyable. The things that were different to her are the school sports because in Spain they have very few sports at all. She thanked the people of Sherman and Sherman High School for making her trip so rememberable.

During her stay, Irene stayed in the home of Mr. Ralph Bluemel.

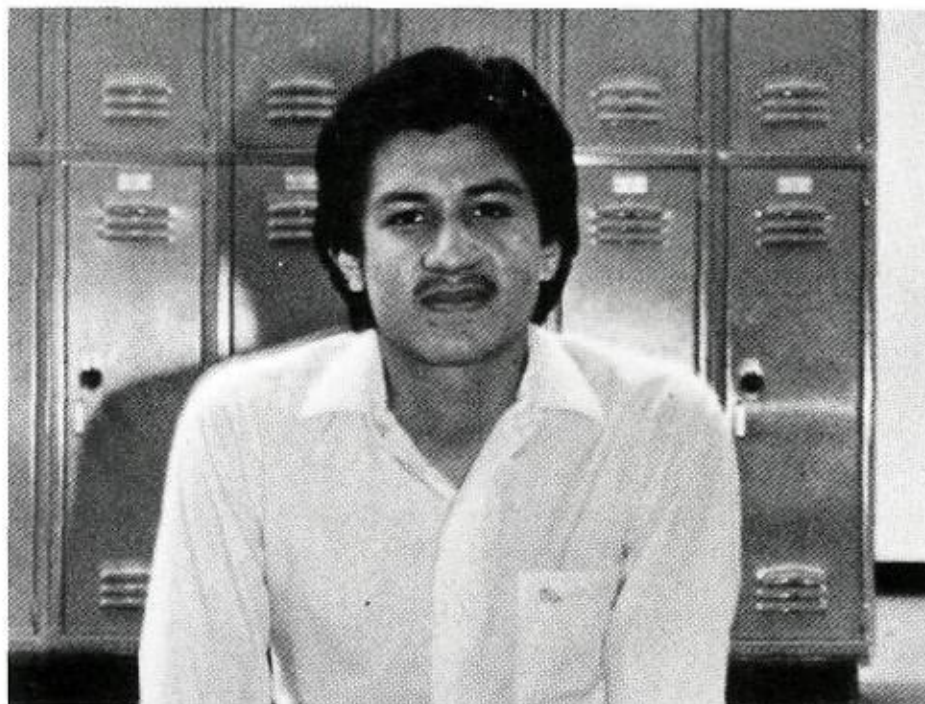

Helena Jorge was an exchange student from Brazil. She enjoyed her visit to the U.S. but would not like to live here. She likes the ideas of being able to go out on week-ends, go shopping, be with friends, or just be left alone for awhile. Helena said, "I would only like to live in America for one year or so, but would soon want to rush back to my native Brazil."

Adrianna Pina was a foreign exchange student from Mexico. She noticed that life in the U.S. is similar to life in Mexico. The school she attends begins at 7:00 a.m. and lets out around 2:30 p.m. Favorite foods of hers include popular foods here in Texas such as pizza and lasagna. She also says making friends in Mexico and social activities are similar. The most exciting thing Adrianna said she did while visiting here was to attend a Pat Benatar concert in Dallas in February.

During her visit to Sherman, Adrianna stayed in the home of Mr. and Mrs. John Work.

Oscar Vicab was a foreign exchange student out of Mexico, also. He said he would very much like to play basketball for the Bearcats, but did not have the opportunity to do so. He also liked the things that we Americans like. Examples are our everyday restaurants such as McDonald's and Burger King. His musical taste in the U.S., the same as in Mexico. Oscar thanked everyone for his wonderful visit to Sherman High School and would like to come back to the U.S. for a visit in years to come.

During Oscar's visit to Sherman he stayed in the home of Mr. and Mrs. James Adolf.

Byron Davis Awards

1985 Triple A Award Winners: Brian Hopkins, Cameron Graber, Reggie Smith, Pat Kinder, Tom Schenk, Angela Jones, Robin Goodpaster, Alice Ann Moore.

Initiated in the 1983-84 school year, the Byron Davis Award system recognizes student achievement in academics, athletics, and activities. Steve Avar, the 1982-83 Student Body President, and the rest of that year's Student Council came up with the idea and devised the point system. Each year, all students are able to fill out the forms and try for recognition. All students who earn a certain number of points receive an Outstanding Student award. The young man and young woman of each class with the highest number of points receive the Triple A Award. The Byron Davis Award is given to the two seniors who have accumulated the most points throughout their high school career. The award is named after the late principal and superintendent Byron Davis, who stressed achievement in academics, extracurricular activities, and athletics. Byron Davis winners have been (1984) Susan Morse and Brian Pitman, and (1985) Karen Riley and Rusty Ruggia. Tom Schenk, a Triple A winner, commented, "The Byron Davis award system recognizes the time and effort you put into grades and various activities. It gives you a goal to work towards."

All American Drill Team Nominees

Monique Green and Maryanna Gillespie.

Monique Green and **Maryanna Gillespie** were nominated to be members of the All-American Drill Team. As SHS Drill Team officers, they attended a week long camp at Southern Methodist University to prepare for the upcoming year. While there, they were judged on dancing, marching, poise, and overall abilities. Their excellence was rewarded by nomination. Maryanna said, "I consider my nomination to the AADT a great

honor because I've worked and have been interested in drill team for two years and that was my last camp. I'm honored they felt I deserved this." Monique added, "I was happy to be able to represent SHS. Camp was a blast. It gave me a chance to get to know the officers. Without their support, I couldn't have done as well as I did."

National Merit Finalists

Alice Ann Moore and **Brian Hopkins** earned the prestigious honor of National Merit Scholar Finalist. To qualify for this scholarship competition, students must score in the top half of one percent nationwide on the Preliminary Scholastic Aptitude test. The selection of finalists from these semi-finalists is based on academics, activities, and an essay. All finalists are eligible for various scholarships and are highly sought after by colleges.

Brian and Alice had a long record of outstanding achievements. They excelled in both academics and extracurricular activities. They were also the chosen applicants from Sherman High School for the National Honor Society Scholarship Competition. In many ways, they represented our high school well.

All Region Band Members

Nine students from the Sherman High School Band earned positions in the All Region Band. Selection to this prestigious group is accomplished by auditions held in December. Try outs consist of challenging prepared studies, scales, and sightreading.

Jerry Byler, Percussion, and Mike Winegarden, coronet, earned positions in the 9th Grade All Region Band, which is a separate competition. Those making the high school band include Tobi Armstrong, flute, Kim Bazan, clarinet, Robin Goodpaster, clarinet, Angela Jones, tenor saxophone, Tom Schenk, baritone saxophone, Tammy Stanley, contrabass clarinet, and Reggie Smith, coronet. The All region bands met for a weekend

in January where they rehearsed and then performed a concert. Tammy Stanley did so well that she advanced on the All-Area competition, which qualifies for All-State Band.

Interlochen Participants

Tobi Armstrong and Heather Chapman spent eight weeks of the 1985 summer at the prestigious Interlochen National Music Camp. Held in a national park in Michigan, the camp is attended by the best young musicians throughout the world. The girls earned their place in the group by audition. Each day they spent six to eight hours of rehearsal and lessons in addition to practice and concerts. Heather explained, "it was music 24 hours a day." Among the musicians who performed there included Chuck Mangione, trumpet, Gerry Muligan, saxophone, Bob James, Jazz piano, and the Canadian Brass. Tobi commented, "Interlochen was the most fulfilling organization I've ever had the privilege to be a part of. It was a place where you escape reality and join hundreds of others in fulfilling common dreams. It was the most intense educational experience I've ever had fun at!" Heather added, "It showed me how important music is to my everyday life."

types of music varying in language and style. I was able to work with people who enjoy music as much as I do."

Three members of the Sherman High choral department earned positions in the All Region Choir. At the auditions, held in November, those trying out performed prepared pieces and sight reading. The students who made All Region Choir were Laura Work, who sings first soprano, Dawn Rummage, second soprano, and Russell Solomon, second tenor. They performed in a concert held in December after a weekend of practice. Laura said of the experience, "It gave me the opportunity to experience several

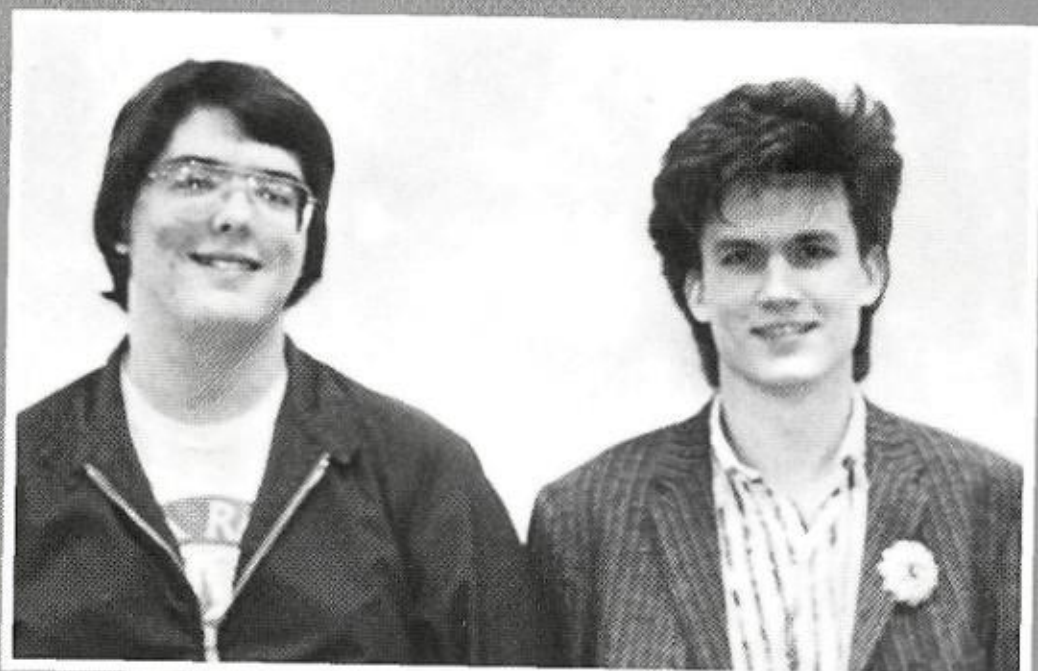

Sherman Symphony Members

Six Sherman High School students expanded their musical endeavors beyond the high school program. They earned positions in the Sherman Symphony, a volunteer musical group cosponsored by the Sherman Musical Arts and Austin College. These students helped to make the 20th year of the symphony a success.

Meredith Mosley, viola, and Chris Mullins, violin, were members for three years. Maria Wilsher, violin, was a two year member, and Brian Hopkins, oboe, was a member for one year. Amy Roberts, violin, and Tobi Armstrong, piccolo, joined the group midseason. Meredith commented, "The past three years in symphony have given me an opportunity to grow musically, culturally, and socially. It's been a wonderful experience that I'll always remember."

Brian Hopkins and Lance Kinney

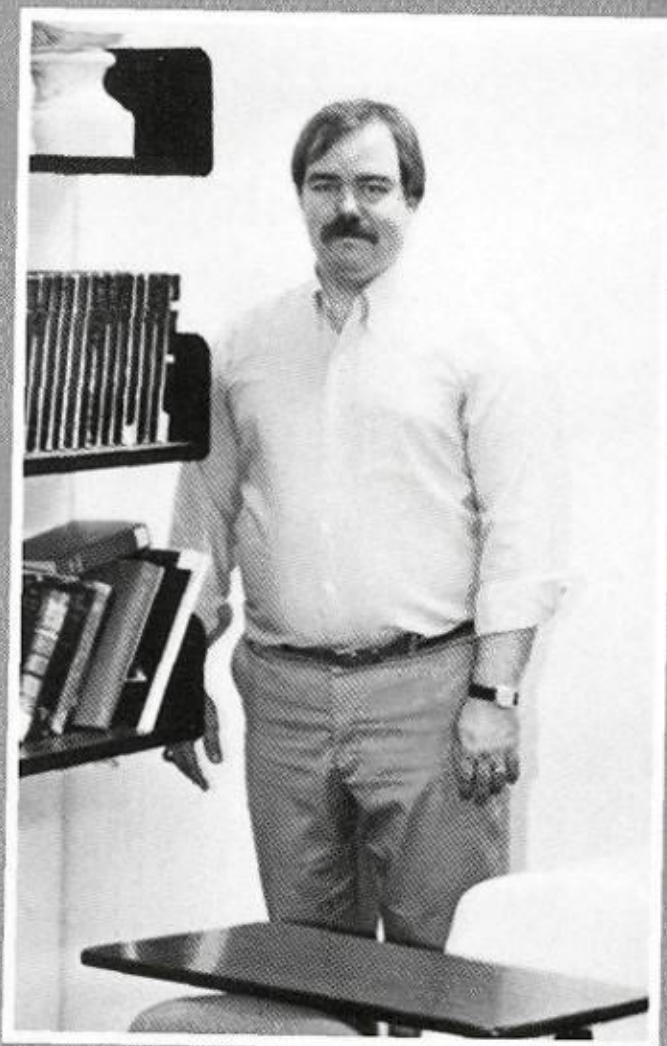

National Latin Winners

Last Summer, Sherman High School was represented by two students and a sponsor at the National Junior Classical League Convention held at the University of New Hampshire in Durham. Lance Kinney and Brian Hopkins qualified earlier by placing at State competition, and they were accompanied by Latin teacher Anna Hinkle to the national Latin competition. Our students were among the 1400 students from across the country and parts of Canada. During the week long convention, they participated in academic contests, oral competitions, seminars, general assemblies, and dances. Despite the lack of spirit with the Texas delegation, our state had one of the largest and most successful groups there. The convention was topped off with "A day in Old Rome" where all delegates dressed in the traditional toga and had an authentic Roman feast for lunch.

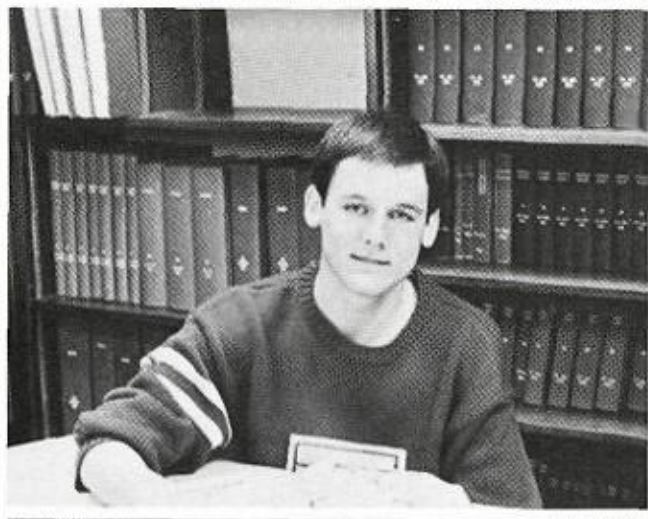

Both Lance and Brian won numerous awards. Kinney won 8th place Latin derivatives, 7th place in Greek derivatives, and 5th place in Reading Comprehension. Hopkins won 10th place Greek Derivatives, 7th place in reading comprehension, 3rd place in essay, 3rd place in Latin derivatives, and 1st place in Sight Recitation. Both said that they could not have accomplished so much without the help of teachers Anna Hinkle and Mike Mitchusson. Lance commented, "It was a chance to meet and compete with people from all over the United States that had the same interests as I. It really added to my interest in Latin, Ancient Rome, and dancing". Brian added, "It was a reward for all the work we had put into class. It was a unique combination of educational growth and fun." Both expressed their plans to attend the 1986 Convention in Bloomington, Indiana. They are current consuls or co-presidents of the Sherman Latin Club.

Award Winning Latin Teacher

Mr. Mike Mitchusson, who teaches Latin and History, received two prestigious teaching awards. He was selected as "Latin Teacher of the Year" by the Texas Foreign Language Teachers Association and he was also named Outstanding Teacher by the Classical Association of the Southwestern United States. The awards were based on innovative techniques, enthusiasm, and success in the classroom. He said his achievements would have been impossible without the support of administrators, fellow teachers, and outstanding students. Along with Ms. Hinkle, he sponsors the Sherman JCL and helped prepare the students, who have performed so well at contest. He is often called on to prepare various tests used at various Latin contests. A graduate of Sherman High School and Austin College, he taught in Amarillo for nine years before returning. Students who have been in his classes have experienced first hand his understanding and enthusiasm and have deemed him an "optimus magister."

Boys' State Girls' State and Nation

Lisa Jones and Todd Estes

Todd Estes and Lisa Jones represented our area in the 1985 sessions of Boys' State and Girls' State. They were held at the University of Texas in Austin and Texas Lutheran College in Seguin, respectively.

Boys' and Girls' State serve to educate the participants about the policies and principles of all aspects of government. The students form mock government

bodies complete with elected leaders and legislative debate. Todd Estes was elected as State Comptroller of Public accounts and Lisa served as President ProTem of the Senate. Lisa said, "It's really a lot of fun because there are so many different aspects to get involved in." Todd commented, "It was one of the greatest weeks of my life and a great experience I'll always remember."

Lisa was chosen as one of two delegates from Texas Girls' State to go on to Girls' Nation. She was one of a hundred girls who spent an all expense paid week in Marymount College in Arlington, Virginia. While there, they formed a mock government based on the system in neighboring Washington, D.C. She especially enjoyed the interesting people and sightseeing. After talking with others, she decided "Texas Girls' State is the very best program of this type in the country. It offers more time, better education of government, and leadership by young, interesting people." She planned to be a Girls' State counselor later.

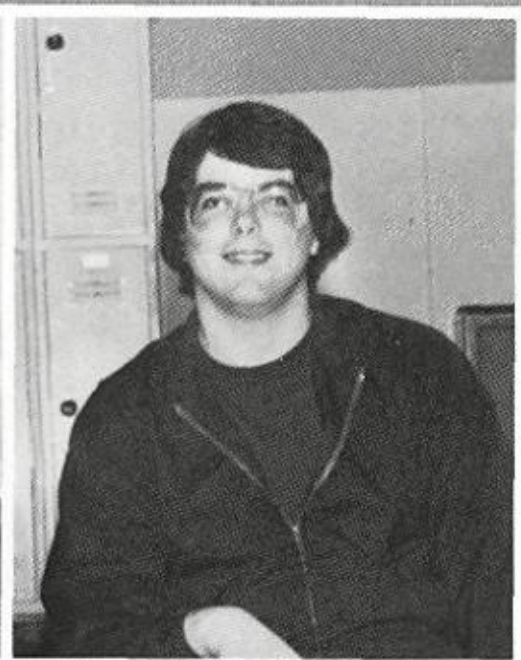

European Scholars

In the 1985 summer, two Sherman High school students, Zelda Wafer and Brian Hopkins, were awarded trips to the European continent.

Zelda was one of two youth nationwide who received the Fischer Control scholarship. She spent two months with a family in Wegburg, West Germany. While there, she attended some school, visited Belgium and Holland, learned to recognize some German, and experienced German culture. Her visit inspired her to pursue an international communications major.

Brian was invited to accompany a group of students and teachers from Trinity Valley School in Ft. Worth for a five week tour of Europe. Unlike Zelda's trip, which emphasized lifestyles, his trip emphasized cultural enrichment. A lot of time was spent in museums and cathedrals. He visited France, Switzerland, Italy, Austria, Germany, and Hungary, which is considered communist. While there, he developed an appreciation for art, architecture, and history. He said visiting a communist country was a very different and unforgettable experience.

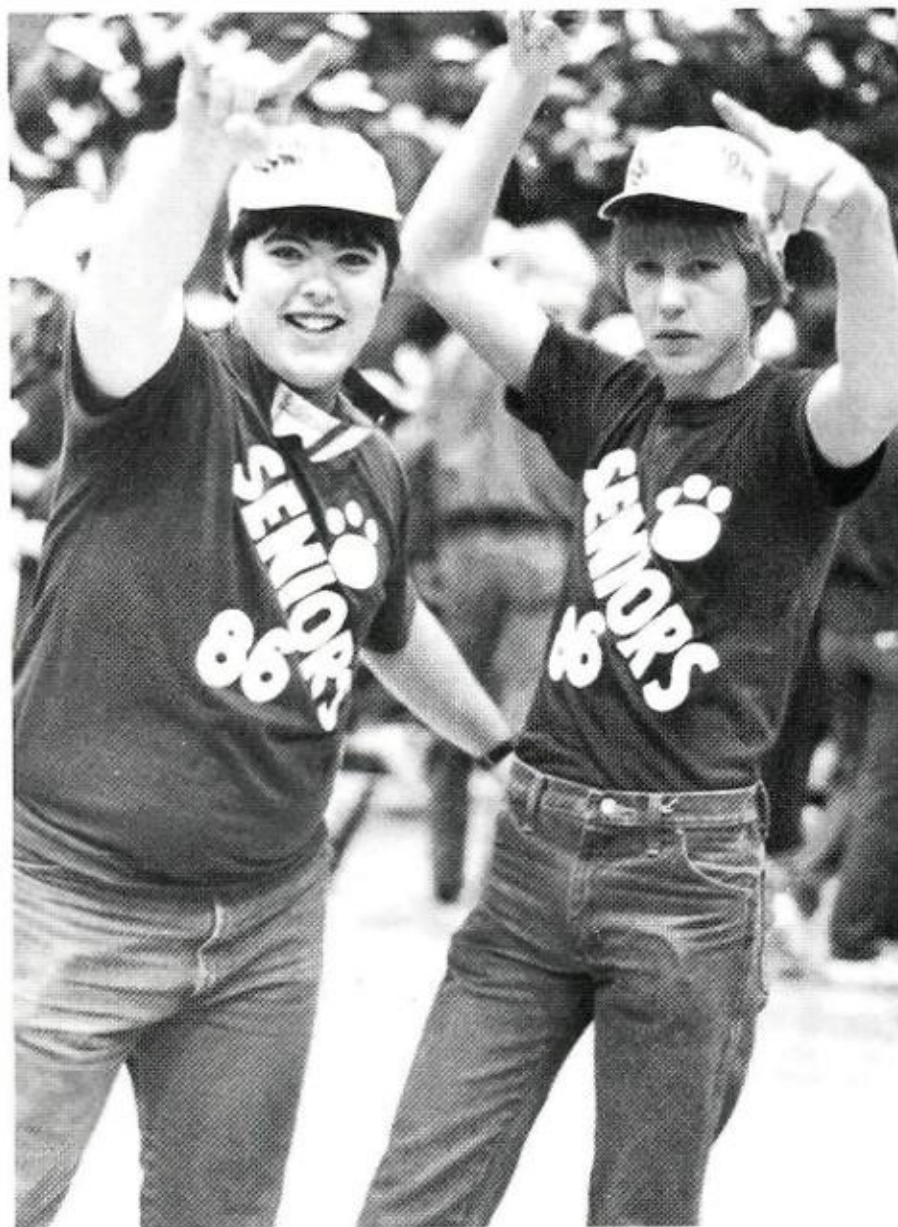

Both Zelda and Brian described their expense paid trips as exciting and memorable. Both also enjoyed European cuisine. If possible, they would both like to study abroad during college.

Ke Mexico toll

Schools, hospitals, and other buildings — all in Mexico City alone. It's too dirty and smoky and we can't go in there. Children wandered the streets, and calling out for their parents. "I have been looking for my son since yesterday morning," a mother told a Mexican television newsman. "This name is Adams. Please help me find him." The name is Adams. Please help me find him. The mother pleaded over television. The Associated Press reported that the mother visited one of several emergency morgues in Mexico City and found a body. Please see related stories on page A-1, B-1.

Trouble Here

The world is life, the world is pain
 Without our hard-work, there can be no
 gain.
 Could the time of our demise be ever
 growing near?
 Will we grab the "wheel"? Can we make
 it veer?
 Off to the stars, the reaches of our mind
 This is the answer — my friends — my
 enemies
 LOVE is the power, the might, the force
 Mystic on the waves of time . . .
 We have lost our minds, the gift of all
 The ever growing creation, that can
 Swallow up the pain, the death,
 the DESPERATION.
 What have us here, What have we there
 Evil, anger, hate, distrust —
 People just don't care.
 Will we hear the sorrow, the agonizing
 pleas
 Or will we feel the touch of one-hundred
 million degrees?
 The war — will it come to an end?
 Good-bye for now — Shall we try again?

It's You Again

Today I had a dream
 It wasn't a real dream
 it wasn't of gold or rainbows in the sky
 it was a familiar dream of you and I

 Seems that just when I think everything
 is over and done
 Here come those old memories of that
 certain someone
 I've cried all the tears and I've lived
 through the pain,
 But somehow those memories of you still
 remain

 Once I thought I had found someone new
 He didn't neglect me or make me feel
 used.
 Blindly I fell into the continual web,
 I loved him but he wanted someone else
 instead
 Then all the pain and neglect settled in,
 I turned to ask him why,
 It was you once again.

Down and Out

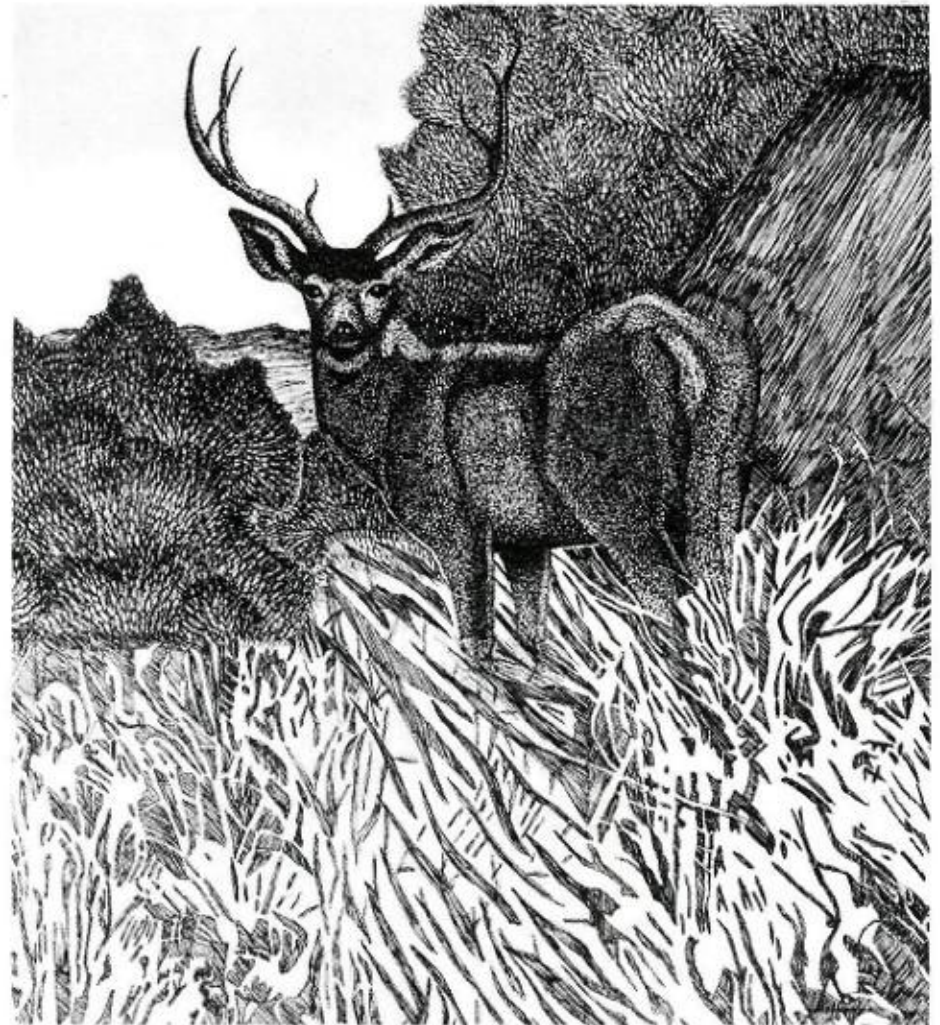

Down and out
without a care
no one to turn to
no one was there
and then there was you
with the sound of your voice
I stepped into the light
trusting in your word
I found you were right
and then you were there
you listened to me
showed me the way
made me laugh made me cry
I could face a new day
and then you were gone
how could I continue
without the things you'd shown
but then I thought
I can do it alone
and now I can live

UNLEASHED

The dimming of the Lights
is greeted by a roar
Anticipation is high
Like nothing felt before
The smoke wafts slowly
Like magic in the air
The strains of organ music
Signals He is there
The dragon rears its head
Laser eyes beaming bright
Unfurling acrid Smoke
Symbolic of the night
The drawbridge is down
A silhouette within
The twin-horn salute
It's time once again
The stage erupts in a flash
Sound electrifying the soul
This is live, this is magic
Heavy metal rock and roll

Am I

Am I truly alone?
 Friendship — so close, almost
 tangible.
 But so far away — is it real?
 So strong — nothing breaks it.
 But so fragile — you don't dare
 touch it.
 It's there — you know it.
 But how can you be so sure?
 Am I truly alone?
 Am I?

 But with me will stay my memories
 I'll always have those
 To keep me warm on cold nights.
 It hurts when I see you
 Because I wish it could be like

 And I won't force what isn't
 there.
 You mean more to me than all
 the world
 Please don't ever let me go.

GRADUATION

Where does the time go
In innocence lost?
In the flurry of childhood
Who pays the cost?
When yesterday 'comes tomorrow
What comes of today?
When we must face all the world
Who guides our way?
And now it awaits us
To snap at our heels
To try and subdue us
To weaken our wills
But with Him to guide us
We'll see life unfurled
When our class of '86
Takes on the world

WE, the cold, cold SENIORS of 86
Would like to let you in on a
few major kicks . . .
It's been four long years and
our memories bring tears.
We've made good friends, the
good times will never end!
We will soon go our separate
ways, but before we bust
we would like to say:
LA-TI-DA-TI We like to party,
We don't cause trouble,
We don't bother nobody!
Other classes may say how great
they are,
But surely they must jest.
For if you have any common,
You know that WE are the best!
Yea we are! Ugh!!

Religion Of Life

As you go through life
 people always tell you "no go"
 but somehow you know
 there's a better life just around
 the bend
 and you want to be part of the
 show
 you walk down the street
 and the people you meet
 just seem to be images
 of past times, past friends
 You want to reach out
 but they still scream and shout
 that you'll never amount to any-
 thing
 but you just pretend you didn't
 hear
 because you know there is a better
 life
 and they don't want you to find it
 but go ahead and reach for it
 lift yourself up and show them
 you can do it if you try
 and life doesn't have to pass you
 by.

The Winner Takes It All

The winner takes it all
 says that old song
 and I'm beginning to see
 that it's not so far from wrong

There is no use pretending
 no need to say it at all
 we both know who's the winner
 and the winner takes it all

This game that we've been playing
 hasn't been played right
 dirty tricks and jealous schemes
 all part of an undeclared fight

Well, the game is over now
 you've torn through the enemy
 wall
 and along with the blood and
 tears that were shed
 the winner takes it all

As a result of this game of
 deceit
 I am your puppet doll
 you have my pride, what more do
 you want
 but the winner takes it all

you're the winner, you can walk
 away from the smoky front
 while I lay wounded on the bloody
 ground
 the proof, the prize of the hunt

The winner takes it all
 and you've made it clear;
 that the games we play as lovers
 are games of pain and fear.

Love + The World

The flags and the colors
at nite they lite up
all the smiles + the sounds of
the wheel
it's a feeling sometimes
U don't know U feel
'till it's gone + it hurts but
it's real

a circle of life +
a cycle of love +
a wave + a smile + a tear
a goodbye can B good
but it's "bye" that U hear
is it wrong that i'm feeling
your fear

but it's a love that makes the
world go around
it is finding a love
it's a lover U found
but it's your love that makes
my world go around
the simplest of love is the
hardest of things
but it's a love + the world
goes around

Free Time

How I find my days filled with
ceaseless, unending chores
Each worthy in its own right
but together robbing me of
a treasured asset: free
time

I often wish for more hours in
a day to grant my anguished
soul more time
But then realize; if there were
more hours in a day, I
would only fill them as I
have filled those I already
have

So I praise the brevity of the
day but oft wish it to be
even shorter
Not allowing me as much time to
keep busy, ignoring the
joys of my youth and friends
which both flee with alarm-
ing swiftness

All too soon, I will leave my
home and occupy my time
away from here
And even past then, I shall con-
tinue to spend my time until
it is all consumed: no
more time even for worthy
chores

My life will have gone bereft of
that which I longed for but
never attained:
Time to realize my world's
beauty, time to know my
fellow man, time to study
and discover even my own
self

So I shall die a busy man with
many accomplishments, all
empty and meritless
I will leave never realizing
life's values and a stranger
to myself for lack of the
time I thought frivolous,
which is truly vital
But I have not left yet, and
molds can always be changed,
though it is strenuous
I still have opportunity to dis-
cover and enjoy; I have
only to convince myself
that free time is a valuable,
fleeting thing

The Elderly Lady of Eighty Three

A silver-haired, quite elderly
lady,
Who was pushing the age of three
and eighty,
Would weekly venture to study
birds of all sorts,
Piled in a blue van with elderly
cohorts.
Though their eyes had probably
grown cloudier,
None of the bunch could possibly
be rowdier,
Than the dear little woman of
eighty three,
Who had a spirit, vivacious and
free,
Which wouldn't be captured, nor
even contained,
And from heart-felt giggling,
she could not be refrained.
Dressed in her bonnet and dungarees,
She had explored the lands and
the seven seas.
She loved life best when it was
adventurous and hearty,
And was seldom known to miss a
social or party.
And when the rest of the girls
were studying a bird's
color splotch,
She was often rumored to sneak
a small snort of scotch,
Which alleviated her stiff back
and other ailments,
And probably prevented many of
the elderly frailments,
Which strike those who believe
life is for the young,
Because, to that special lady of
eighty three, life has just
begun.

Life and Death — The Alpha and Omega

Life — how do I write the
whole self being down
in ink, on just a few
stanzas of feelings.
So great spans the knowledge
of life it could fill pages
yet still have room for
one more.
The body is formed out
of love, why then do you
justify your claims of
taking out of hate; confusion.
In taking it, thinking to solve
all matters, you only succeed
in complicating it worse.
Through a thick, dense fog
you see light, but does
it lead you to a haven of
strong, firm land or merely
further away from your
hopes of peace.
Condemned to fear a shaft
of wavering light you lose
all hope, knowing you
have taken the wrong path,
shrinking back after grasped
once or twice for the life-giving
rope that will save you from
eternity — *Death*

Art Department Widens Its Scope

This year's Art Department, as was last year's, and that of the year before, and on back to the beginning of the Art Department at Sherman High School as a whole, was separated into three groups: Art I, Art II, and Art III.

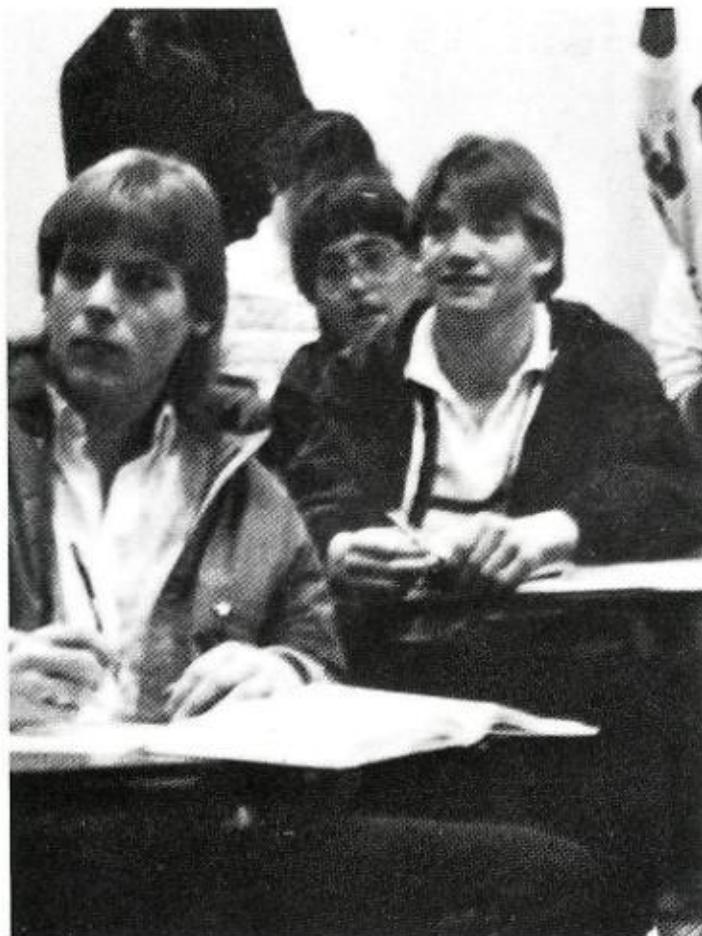

Art I, as described by Mary Hensler, head of the department and art teacher, "is an exploration over a wide variety of materials and techniques."

Those that pass Art I, and continue to show an interest, may take Art II. The verbose Mrs. Hensler, whose influence also extends to being Art League sponsor, elaborates, "Art II is delving deeper into technical drawing and development of professional skills."

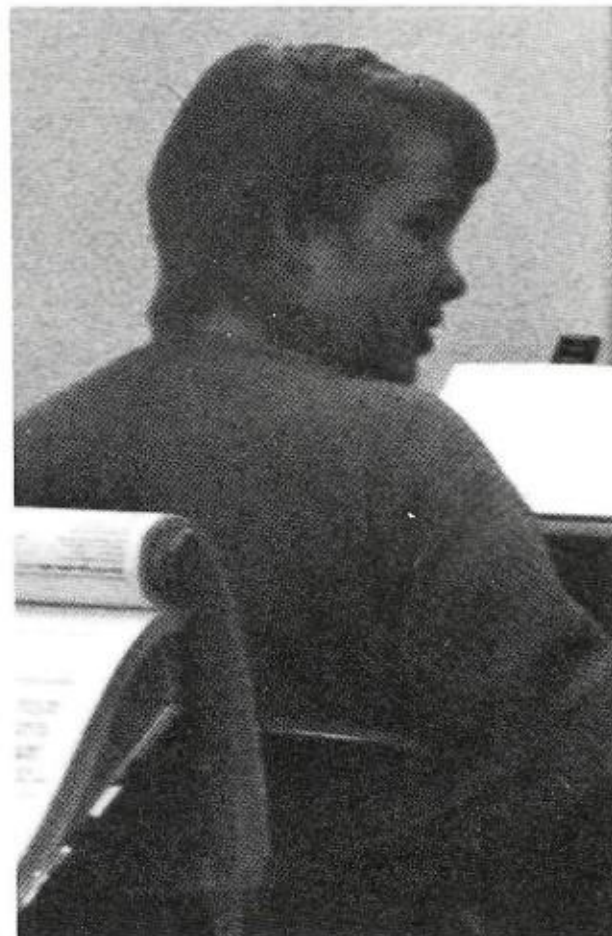

Those that survive continue to the upper echelon of the Art Department, Art III, in which various attempts are made to widen the artistic scope of the students, as well as to prepare a portfolio for college study. Tim Shenk, senior and Art League member, has been known to say that Art III, "motivates you to fulfill your artistic potential, and brings forth new career opportunities."

Business: Set For Life

Business students prepare for life after high school.

Business offers many courses such as Business Law, Business Management, Typing I and II, Accounting Record Keeping, Personal Business Management and Personal Finance, Economics and Business Math.

These courses help in skills of typing, aspects of law, keeping books of records, budgeting, Real Estate, Insurance, Free Enterprise, Problem Related functions and Discount percentage.

Mr. Parker, head of the Business department, says the new teacher in his department, Mr. Russell Haddock, is doing a great job. Mr. Haddock teaches Personal Business Management, Business Math, and Typing.

DRAMA: CAUGHT IN THE ACT

The theatre arts class at SHS offers many rewarding opportunities for students. The class is a comprehensive overview of the art of theatre. Students present monologues and short plays as part of the year's curriculum. In addition, the many technical elements of theatre are included as part of the course. Make-up, lights, costuming, and set design are all taught. Theatre arts bolsters the self image of the students involved and introduces them to the magical world of theatre.

A Novel Approach to Communication

The English Department has always had excellence as its goal. The staff's hard-working teachers, headed by Mrs. Karen Kays, strives to perfect spelling, mechanics, vocabulary, grammar and composition skills and to increase the knowledge and appreciation of the forms and types of literature among SHS students. The required four years of English can be fulfilled with honors or regular courses. In accordance with policy changes, honors English, along with other honors courses, required application and teacher recommendation.

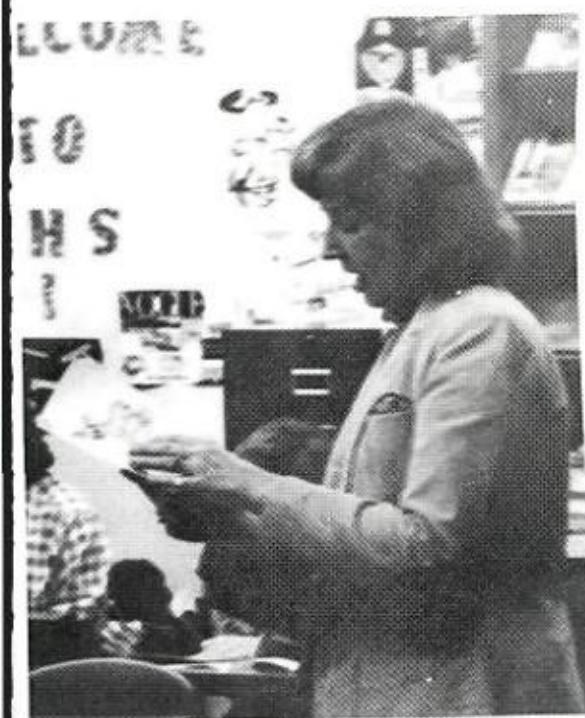

English gives us the ability to communicate effectively and is the back bone of the academic program.

Culture Campaign

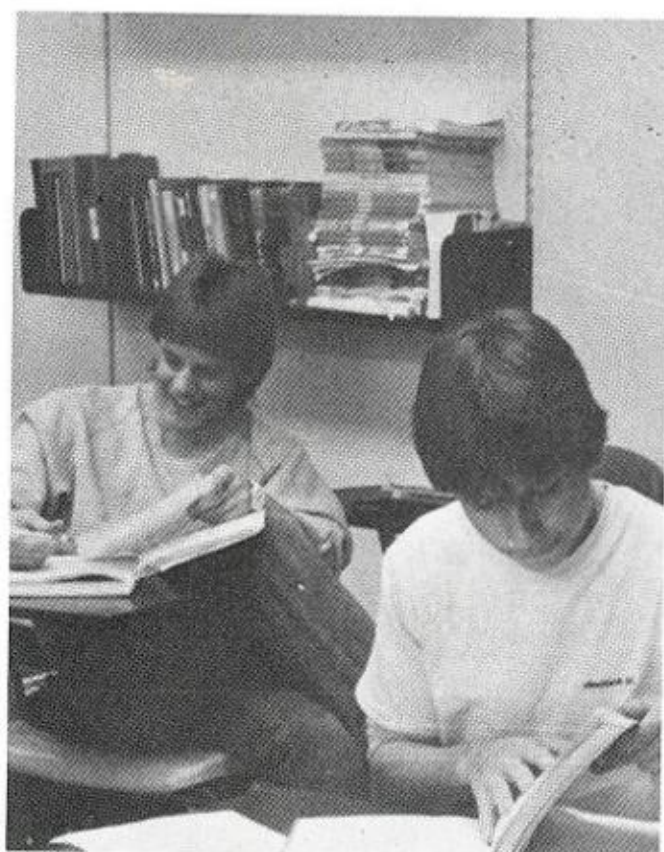

With an increase in enrollment, the foreign language department continues to strive onward in its purpose of providing students with an awareness of other languages and cultures.

Mrs. Bobbie Gholke, department chairman, commented, "In view of current communication standards and availability, it is vital for Americans to study other languages and cultures."

As an emphasis on academic excellence continues to increase within our public educational school system, the foreign language department is expected to continue its rapid growth.

HOMEMAKING GETS COOKING

Though different in many ways from previous years, this year Home Economics classes presented a challenge for those involved in the art of homemaking.

If you were to walk down "C" hall during any given time, you would hear and see (and smell) many different things.

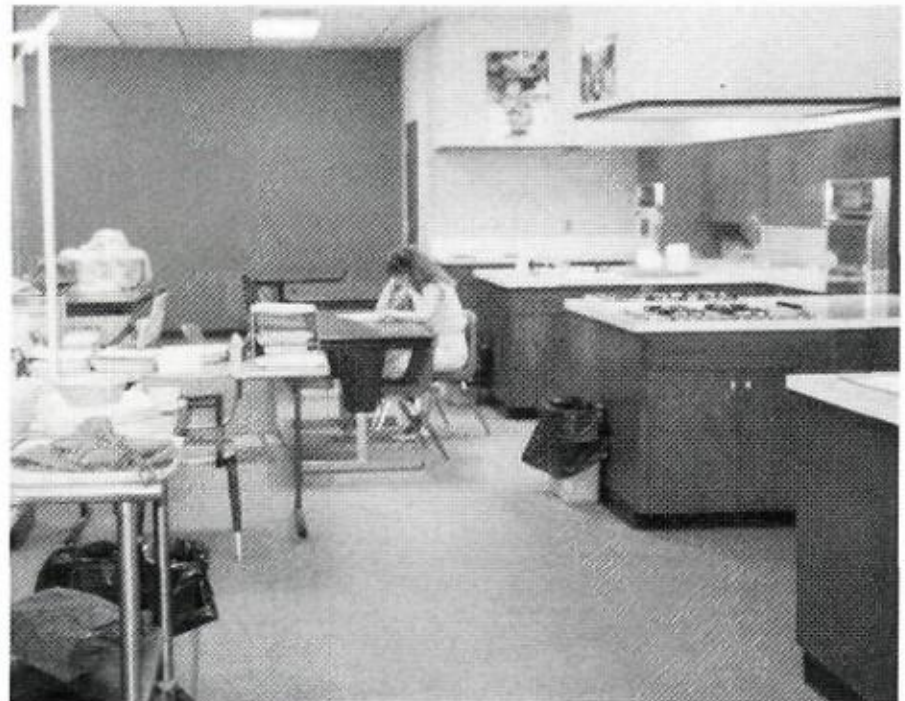

First semester you could hear Mothers weeping over their newlywed daughters in the Home and Family Living classes where mock weddings were held. You could also smell a variety of foods being cooked in the food labs.

Second semester you could listen in on discussions of "how we came to be in this world." And if you listened really closely, you could hear the crying of newly born egg babies.

Mrs. Betty Brawley, Home Ec teacher, commented, "Homemaking classes offer many opportunities to prepare for life." Students may enroll in Home and Family Living, Child Development, Foods/Nutrition, Clothing/Textiles. Students may also join Future Homemakers, a club sponsored by Mrs. Betty Brawley, or Home Economics Related Occupations (HERO) sponsored by Mrs. Myar Gillespie.

Industrial Arts Builds for Tomorrow

What does it take to be in Industrial Arts? Two key elements are creativity and imagination. Industrial Arts is for the architects and carpenters of tomorrow. It helps them develop their talents and realize their dreams of the buildings of tomorrow today.

When you walk into the room, one can see the minds at work. Hammers are busy creating. The drafting tables come to life under the hands and minds of these young architects.

Changing the shape of the skylines of tomorrow is the hope of these young carpenters and architects.

Industrial Arts covers all phases of building a house and architectural drawing covers all phases of drawing blue prints.

Students get a kick out of the project.

Journalism: The Grand Adventure

Students Explore New Frontiers

Journalism Class 85-86

- Lisa and Wanda open the Bearcat store and alphabetize school pictures while Clay and Matt go to Quin's to pick up prints. Kurt works on the school directory and Mark lays the faculty page of the yearbook.
- The bell rings and Mrs. Icsman flips on the overhead projector. The students scramble to begin the classwork which includes analyzing ads in the *Dallas Morning News*. Tara announces she doesn't have a newspaper on her desk; Wayne needs to borrow a pencil.
- In the commons, Michele and Lori design the Homecoming Pages, Debra and Claudette identify the junior mug shots, Stephanie types the new ladder, Julie and Gina leave to get ads.
- As you can see from the above scenarios, Journalism is a diversified class encompassing the basics of newspaper writing and layout, mass media, and yearbook publication.
- Journalism students assisted in every aspect of yearbook publication. They were very instrumental in making this year's book a huge success.

Get a Piece of the π

Mathematics is a science dealing with the properties of and the relations between quantities, sets, and operations. SHS offers a wide variety of math courses, from consumer math to computer math to calculus. The SHS math department is well equipped to help students achieve any mathematic future they wish, yet all of these courses are bound together by a single goal, that no student will leave SHS without a strong math background and a firm understanding of the basic concepts of mathematics.

Music Makes The World Go Around At SHS

Making music can be very, very enjoyable. It can also be very, very hard work. The marching band spends many extra hours during the summer and before school to get their show perfect for Friday night football games. The choir, band and orchestra spend many extra hours practicing for contests and concerts. All of this hard work pays off though.

The band, choir and orchestra work all year to prepare for many contests and have shown that they can do very well. The SHS music department has done its best to educate its students in music and musicianship and has done very well as can be seen by its standings in district, regional and state contests as well as other private honors bestowed upon the members of the music department.

Each year the SHS music department has many special events. The band, choir and orchestra have parties and several fund raisers throughout the year. All three groups do special charity appearances for organizations all over the area. The groups do a lot of fun things that make it all worth while.

Clearly, the music program at SHS enriches the students while it enriches the school.

Office Aides

Many students who can meet their graduation requirements without a full course load choose to serve as student aides. They help for a semester or full year in the office, library, or other area. Although they receive no grade or credit students find their responsibilities enjoyable and educational.

Office aides collect attendance cards, deliver messages, help students in the office and assist the secretaries with their responsibilities. Library aides help to keep all aspects of the resource material center in order and assist students. Some students, through special arrangements, can help in other areas. This year, some students worked in the Student Activities Office and others helped in yearbook preparation.

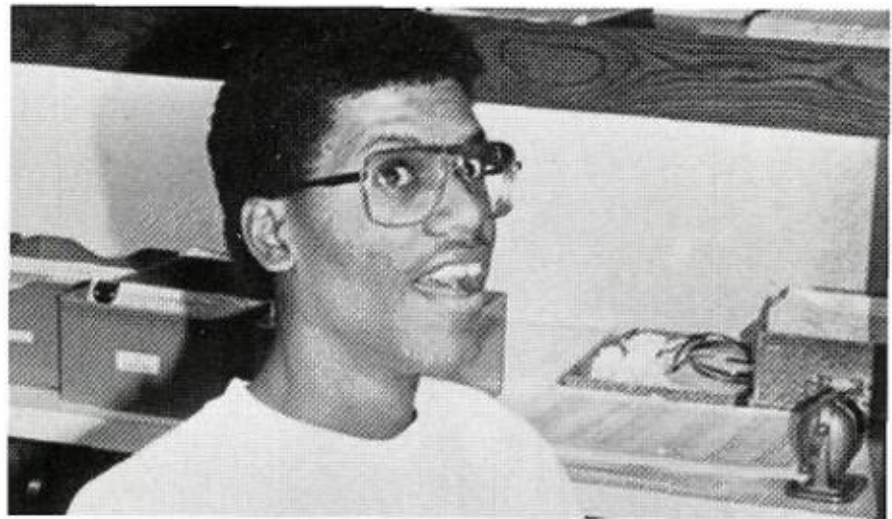

Student aides are an important part to many facets of the school. They supply initiative, creativeness and manpower that otherwise would not be available. According to Carol Flech, head librarian, "They are invaluable!"

The **Office Aides** are: Alice Ann Moore, Shannon Gray, Selina Bingley, Susan Roberts, Cathryn Sims, Anna Lucchesi, Missy Hickman, Jennifer O'Donnell, Keith Palmer, Darren Black, Jerry Booker, Janet Richmond, Becky Larson, Twala Coggins, Nancy Carlson, Todd Estes, Jeff Brennan, Pete Fowler, Gretchen Shaw, Tobi Armstrong, Shanna Mathis, Andy Chaney, Erika Hayes, Jacqui Holbrook, Amy West, Linda Caro, Vicky Davis, Michelle Haggerton, Mindy Mitchell, Mike Holman, Walter Casey, Sjonna Freeling.

SCIENCE: A Super Choice

Science courses are required at S.H.S., but not all required courses are boring. Science teaches students about life — everything from basic compounds of nature to lifeforms. Physics and Chemistry are some other exciting science courses. Science courses help students know more about living and non-living organisms, laws of energy, and the study of motion and matter.

"Science gives a background about yourself and how you relate to your environment, and that is why science is beneficial," states Bill Estes, head of the Science Department.

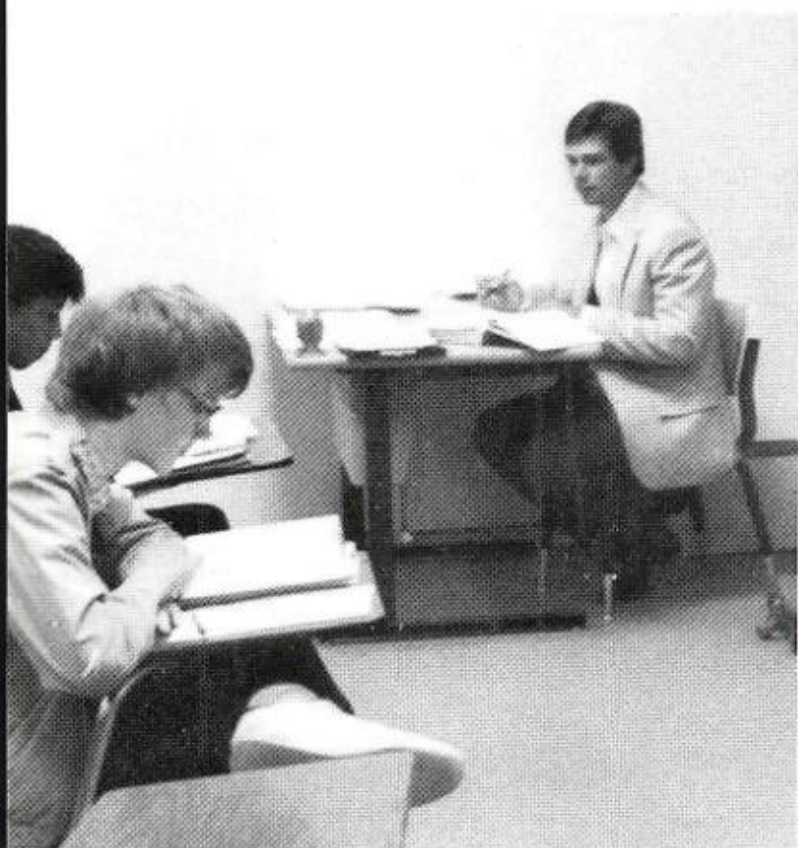

Science offers Biology I, Biology II, Physical Science, Physics, and Chemistry. The responsibilities of science courses are taking notes, dissecting, conducting labs, making write ups, keeping a notebook, and conducting experiments.

Field Trips Add Interest

The Social Studies Department has made some changes this year, resulting in a higher interest level of students. The American and World History classes have made field trips to the Jewish synagogue and the government courses went to the city jail and listened in on court cases at the courthouse.

Project business, sponsored by Junior Achievement, brings local business people to SHS to talk to economics and history classes about the economics of big business and the business world. These executives, from TI, Johnson & Johnson, LOF, and General Telephone, take time from their work day to present a thought-moving program to the students. Although teachers have to adjust their teaching time "It's worth it because they make High School kids aware of how business works," according to Miss Gene Loop, history teacher. This program will hopefully be continued next year.

The Band Played On

For most students, school was a month away on August 5th. But that was the first day of summer band and the beginning of an exciting year for the Bearcat band.

That month of practice paid off with an excellent marching season. Under the guidance of drum majors Nancy Carlson and Monte Jennings, a series of difficult marching drills were mastered. The band, as always, was an integral part of the pep rallies and football games. The band also participated in the Homecoming and Christmas parades and the Red River Arts Festival. At the UIL Marching Contest, the band was rewarded with a rating of excellent.

For Christmas, the band sponsored a concert and played for all the city elementary schools. Second semester was devoted to more serious music and preparation for UIL contests.

Under the leadership of Mr. Lee South and Mr. Dick Knoll, the bands learned the art of music performance and also served as a social group.

Activities included a lake party; a day at White Water; Halloween, Christmas and yearbook parties; and the Spring Banquet.

Many band members participated in All-Region and Solo and Ensemble Contest. There was large participation in area honor bands.

The most exciting event of the year was the four day trip to Orlando, Florida. This trip was the focus of most of the band's fundraising efforts. The band had a great time at Disney World, Epcot Center, Kennedy Space Center and Daytona Beach in addition to their fine performance at the music contest.

CHOIR ACQUIRES NEW ABILITIES

The SHS Choral Department had an eventful year. A Cappella Choir officers Steve Froese, Deanna Grigg, Lisa McDuffey, Liz Nelson, Linda Inman, Dawn Ramage, and Holly Thomas led in a variety of activities. Performances, contests, fun get-togethers, trips, and projects kept the choir calendar busy all year long. Terri McCollum, Clint McCormic, Dawn Ramage, Russell Solomon, and Laura Work represented SHS in All-Region Choir. One of the goals of the choral department was to extend musicianship beyond performance to daily rehearsal and sight reading. "Creating music is an art that leads to a sense of pride and accomplishment, as well as self-discovery," says Lisa Jones, Choir member. "In Choir, we have learned a lot about ourselves and others." The singers in the SHS Choral Department have put a whole new meaning into the phrase "We can make beautiful music together."

Orchestra Rates Recognition

Orchestra students face hours of practice each week in pursuit of the elusive sound of perfection. Under the combined direction of Mr. Darryle Dering and Miss Sylvia Klien, orchestra members attended various functions at which their assembly of talent was displayed.

The years of practice culminated in April at the U.I.L. Sightreading, Solo and Ensemble contest.

Orchestral leaders for the year included seniors Chris Mullins, Brian Self, and Sammy Bryant; along with junior Maria Willsher and sophomores Amy Roberts and Michelle Heitman.

Art League Supports Art

Art League, which also functions as a support group for the Art Department, shared their talents with others by decorating the display cases, exhibiting their work in the main halls, and painting windows during special holidays. Members also handled special requests for work, some of which include drawing guidelines or club patches, and designing banners for pep rallies and football games.

Art League members include: **Chris Ruggia**, president; **Crystal Robertson**, vice-president; **Annie Schemmel**, sec./treas.; Tori Reich, Kristy Friend, Clarissa Hartman, Marcy Miller, Kelly Foster, Michelle Carr, Carl Bluemel, Tricia Grimmett, Denitta Roach, Sean Malolopszy, Tad McIntyre, Michael McClellan, Chris Hayes, Joanna Collier, Belinda Everman, Venu Menom, Tanya Jacoby, Kim Zdeb, Mary Heather Fyfe, Tim Schenk, Howard Kelley, Terri Leineweber, and Letitia Tomlinson. Mu Alpha Theta is a national organization composed solely of high school seniors. It is sponsored by the Mathematical Association of America and the National Council of Mathematics. Its purpose is to promote scholarship, understanding and enjoyment of mathematics, and to help students develop an interest in math.

The club's main activity this year was the decoration of a Christmas tree which was placed in the commons during the Christmas season. Ornaments for the tree were provided by various clubs, organizations, and members of Mu Alpha Theta. Ornaments for the tree have been collected through the years by Mu Alpha Theta members.

The officers for 1985-1986 were: **Todd Estes**, president; **Maryanna Gillespie**, vice president; **Yvonne McKee**, secretary; and **Milinda Mitchell**, treasurer. Mu Alpha Theta's homecoming queen nominee was Yvonne McKee.

Salvete From J.C.L.

Salvete. This greeting from Ancient Rome has become familiar to the members of JCL, the Latin Club, as they combine education and fun this year.

Led by sponsors Mrs. Ann Hinkle and Mr. Mike Mitchusson, the organization adopted the Roman tradition of having two political leaders. Officers this year were: Lance Kinney and Brian Hopkins, Consuls or co-presidents; Jeff Brennan, Vice-President; Nancy Carlson, Secretary; Linda Inman, Treasurer; and Jeff Coble, Amy Robinson, Chris Ruggia. Lisa Earnest and Rob Butler served as tribunes or representatives of each first-year class.

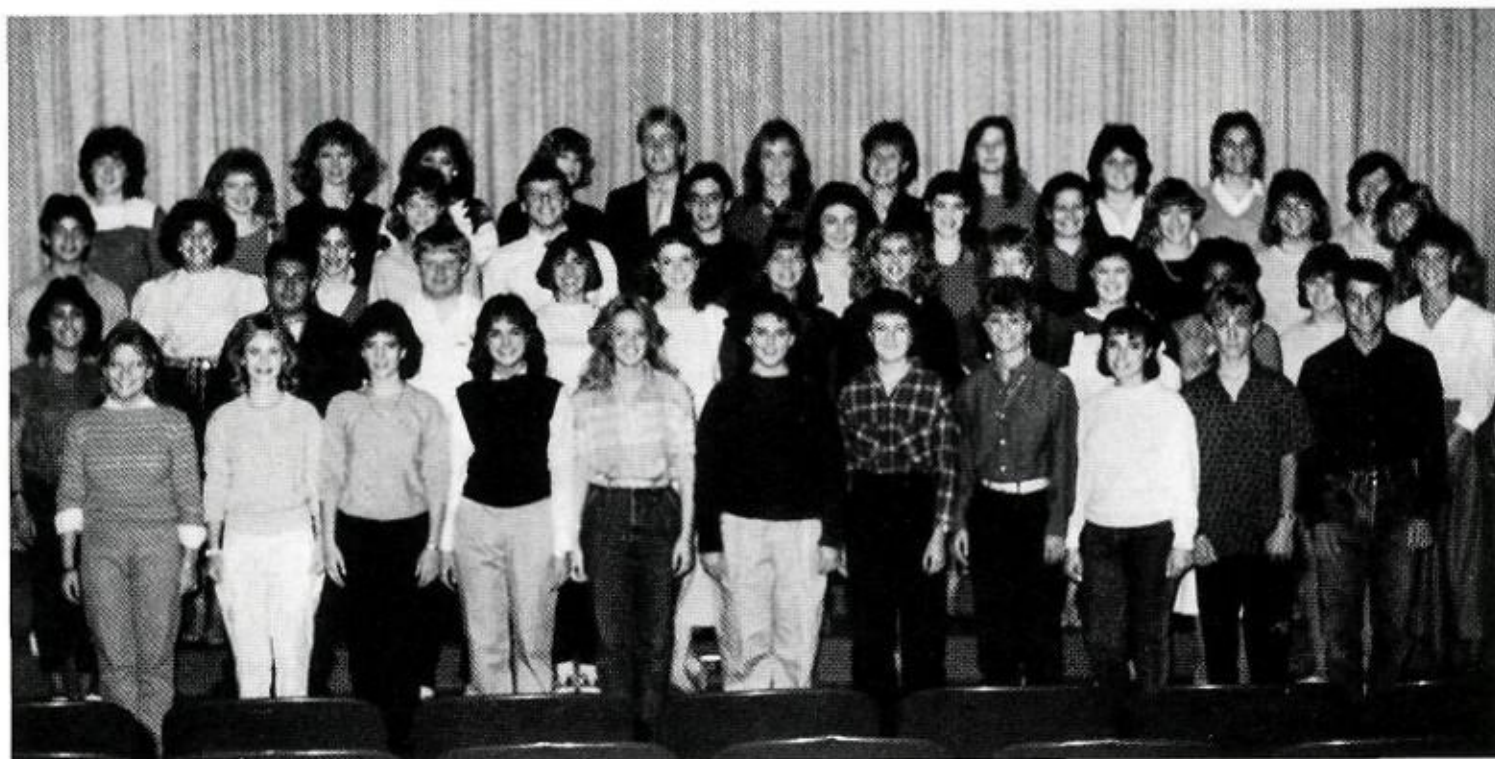

This year offered many social activities for JCL members. The ice cream sundae social at Fairview Park and the All-Language Halloween Costume Party, sponsored by the French Club, were followed by the Saturnalia Progressive Dinner. Saturnalia was a large

Festival held late in the year, and the date for Christmas was chosen, so it would replace this pagan festival.

Second semester activities included the ever famous Toga Party, the second annual Scavenger Hunt, and the Spring Banquet.

On the academic side, the club participated in the Austin College Foreign Language Weekend, and District and State level JCL competitions. Candy sales were held to help defray expenses. After outstanding performances at State and National JCL conventions last year, the club wishes to send a large delegation to the upcoming National Convention in Indiana.

The closing stanza of the National JCL song sums up our purpose, "In Rome's proud steps we're marching on with every true colleague; and forever we'll hold to the purple and gold of the Junior Classical League."

Saludos! from PASF

The Pan American Student Forum began their year as a Halloween costume party with the French and Latin Club. In December the members got together for a Christmas party where they had a Taco Pile-up along with breaking a pinata. In the Spring the club participated in a Foreign Language Weekend at Austin College. Meetings were held throughout the year.

Officers of PASF were: President, Amy West; Vice-President, Jean Avar; Secretary, Liz Buchanan; Treasurer, Shannon Vaughn; Reporter, Jennifer Watson; and sponsor, Mrs. Ida Hudgins.

Mrs. Hudgins prepares to begin a PASF meeting.

Le rendez-vous à Paris

The French Club attracts students who desire to further their interests in a foreign language. The members of the French Club are students who have studied French, or who have an interest in French. They join together as a group to explore the beautiful French language and the interesting culture of France.

This year the French Club sponsored a Costume party at Halloween. Honored guests at this event were members and sponsors of the Junior Classical League and the Pan American Student Forum. In December, the members of the French Club enjoyed a taste of French cuisine at the Magic Pan in Dallas before a Christmas shopping spree. Other activities included a guest speaker and participation in "Language Day" at Austin College.

The French Club's nominee for homecoming was as follows: President, Johanna Cooper; Vice-President, Shannon Gray; Secretary-Treasurer, Anna Lucchesi. The sponsor of the French Club is Mrs. Karen Kays.

Team Conquers All!

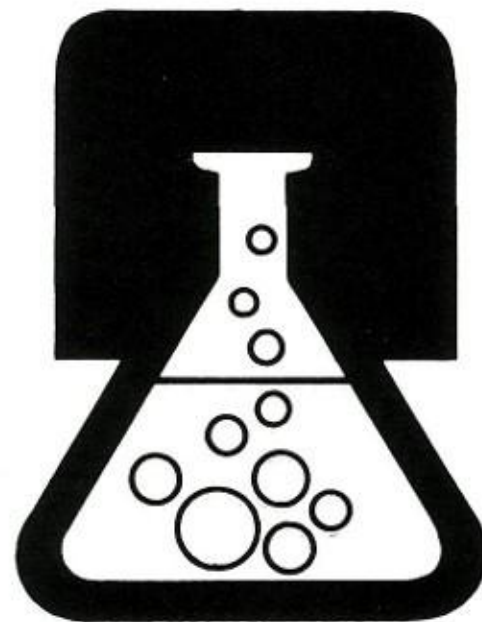

This year, the Math/Science team at Sherman High School established itself as a strong competitive team in almost a dozen different competitions held throughout the year. Team members practiced twice a week after school learning new tactics and taking practice tests.

At tournaments, many different competitions are entered: number sense, a speed competitions using only mental computation; calculator; subject area, based on various standard math courses; science, evenly divided between physics, chemistry, and biology; and programming contests. Under the sponsorship of Anita Mason, number sense, Yvonne Butler, calculator, and Jane Andrajack, science, a large emphasis was put on recruiting and diversification.

Student leadership was Brian Hopkins, president, and Alice Ann Moore, vice-president. The twenty-member team is the best in the last five years, earning team trophies and a steady stream of individual trophies in all areas of competition.

Santa's Helpers

The S.H.S. Club, Students Helping Sherman, is an all volunteer organization of students who help do a service for their school and community.

Students work whenever their time schedule allows and after school and on Saturday and Sundays. They decorated the football stadium for football and soccer games, decorated the downtown area for the Homecoming parade, and work with Student Council when necessary. Their major project is the Christmas food and toy drive for the Salvation Army. These toys and food are provided by the money raised during the year by the club. Each year, old toys are repaired and new toys are made.

There are no officers, because everybody helps make decisions; everybody also helps celebrate the end of the work projects with an ice cream party. UUUM GOOD.

John Thomas talks about new ideas.

This year the student council has had a successful year serving the school and community. Their goals were to provide activities for the student body, serve Herman High School, collect money by having fund raisers, and help needy people. Some of the ways they accomplished these goals were by having the Homecoming Dance, serving the teachers' appreciation lunches, holding a wrestling match to help the SHS Club raise money for the Salvation Army, making a School Alma Mater sign for the gym, making the first Student Council scrapbook, having school assemblies for safety and entertainment, and presenting Denison High School with a picture for their outstanding football season.

Athenian Staff Beats All Odds

It's here! We made it! The yearbook has arrived! The Athenian staff produced a yearbook to be proud of after beating tremendous odds.

The biggest odd was inexperience. "When I first learned that we had an inexperienced staff," Vicky Davis, editor-in-chief stated, "I didn't expect much, but they have shown themselves to be a good staff who produced a good yearbook."

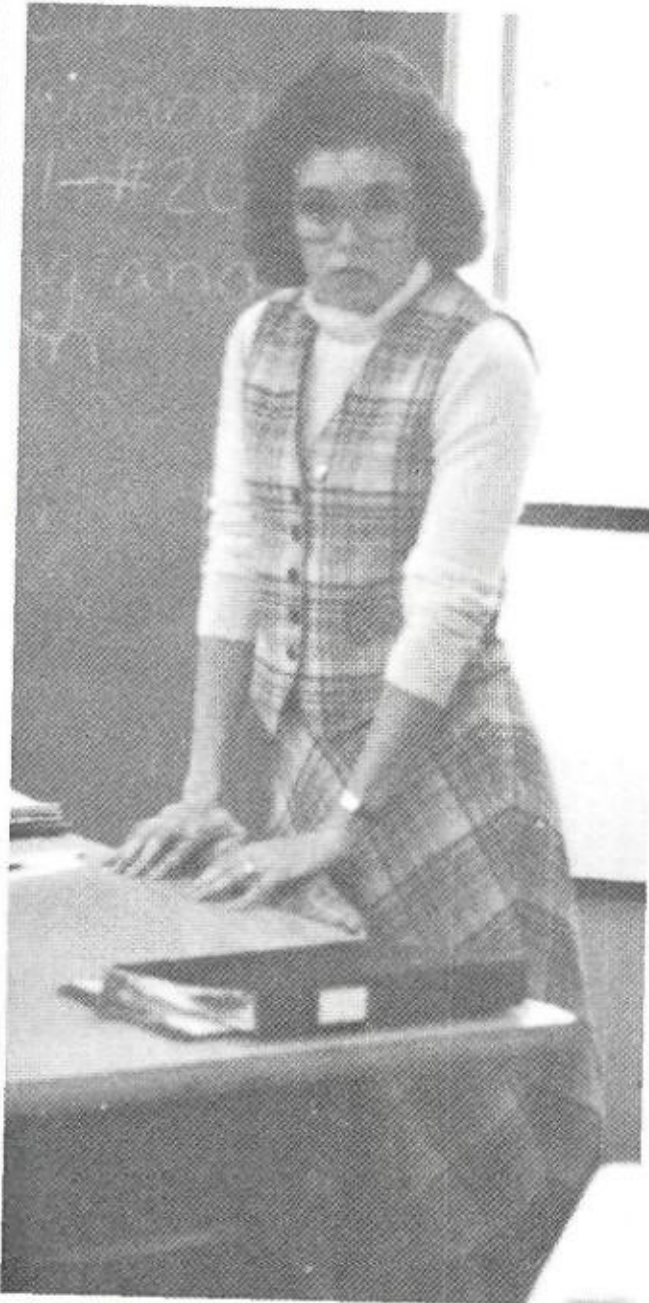

April Icsman, Athenian adviser, said, "This year I've learned alongside the staff members. My greatest disadvantage was unfamiliarity — with Texas, Sherman High

School and yearbook publication. Yearbook publication is an exasperating experience — it involves a million diverse details. You think maybe the next day will be less hectic, but it never is.

As if by magic, all this chaos is transformed into a book. Each page represents countless hours of sweat, screams and headaches. More importantly it represents spirit, loyalty and dedication."

Another disadvantage was that there was no yearbook class. Everyone on the staff put in long painstaking hours of their own time, learning while they worked.

The last odd was the apathy of the student body. Many students felt there would be no yearbook, but they were wrong. Because of the hard work and dedication of a small number of students, the whole school has a book they will keep and cherish forever.

Never cross Mrs. Icsman's path.

FFA: Growing Strong

Ag students learn farm procedures.

Contrary to popular belief the Future Farmers of America and Vocational Agriculture is not a bunch of snuff-dipping cowboys. Their efforts and hard work are not only directed toward projects, but also toward developing leadership qualities.

The Sherman F.F.A. chapter competed competitively in showing livestock. They not only show at the yearly Loy Lake Livestock show, but they also exhibit their projects all over the state of Texas.

In the F.F.A., the students prepared for the future by learning the newest forms of technology dealing with agriculture. They are expanding the knowledge through the use of computers and leadership skills. They have been competing competitively in extemporaneous speaking, chapter conducting, and radio skills, and students also hold three offices in the District VI Association.

The F.F.A. encourages the use of hard work, dedication and determination in developing, "LEADERS IN NEW FIELDS OF AGRICULTURE."

Officers were President, Dale Rodgers; Vice-President, Chad Rolen; Secretary, Carrie Nichols; Treasurer, Shane Carroll; Reporter, Kristal Kumler; and Sentinel, Julie Dill. Sponsor was Glenn Blount.

Oea Has Competitive Year

OEA, also known as Office Education Association, began the year with nomination of Janet Richmond for homecoming queen. The officers that were elected were, President: Mickey Horn, Vice President: Janet Richmond, Secretary: Kelly Boaz, and Treasurer: Michelle Mansfield. Ten students competed in area contests on February 15 at East Texas State University and the State contests were held in Fort Worth in March. OEA raised funds for activities by selling candy in March.

ICT Reaches the Community

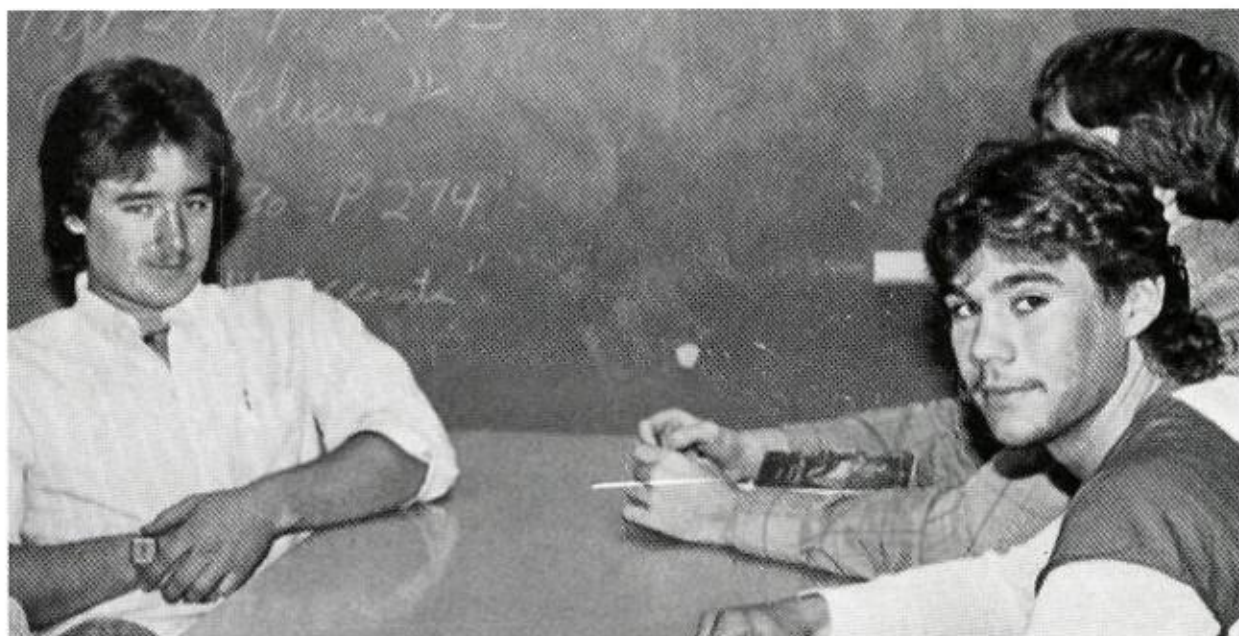

Industrial Co-op Training is a program that helps to develop relations among Sherman High students with employers of the community. Employers hire students for on-the-job training at skilled trades. They are hired at a certain wage rate and the school provides instructions that are directly related to the job which they are training. They are also taught general safety practices, safe working conditions, how to apply for and hold a job, and employer-employee relations. Mr. Stubber teaches this class and feels it helps to prepare the students for the future.

HERO

HERO — COMMUNITY ORGANIZATION

Hero is the youth leadership organization related to Home Economics Cooperative Education. The club activities for the year include a fund raiser that earns money to finance a fall Halloween trick or treat function and a spring Easter party for children in day care in Sherman. The club activities also include a Christmas social and the high-light of the year, which is an employer — employee banquet held toward the end of the school year. One of the purposes of this banquet is to show appreciation to all the employers in Sherman who have participated in the HECE Program.

Health Occupations Students of America encourages medical careers through on-the-job and classroom training. HOSA students learn the skills of their own individual jobs. Basic medical skills such as taking vital signs, and the responsibilities of holding a job in the health care field. Learning is made interesting by inviting guest speakers and having presentations given by the students.

Requirements for HOSA include: working half-day and going to school half-day. You must be sixteen years old or classified as a junior or senior. An important quality to have is to enjoy people.

The officers for the '85-'86 school year were: Angela Compton, president; Shannon Nobels, vice-president; Carla White, secretary; Kim Christman, treasurer; Yvette Ersch, historian; and Adrianne Roberts, parliamentarian. Our homecoming queen nominee was Angela Compton.

Cosmetology Brings Beauty To SHS

Cosmetology is a three hour course taken for a two year period. In that period of time, students are taught all phases of beauty culture, and perform various beauty services to the general public. At the end of the course, and with the accumulation of 1500 hours, students take a state cosmetology exam. Upon

successfully completing that exam, they are issued a cosmetologist license and are ready to work in any Texas beauty salon. Cosmetology also competes in hairstyling competitions each year through Vocational Industrial Clubs of America, to bring back many awards.

Deca's Supply: In Demand

DECA is a part of the three phases of training of the Marketing and Distribution Education and CO-OP Program at Sherman High School. The Marketing Program is designed to train students through: (1) classroom instruction, (2) on-the-job training or work experience, and (3) professional development activities, through the "Distributive Education Clubs of America" or DECA.

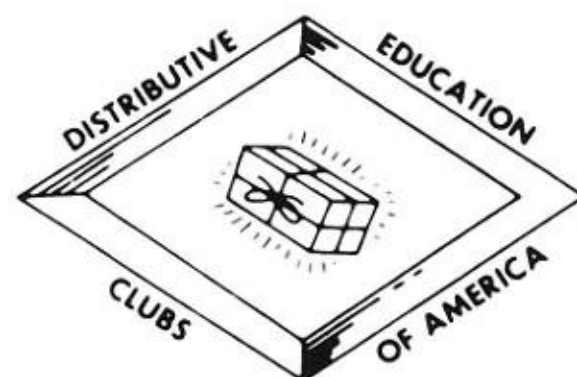

DECA is important to the student because it supports the total program and its instructional objectives, it is a school-centered program that works with community business people, and it teaches the principles of free enterprise. DECA has three levels of organization that students can participate in; civic projects, leadership activities, and competitive events. These levels are local, state, and national.

The 1985-86 DECA club officers were: **Leslie Robertson**, President; **Mindy Mitchell**, Vice President; **Antionette Chaney**, Secretary-Treasurer; **Lori Ewers**, Historian; **Serena Morales**, Reporter; **Greg Blakey**, Sgt. at arms; and **Lori Miller**, Parliamentarian.

Car Problems?

If you have car problems perhaps Mr. Walter Cole of Auto Mechanics could help you. He could show you what to know about complicated parts of a car, and how to get these parts to work together. Auto Mechanics offers you many job opportunities such as: automotive mechanics, tune-up specialists, and brake technicians.

So, if your car is in need of help and you are looking for good job opportunities, Auto Mechanics is right for you.

Theory + Application

Metal trades students learned how to perform the basic skills involved with the use of equipment, and they applied theories and technical information to assure sound judgments. This course prepared students with entry-level skills for employment in machine trades and welding.

Vocational Electronics class taught students basic electricity, various meter readings, and basics of solid state components. Students receive education for a career, enabling them to be flexible in a changing economy.

Learning The Tricks Of The Trades

DRAFTING is a technology of ideas, rough sketches, architects, and designer. The first course introduces fundamental skills used in drafting, specifically the use and care of instruments and equipment. The students are introduced to the fundamentals of machine design, and some different fields of drafting such as: piping, architectural, structural, electronic, and topographic maps.

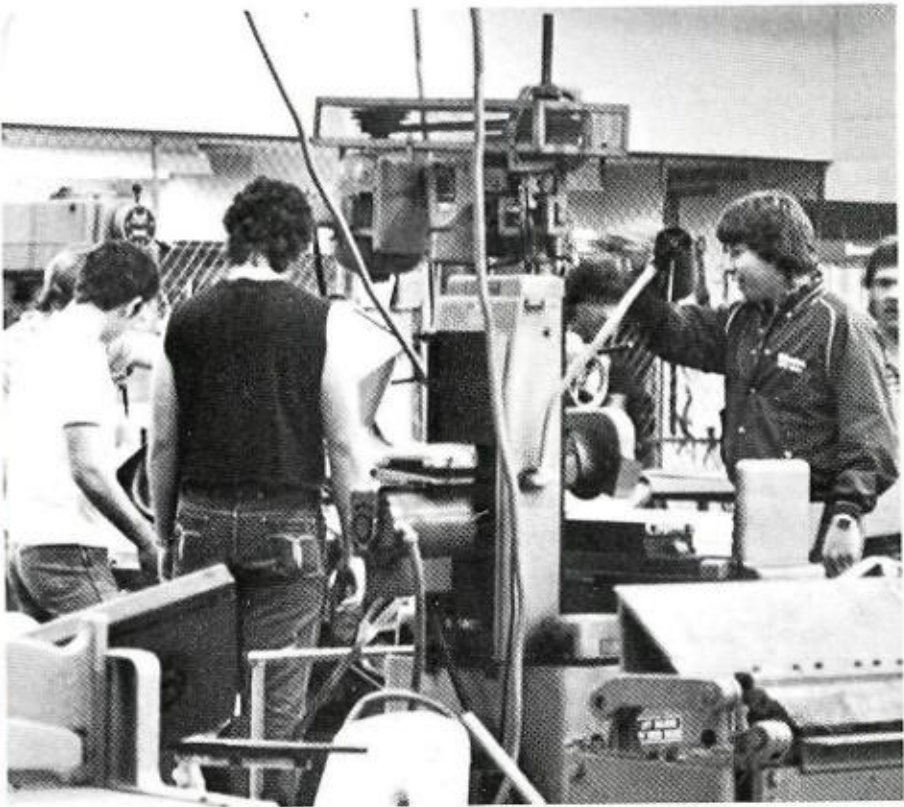

Drafting II emphasizes more complex assembly drawings, and developments. The course is adapted in the students wants to specialize: architectural, structural, mechanical, piping, map, or electronic drafting. Three main career opportunities are: Architectural Engineer, Architectural Designer, or an Architect.

Take *Building Trades* and learn the phrases of building homes from basements to shingles.

The purpose of the course is to give students the opportunity to develop building skills.

The project that the students worked on this year was a two-story French Colonial style house with 2813 sq. ft. of living area. The house is located at 2405 Turtle Creek.

My Favorite Class Was . . .

"My favorite classes were due to concerned and dedicated teachers." **Carla White**

"My favorite class be english cuz it learned me so good." **Chris**

"Basketball; because it has been a great honor to play against Denison, and beat them." **Vince Saucedo**

"Art III. With the wide variety of students in the class, it proved an interesting hour of entertainment and a zenith of motivating goals and ideas for my future career." **Tim Schenk**

"Mrs. Loop's American History class was the best ever. As freshmen, we learned more about school spirit and Braum's ice cream than we had ever known existed." **Brian Self**

"Track, because I push myself to do the best I can without trying to impress anyone else." **Michael Shannon**

"Agriculture — there were always interesting things to do. I met so many people and learned so much in that class. The class helped me choose my career." **Dale Rodgers**

"Football — it was the only activity I have ever been in where everyone was together as one. We all cared about each other and helped each other out. We've never looked at each other's failures, but at each other's successes. I loved every minute of it." **Rahamy Mitchell**

"Psychology — it was pretty hard for me, but Mr. Pete McGee made it, quote, 'so interesting.' Boy, the discussions we had in there! They were unforgettable!" **Michelle McHanny**

"Swimming — it's a great sport; challenging, tough, but also a lot of fun. And what can I say, if it weren't for swimming I probably would have never shaved my head. And Coach Southerland is not a bad guy, either." **Billy Ludlow**

"Band is my favorite class. I like to play the drums. It's an easy 'A'." **Lance Kinney**

"English IV — All the guys and I made it such fun. We always wanted to leave early and Mrs. Allen just about let us get away with anything. She was the nicest English teacher I know." **Regis Johnson**

"Health my sophomore year. Coach Hunt always kept us laughing, but he also taught us a lot." **Kim Everett**

"Mrs. Kay's freshman English class. We did a lot of fun activities and I had a great time." **Todd Estes**

"Mrs. Loop's Economics class. It was the only one offered one year and had no set curriculum, so we did what we wanted, and with Mrs. Loop that was a lot. It made it all worth the trouble." **Daniel Eshelman II**

"Art. It's pretty cool unless you have to change your scope." **Carl Bluemel**

My Most Embarrassing Moment Was . . .

"When I had to go to the hospital because I got hit in the eye by an egg at the egg fight." **Steve Ferguson**

"When I was marching at a football game and my pants fell down." **Rhonda Edwards**

"During my freshman year, I walked into an all-Senior class, sat down, got ready to work, and after the role was called realized I was in the wrong class — they will not let me live it down, even now." **Michelle Malolepszy**

"When I was at a PowderPuff practice, I was running out for a pass as fast as I could go and my leg gave out and I fell flat on my face." **Shannon Vaughan**

"During my Junior year I ripped my pants while I was bending over in class." **Scott Griffin**

"After my freshman year, I was leaving Woodlawn Country Club. It was raining and as I approached a corner, I slid into a Mercedes Benz. It totalled the Mercedes, and the settlement still isn't settled." **Brett H. Graham**

"When I walked in on a friend of mine, who is a girl and happened to be changing clothes." **Chris Mullins**

"When I went sliding down the Great Wall of China." **Laura Sample**

"When my friend and I skipped basketball and got caught, Coach Reece made us 'duck walk' all the way up the gym floor." **Julie Arnold**

"It happened my sophomore year — Yvonne McKee and I were running through the middle of the commons when I tripped over my purse and fell flat on my face right in front of everyone!" **Twyla McKinzie**

"When I was at National Music Camp the summer of '85, I mistook a total stranger for my boyfriend of three weeks. I ran up beside him, clasped his hands, and proceeded to tease him. When I looked up to see his reaction to my goading, I realized that I had picked the wrong guy — he just laughed!" **Tobi Armstrong**

"During warmups for the Denison basketball game this year, I went for a layup, slapped the backboard too hard, and fell right on my butt in front of a packed house." **Jeff Brennan**

"When I was walking down 'A' hall and fell flat on my face because Joe Rentfro stepped on my shoelace." **Amy Brown**

"Initiation my freshman year — the Senior guys threw me into a trashcan head first." **Twala Coggins**

"The first day of school my freshman year, I dropped my tray in the middle of the cafeteria." **Darlene Crossman**

"All of the books in my locker fell out — I shared the locker with three different people and all of the books fell out." **Leisa Corbitt**

"When my bathing suit was yanked off at a swimming party." **Mark Strong**

The Senior Pep Rally Was . . .

"It was by far the greatest Senior Pep Rally that Sherman High School has ever had." **Amy West**

"It was a tearful moment; yet, it was also a very exciting one. Everyone realized we soon would be going our separate ways and we could no longer depend on each other to always be there." **Jennifer O'Donnell**

"It was a day I will always remember. It was a special day for me and I thought everyone in the Senior class did an excellent job of participating." **Marcy Miller**

"It was the best ever! We definitely have more spirit than other schools. In the pep rally everybody comes together to help rally the Bearcats — the Senior Pep Rally was no exception!" **Jennifer Kinder**

"It was the first event that really pulled us together. Now we've almost reached our goal — graduation!" **Lisa Jones**

"It was pretty sad when the music cut off, but the 'ever-prepared' class of '86 filled the silence. 'Oh! oh, Sheila!'" **Michael Gordon**

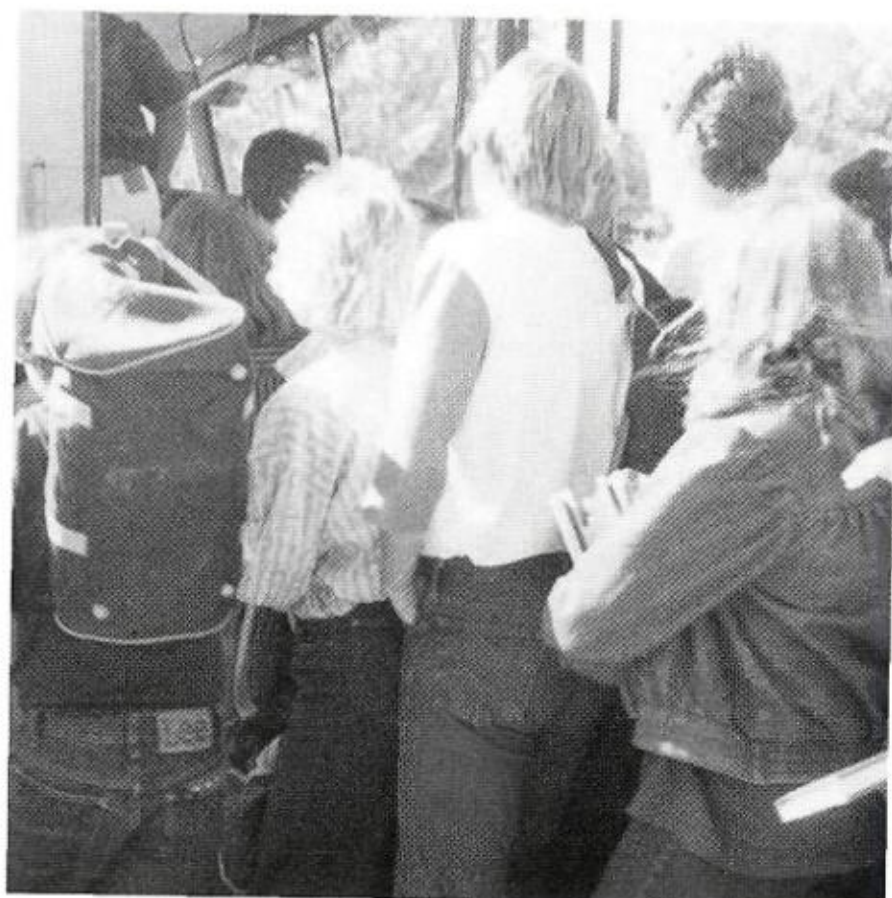

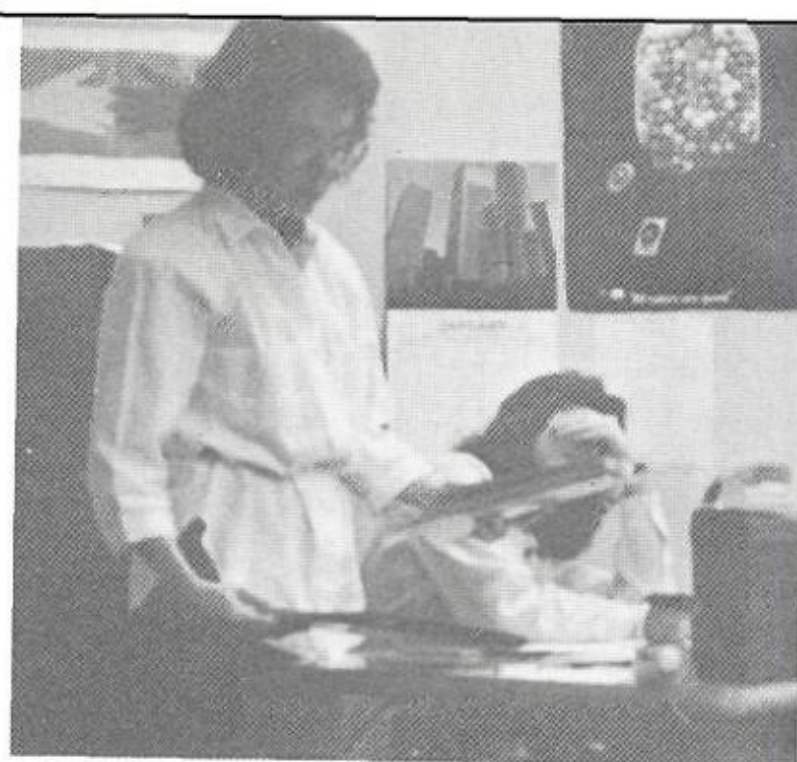

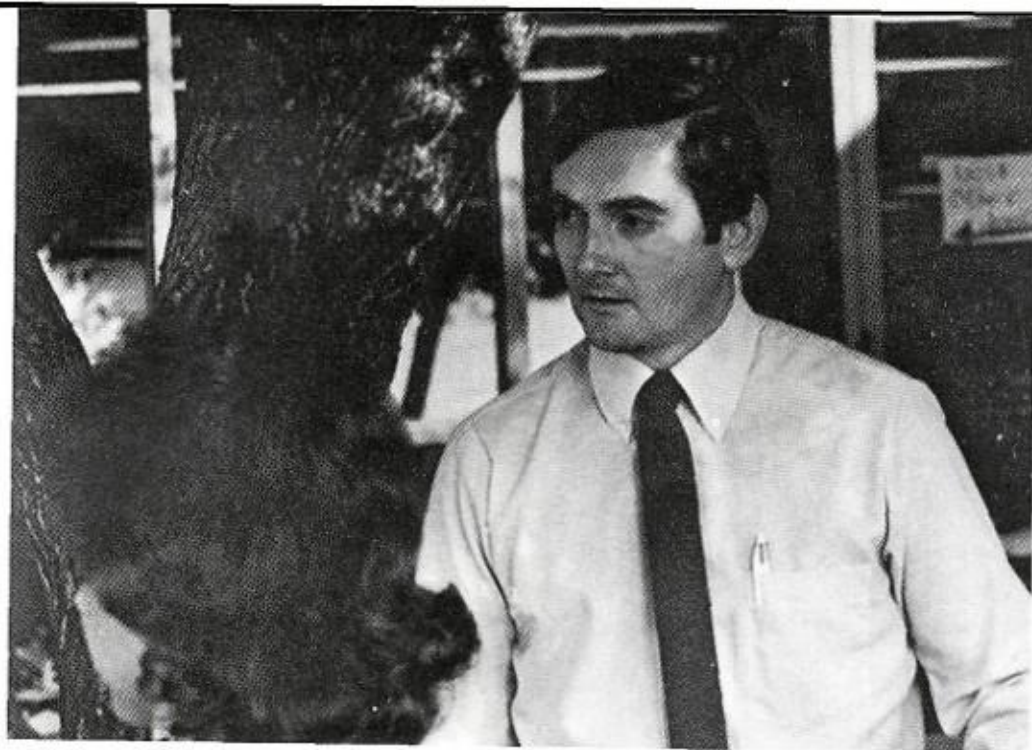

"It was the greatest day I have had at Sherman High. It was really nice to have a day set aside for the Seniors." **Retha Hindlsey**

"It was one of the high points of the football season — it showed the enormous amount of spirit we have." **Nancy Carlson**

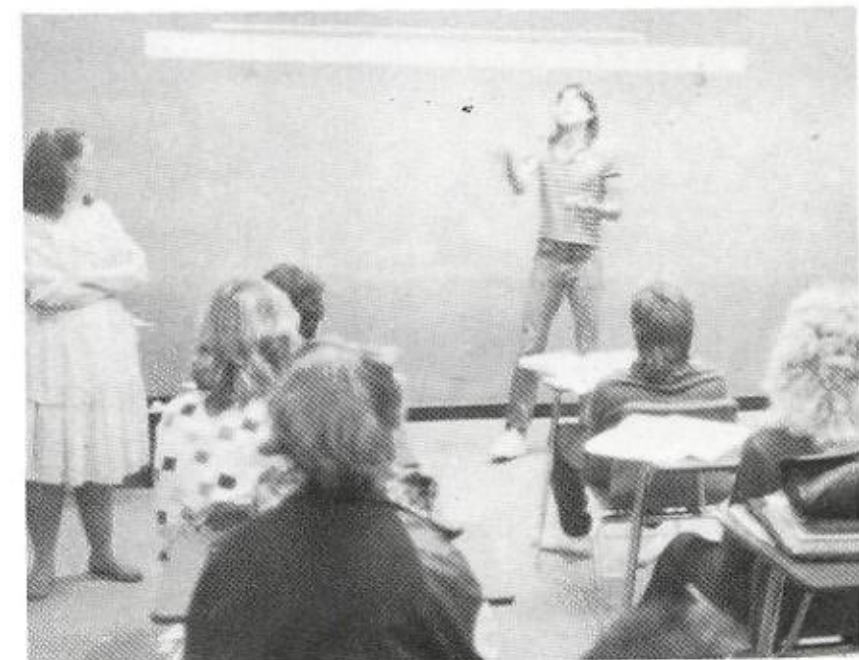

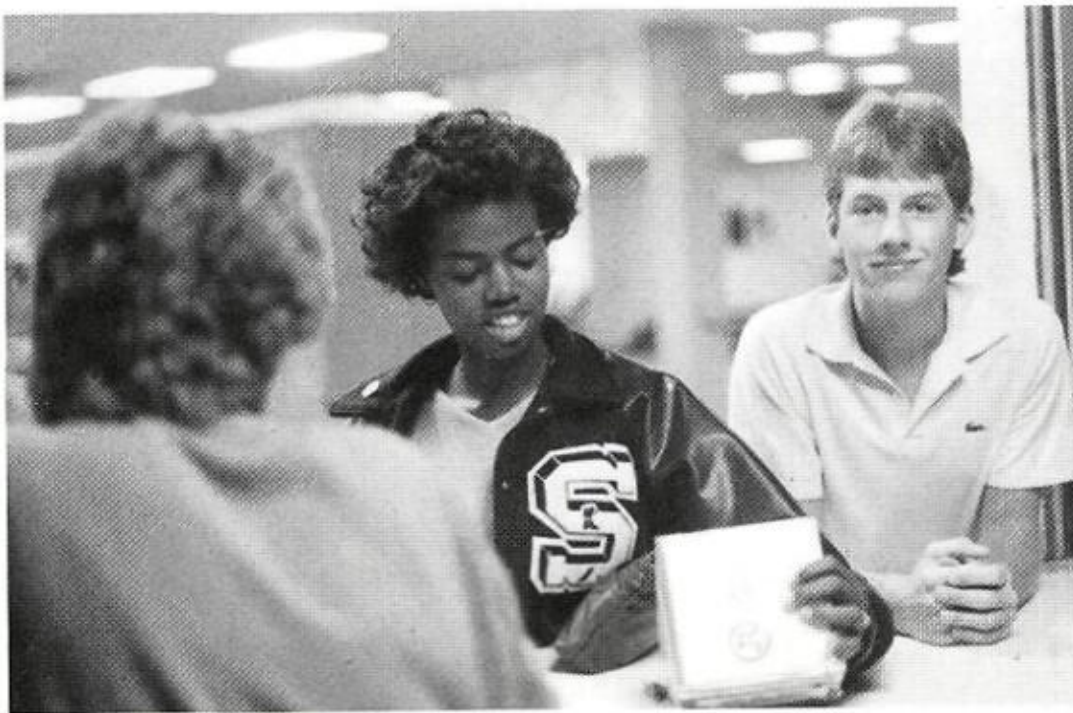

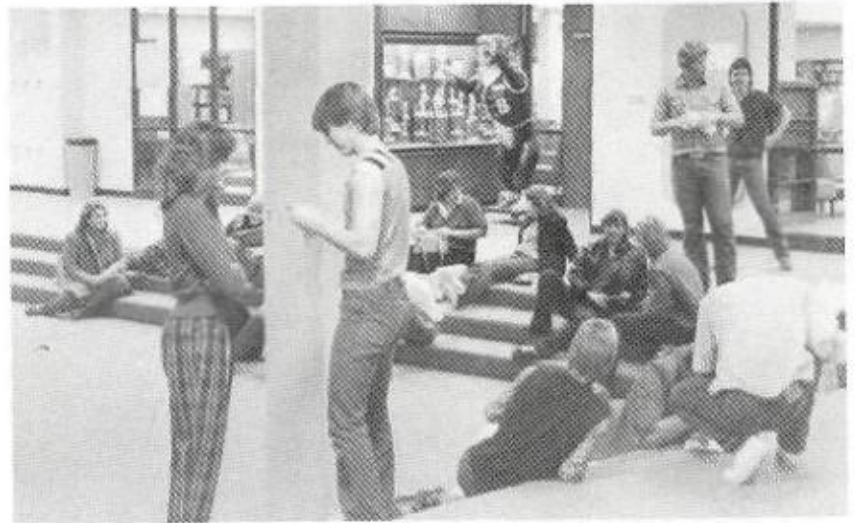

"Coming to SHS as a Senior, not knowing anyone, was hard for me at first. But the Senior Pep Rally showed me the spirit that everyone here has for our school. Everyone here made me feel like I am a part of that spirit." **Cindy Harding**

"It really made me realize how awesome our class is! The drill team will never forget when our music went out and our class started singing the song for us — it was so special!" **Maryanna Gillespie**

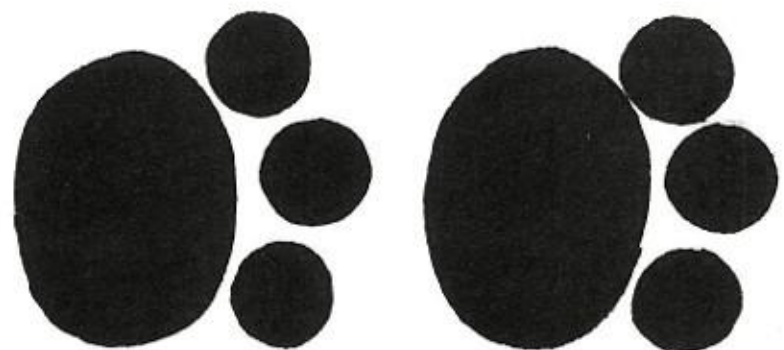

"It went great! I didn't realize what it meant to be a Senior until I looked around at all of my friends and absorbed the true meaning. You haven't lived until you have experienced it for yourself." **Elizabeth Buchanan**

The Bearcat Store

If it is the middle of the school day and you can't leave but you're dying for some gum, where do you turn? The Bearcat School Store, of course! Selling everything from "jolly ranchers" and "Gobstoppers" to student directories and Bearcat T-Shirts, the store did an excellent job of raising money for the 1986 Athenian.

The Bearcat Store was run by Renee Davis and Michelle White, the 1986 Athenian promotional managers. Along with the daily chores of running the store, such as making sure everyone shows up, cleaning, and of course working in the store, Renee and Michelle also held weekly meetings with the store workers to evaluate their performance and organize fundraisers.

In order to work in the Bearcat Store, the students must be on staff or in Journalism I, be dependable, trustworthy, and willing to work during lunch and after school. The workers were all evaluated and the best worker of the week was named as the "Outstanding Bearcat Salesperson of the Week."

Bearcat Store workers included: Renee Davis, Michelle White, Clay Stewart, Cliff Lightfoot, Debra Edwards, Jay Hendrick, Julie Young, Kathy Johnson, Kevin Louderback, Paul Scheibmeir, Wanda Bogart, Richard Vaughn, Mark Linn, and Pete Scheibmeir.

MINDY JOYNER: Mindy, you made it! We knew you would. Your determination and talents will carry you far. You've always been a source of joy to us and we love you and are so proud of you and your accomplishments and your high moral standards and the example you set for others. Love, Mom and Dad

DANNY LYN ROE: Congratulations and best wishes on your graduation. We are proud of you. You have been a "First Class Son and Brother." We love you very much. Love Dad, Mom, and Dani

KIM CHRISTMAN: We are proud that you have achieved this milestone in your life. We know that you will accomplish even bigger and better things in the years to come. Always know that we believe in you and are behind you all the way. Love always, Mom and Dad

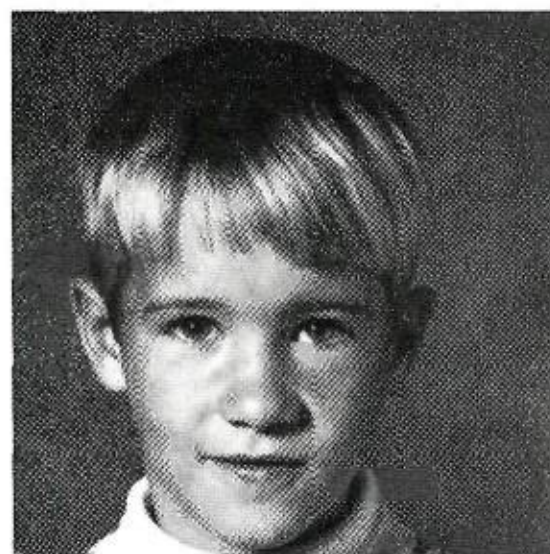

MARYANNA GILLESPIE: In success and adversity you have stood tall and made us proud. Dad, Mom, and Cary

MICHELLE HAMMETT: It's been a long time since "67" but you made it, daughter. With Jehovah's help you persevered. Keep your eyes on the prize and stay on the narrow road to life and Jehovah will bless you. All our love, Ken, Mom, Crystal, Stephen, and Wayne

DAWN WATKINS: Dawn, the perfect name for you, because you have always brought so much sunshine into our lives. You are so special to us, and we wish you all the happiness that life can bring. Keep tht sweet smile and outgoing personality. We love you, Mom, Dad, and Gary

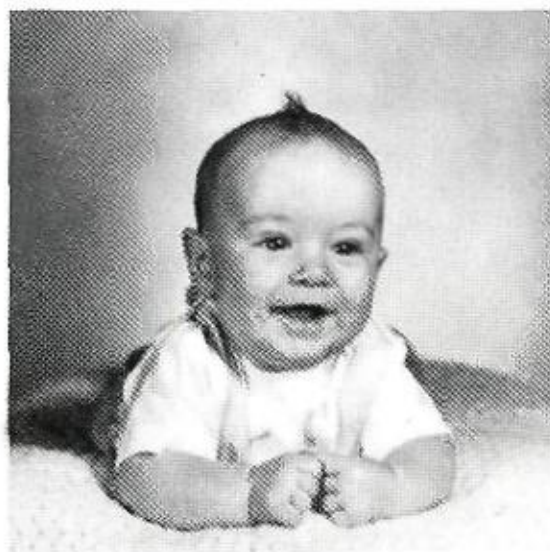

MICKEY HORN: Seeing your Kindergarten picture has made us realize how swiftly these 18 years have passed. Thank you for all the wonderful memories we cherish so dearly. Thanks for the many things that have made you so special ... your kindness, gentleness, thoughtfulness, and loving nature. Even though we will miss you, knowing your commitment to God and your family, it is without reservation that we see you enter this next phase of your life. We love you so much! Mom, Dad, Debbie, and Jeff

VICKY JANE DAVIS: On this very important day in your life you begin a new exciting step in your life. We will always be here when you need us. Have a happy, rewarding future and may all your dreams come true. Congratulations, graduate! Love Dad, Mom, Jim, Teresa, and Glenn.

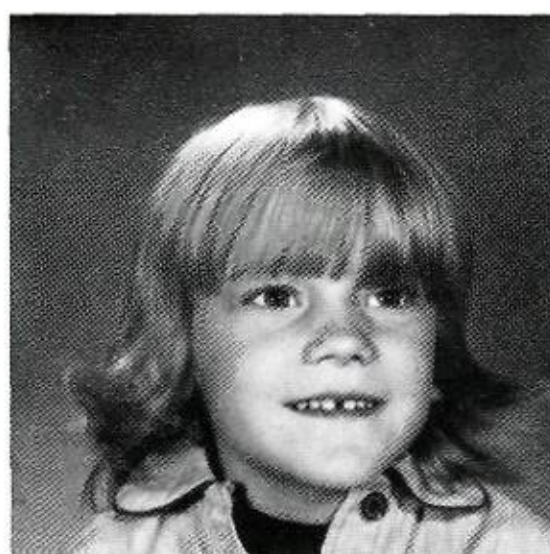

MIRTIS ANTHONY HANSARD: Your sensitivity and honesty will take you through life with flying colors! Continue to read God's word each night, as always, and you'll grow in strength. We love you and thanks for all the memories and happiness you've given us. Mom, Dad, Timothy, Gladys, and Rex

LINDA INMAN: Linda, the joy of watching you grow into the lovely person you are has been the most rewarding and beautiful experience of our lives. We love you and are proud of your accomplishments. Trust God and keep Him first in your life. Love Mom, Dad, Angel, Joy, and John

JACQUI HOLBROOK: Congratulations! We are so proud of you. Your years with us have given so many memories to cherish. God gave us this time together. Now it's time for Him to lead you elsewhere. Always follow Him and know we're always here for you. We really love you. Love to you from all of us.

TAMARA KAYE TINGLE: Congratulations on your graduation from high school. Your dad and I are very proud of you. We wish you happiness and success. We love you very much. Mom, Dad, and Deanna

LISA MARTIN: We are proud of you. Congratulations! It's hard to believe our little girl will be graduating. You have worked hard; we hope you will continue to excel in everything you do. We love you very much. Dad, Mom, and Bill

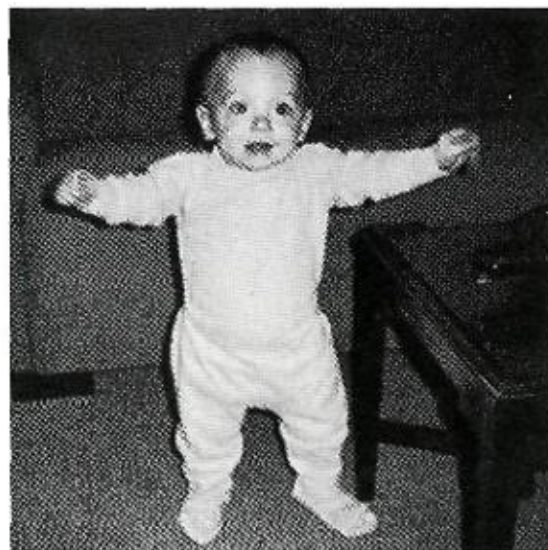

MELISSA ZIVEC: Melissa, we are so proud of you and your achievements. We thank God for such a wonderful daughter. Continue to let God have control of your life, and you will obtain a higher goal. We love you very much. Thank you for being so special. Mom and Dad.

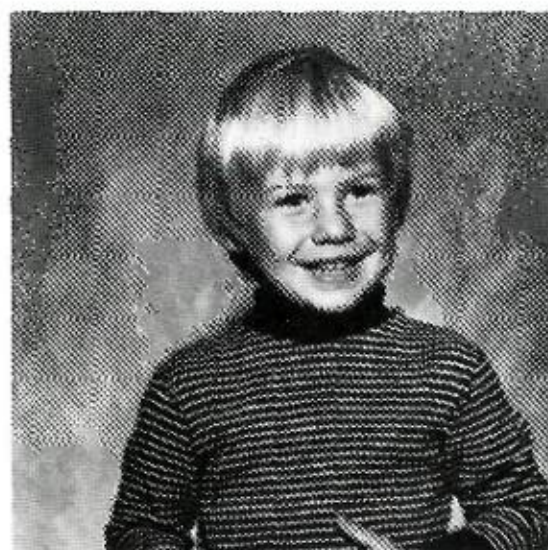

BRANDI WHITTEN: Brandi — As you take this giant step into the world, we stand behind you in all your endeavors. Choose well, decide carefully and enjoy every minute with the same enthusiasm you have now. We are proud to have you as our daughter. May God take care of you. Love Mom and Roddy.

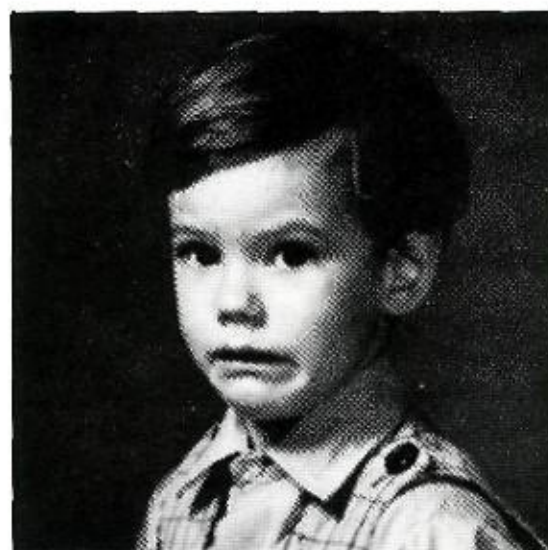

CHAD ROLEN: Congratulations, Chad on your many achievements. You are very special, son; our pride and joy. We are very proud of you. Be the best you can be. Count your many blessings and take life one day at a time. We love you. Mom and Dad.

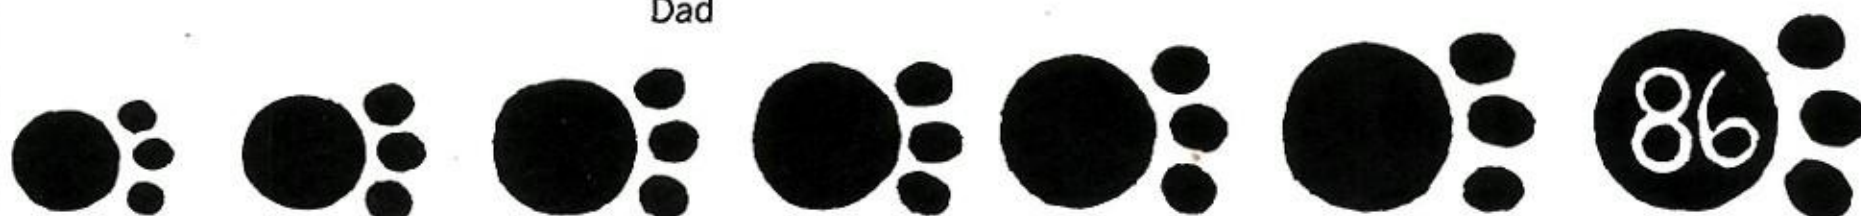

DONNA HENDERSON: Donna, Congratulations on a job well done! You have been a real joy in our lives. We hope life will be as good to you as you have always been to others. Mom and Dad

KENT BOWN: Medicine is a most difficult art to acquire. All the college can do is teach the student principles, based on facts in science, and give him good methods of work. These simply start him in the right direction; they do not make him a "good doctor" — that is his own affair. You are blessed with the necessary traits to become a "good doctor." Love Mom and Dad

RAHAMY A. MITCHELL: You are the light of my life and make me so proud. May all blessings flow with you, now and forever. Look out world, here you come! All our love, Mom, Jamie, Don, and Grandparents.

MEREDITH MOSELY:

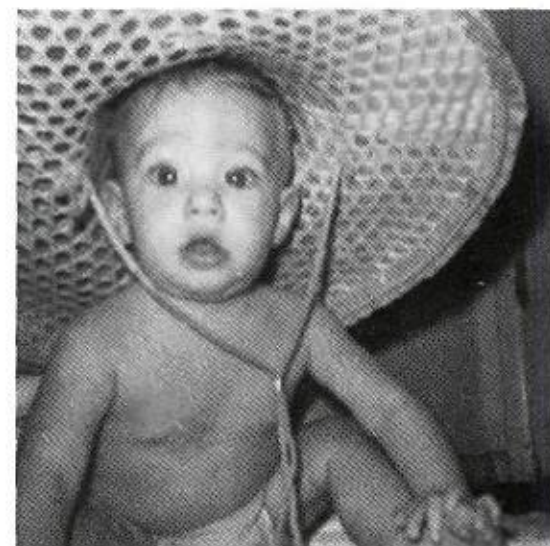

Congratulations! Sometimes it seemed like a long haul to '86 for you, but for us it has flown by and now we must say goodbye to our "little girl." We are so proud to have the honor of being your family. You bring joy, honor, love, and sensitivity to our lives. You are a shining star and always will be. God bless you, and thank you for being you. Love, Mom, Dad, and Monica

KIM KNIGHT: It is hard to believe 12 years have gone by and you're graduating. If you don't know it by now you're the best daughter and sister anyone could ever hope for. We are so proud of you and love you with all our hearts. Our wish for you is to follow your dreams and continue to be the individual person which makes you so special. God bless you. Love, Mom, Jack, and Andra

JULIE YOUNG: We've all worked hard to get you through school and you have contributed more than your share of hard work. May your perseverance and dedication follow you through your adult life (and may you go to college!) Blessings in all you attempt. Us and Heather

DARIN RAMON BLACK: With love and pride we offer you this greeting from the heart. When graduation day has passed, your friends and you may part. But the treasure of your memories, both the laughter and the tears, will remain with you forever, and will last throughout the years. Love, Mom and Dad

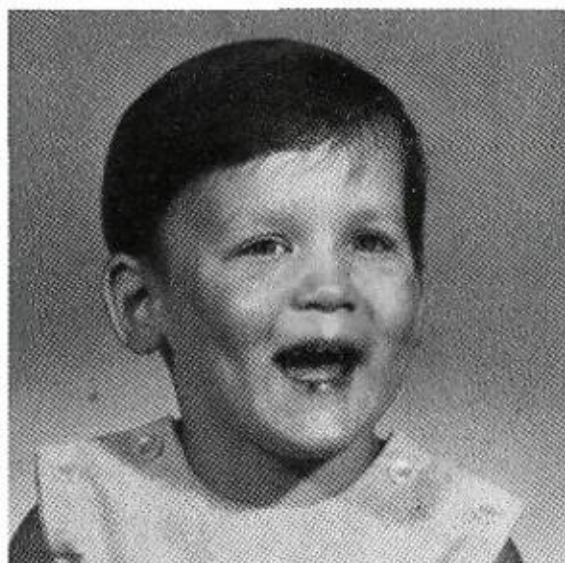

YVONNE MCKEE: We love you very much. Dad, Mom, Edgar, Sarah, Robert, and William

JOHN HARRISON: Your sunny disposition, your sense of humor, your self discipline, your accomplishments, and your friends have made it a pleasure to watch you grow up to be the fine man you have become. Your Mom and Dad thank you for hanging in there and making them very proud.

TODD ESTES: Congratulations on a job well done! We love you. Mom and Dad

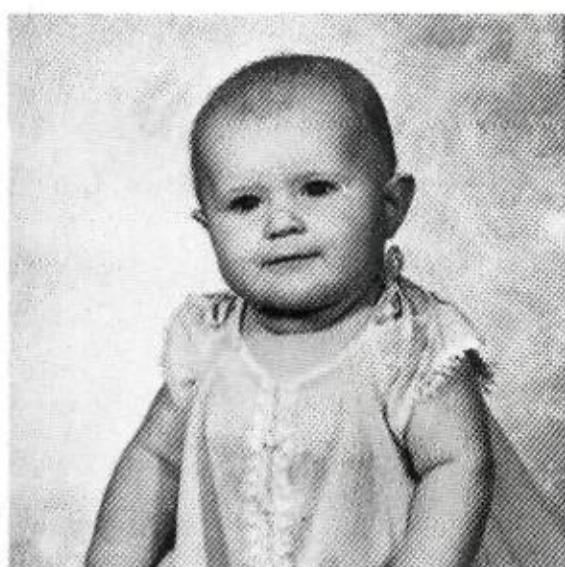

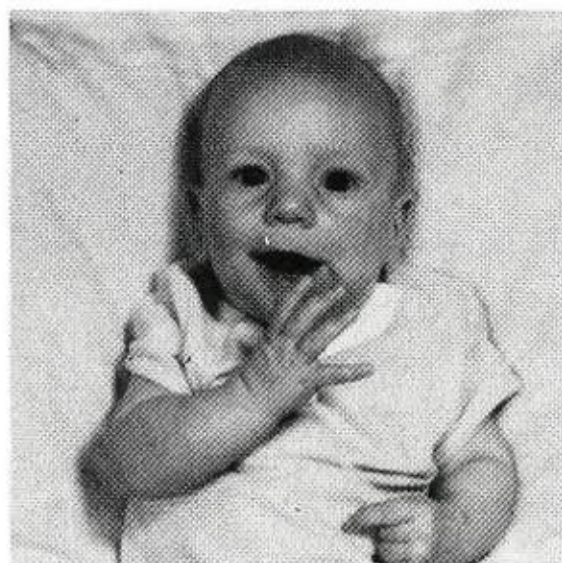

BELINDA LEE EVERMAN:

Belinda, we want you to know how proud you have made us. So, congratulations, you have a good head on your shoulders. Keep that beautiful smile on your face. We love you. Love Mom, Terry, Cathy, and Caren

DALE LEE RODGERS: Dale, you have always brought joy and happiness to our family. You brought laughter and a brighter outlook on life when times were unhappy and sad. Your best quality of being honest and sincere will be helpful to your life. Your love and care for animals will always be one of your greatest talents. We love you. Mother and Dad

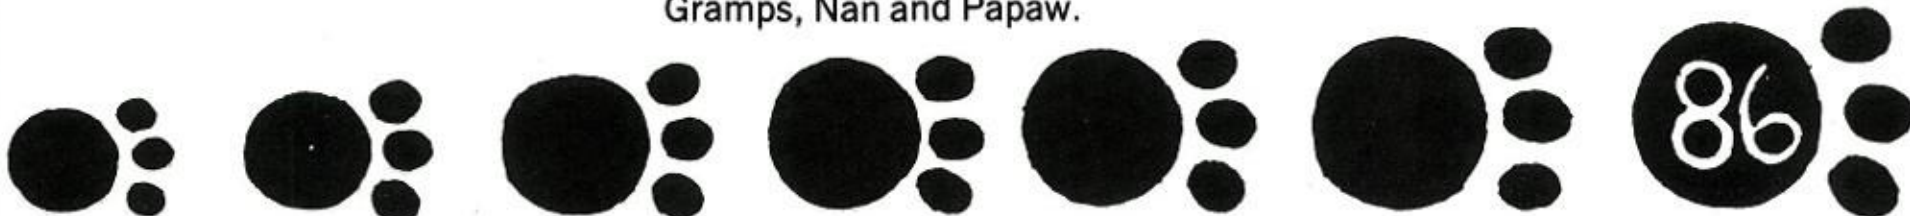

TRACI CALDWELL: Congratulations and good luck. You have made us very proud of you. Keep up the good work and stay as sweet and sincere as you are now and you will go far. Life is what you make of it, so make something special for yourself. Love ya, Mom and David

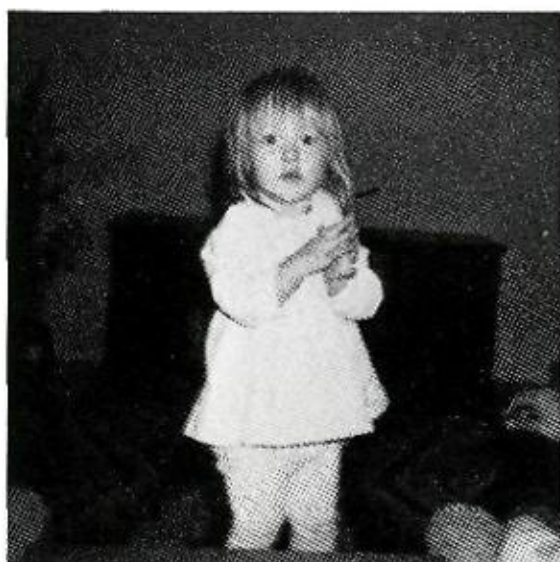

LAURA MARIE SAMPLE: Congratulations on another splendid achievement. Your scholastic excellence, and many hours of volunteer work with the handicapped and senior citizens has been duly recognized. We wish to add our family's love and pride for the privilege of having you entrusted to us for these all too brief years. We love you. Mom, James, Lisa, Lydia, Uncle Pat, Granny, Gramps, Nan and Papaw.

SEAN D. GABRIEL: You have accomplished a lot in the 4 years of High School. I have watched you grow into a wonderful young man. I know whatever you do in the future will have our blessings. Love always, your mother and family

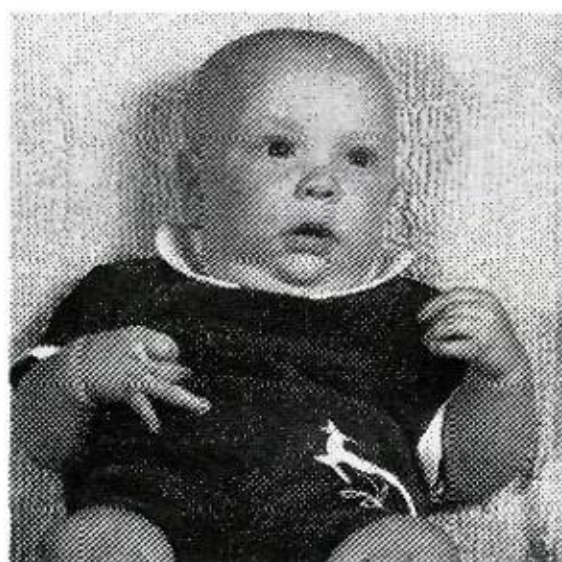

JOANNA COLLIER: We named you well, Joanna Estelle. God's gracious gift, a star from a beautiful baby to a beautiful young lady in 17 short years. We love you.

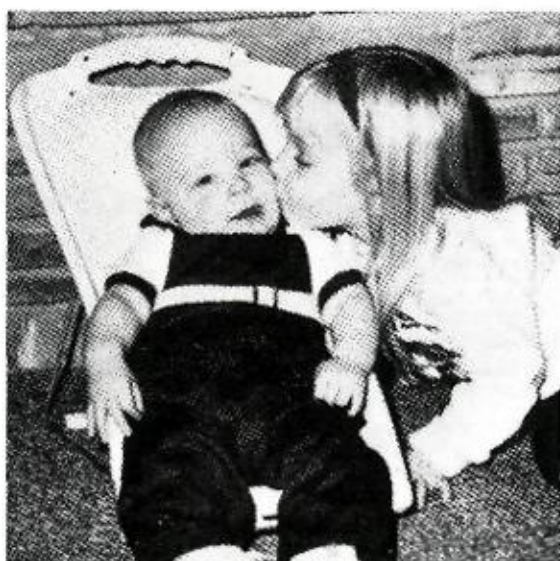

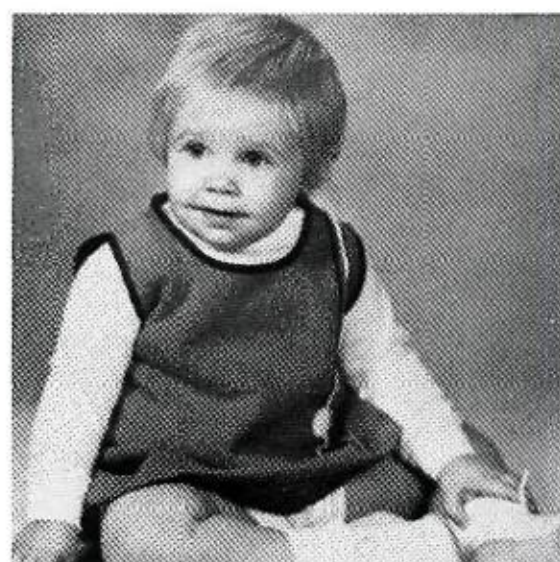

RANDY ANDERSON:

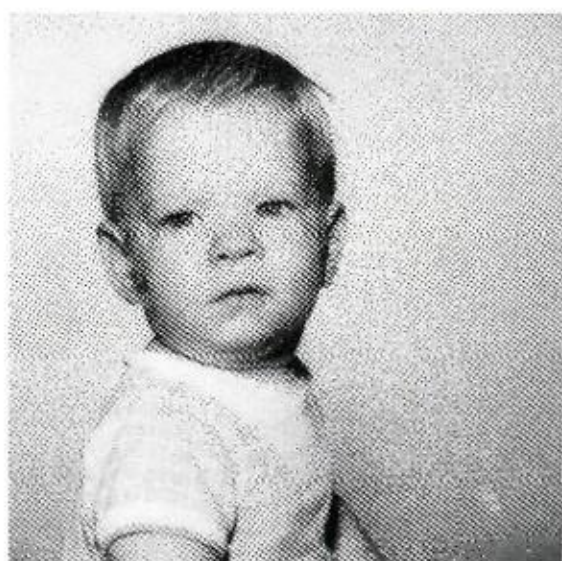

Congratulations for having reached the peak of this major challenge. Your uninhibited spirit and strong leadership qualities make us proud and keep us on our toes. Your addition to our family has brought us together and has been fun. May God continue to direct you in a victorious way.

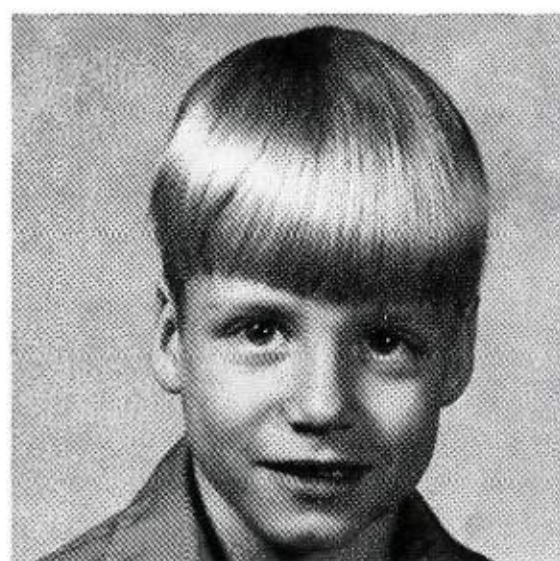

LESLEY PARKER: High School graduation is such an important milestone. How eighteen years could have already passed is more than we can understand. We watch you take this giant step with love, pride, and all our best hopes. May you meet tomorrow with the sunshine and giggles you have brought to our lives. God holds you in his hand, Lesley. You are so special. May you always walk in his love.

STEVE FROESE: Congratulations on your high school graduation. You have always shown courage, creativity, charm, confidence, and "class." May those help you face tomorrow's challenges. Love Mom, Dad, and Janet.

JEFFREY TODD ABBOTT: Congratulations! You are a very special part of our family and we are very proud of you and your accomplishments. Set your goals high, work hard to obtain them and remember always the Christian values you have been taught. Love Mom, Dad, Robin, and Chris.

TERRY TEEL: Congratulations, Legs. You finally made it. (after 13 years) We are very proud of you. Thanks for hanging in there. Hope you go far in life and all your wishes come true. We love you. Chuck, Mom, Janet, Sharon, Matt, Julie, and Amanda.

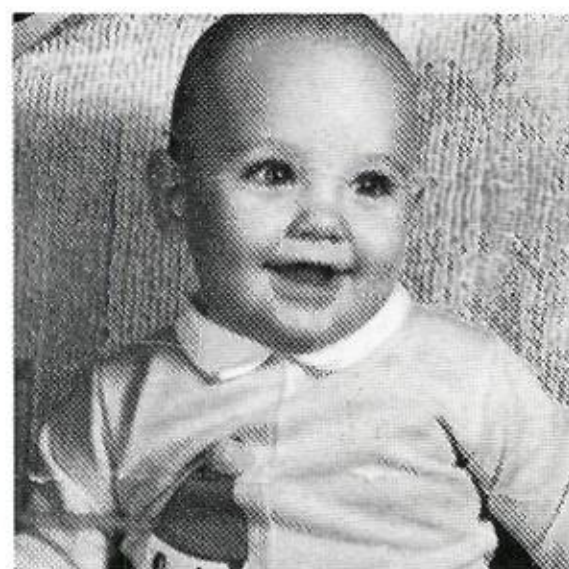

CHRIS MULLINS: Chris, the moment you were born, you were so full of life and promise. You ran to greet it, gathering hearts as you went. You have allowed us to share in your joy, an honor beyond measure. We are so grateful to our Lord for all you've accomplished, but especially for who you are. This ending now is only the beginning of wonderful days ahead. God's love, our love is beside you all the way. Love Dad, Mom, and Bryan

SHEILA STEPHENSON: Congratulations, Sheila. Your Dad and I are so proud of you. You have added so much to our lives and have never let us down. We feel so lucky to have you as our daughter. We love you very much. Dad and Mom

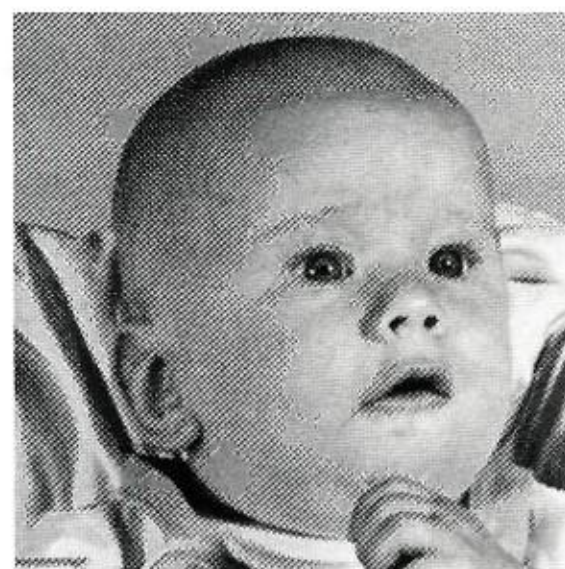

LORI MICHELLE CARR: Michelle, we are so proud of you and wish you all the happiness and success that life can offer. Use it wisely and you can accomplish all your dreams. You have always been a blessing and as you start the next chapter of your life — remember we love you and are always here for you. Love, Mom and James

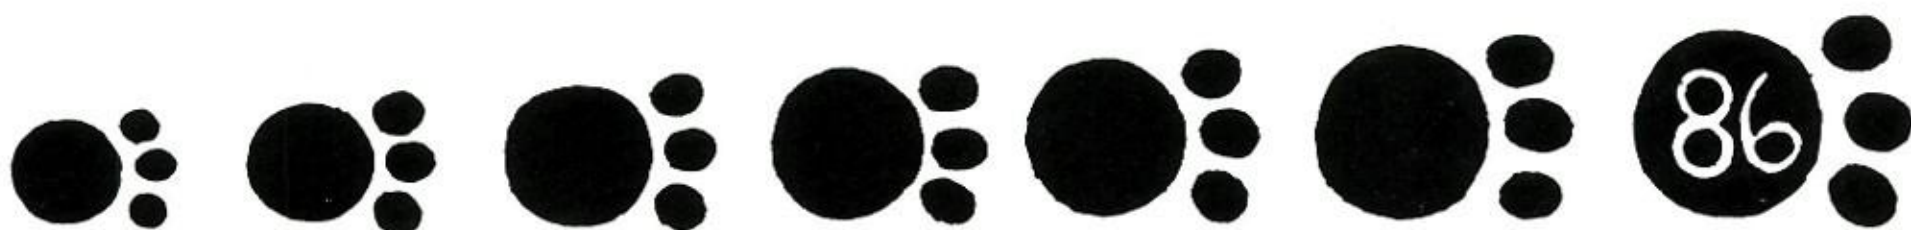

JONATHON ANDREWS: Dear Jon, We want you to know how much joy you have given us and how very proud we are of you. We want you to be successful in everything you do. We love you very much. Mother and Dad, Beth, Jim, and Bill

HEIDI WILLISHER: We're proud of you and your accomplishments. We know you'll go as far as you desire. Our love and support go with you as you set out on the journey of life. Love, Mum and Dad

MICHAEL GORDON: Congratulations, Bud. So you're going to graduate and leave home. Fine! Well, you've grown from spelling "Chevrolet" to breaking Volkswagens and now you want to be a doc. All we've got to say is, "Go for it!" 'Cause we know you can. Love, Mom, Dad, and Sean

MICHELLE MALOLEPSY:

You are very special to us and we wish you the very best in life. It has been a pleasure having you in our home the past 6 years. Remember we are behind you all the way. We love you. Nannie and PaPa.

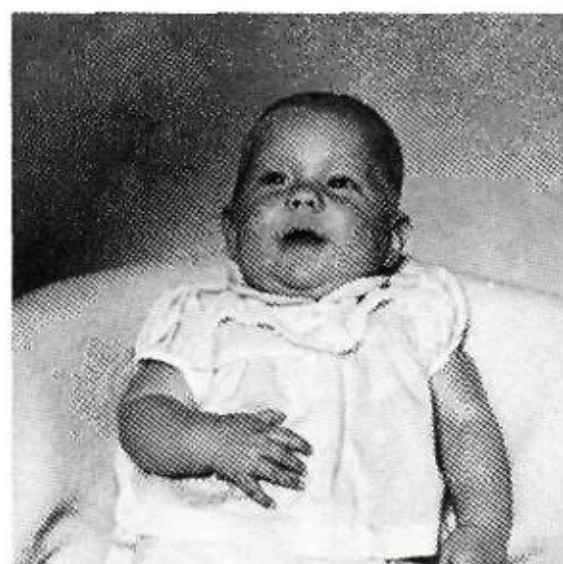

LANCE STEPHEN KINNEY:

Congratulations Lance! You have been the light of our lives. We appreciate the goals and high standards you have set for yourself, and admire your determination to see them realized. We are very proud of you and wish you happiness in whatever you do. We love you! Mom, Dad and Denise.

JILL LOUISE NEWTOWN:

Congratulations! Keep on climbing. We are confident you will make it to the top. Love, Mom and Dad.

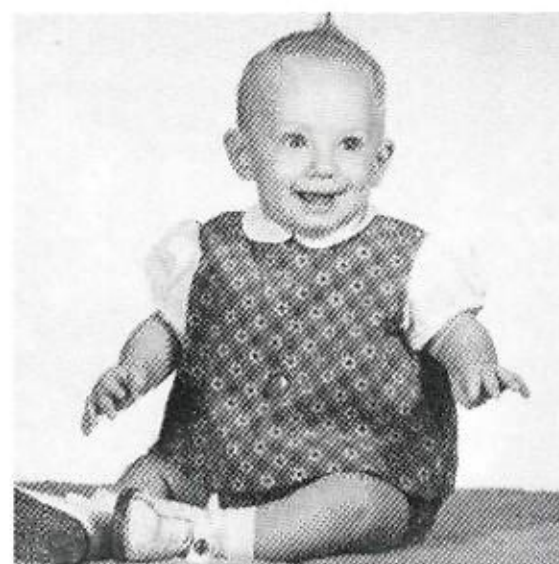

CINDY LAWS:

Congratulations on your graduation. We are proud of your accomplishments and hope this is just one of many as you go through life. It has been our pride and joy being your parents. God bless you always. Love, Mom and Dad.

KEVIN HARDING:

Congratulations: Charlie Brown. We are very proud of you. Our best wishes for your happiness and success in the future. Love ya lots, Mom, Dad, Joel and Teresa.

DUSTIE A. MCGRAW:

Congratulations Dustie: May only the best come your way. Love Mom and Dad.

STEPHANIE THOMPSON:

Congratulations on 12 years of school, we're very proud of you for the dedicated strength you show in continuing with the essential needs in life. You have grown to be a young, responsible lady. Thank you. We love you very much. Dad, Mom, and Topper

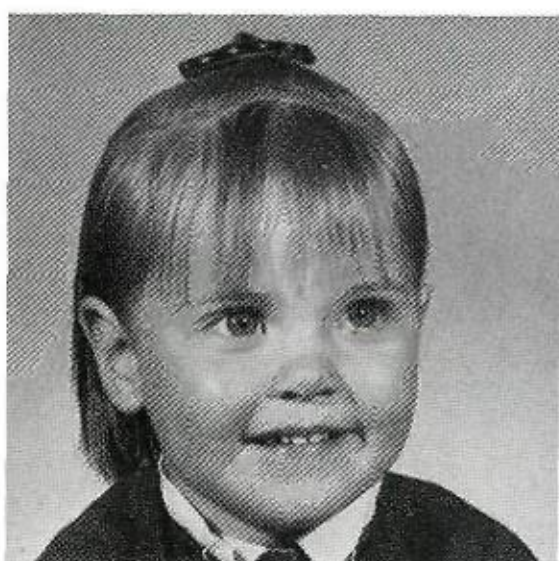

LINDA CARO: You and your love mean more to us than you could ever guess, for you have done so much to fill our lives with happiness. And we wish you the best on this special day.

KRISTI LAMM: Congratulations on your graduation. Your self motivation to "Be your best" in school and in life is paying off. We are proud of your past accomplishments and are looking forward to your continued success in college and beyond. Best of luck in the future. DAD

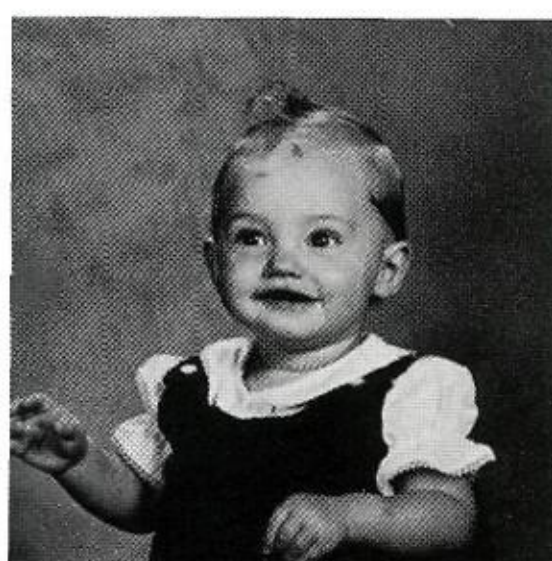

JUNE DOSS: To my daughter June, We've been through the good times and some bad times. I want to thank you for being there all the times I needed you. I love you. Mom

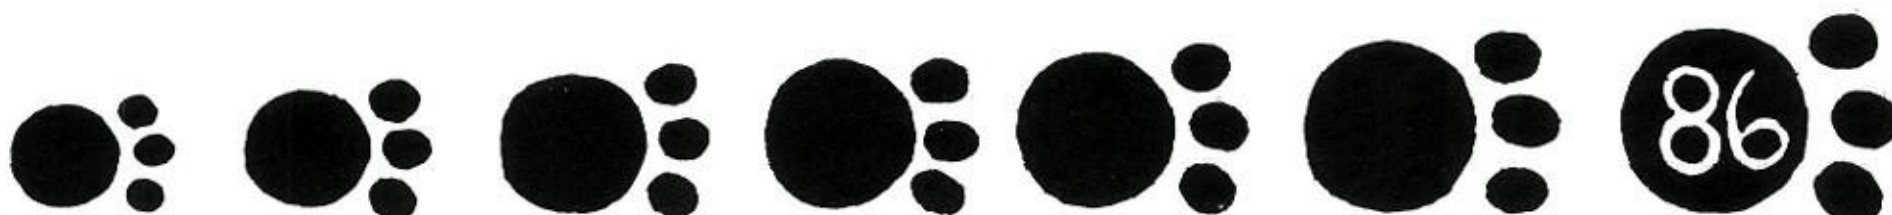

TWALA COGGINS: We are so proud of you. You've been a pretty child and now a beautiful young lady. You will always be our little girl.

Dad, Mom, and boys

DONNA COKER: You were such a sweet baby. You have made all of us very happy to have you. We hope that the years ahead for you are as happy as you want them to be. Put God first and they will be. We love you. Mother, Dad, Mama Hayes, and Sally

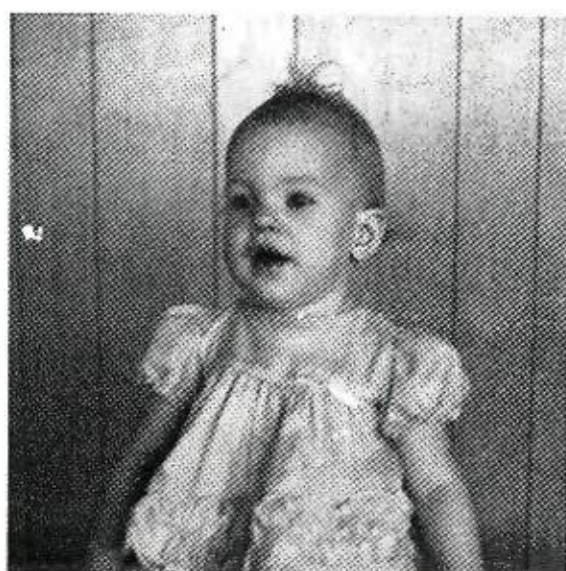

MARCY MILLER: Congratulations to a very special young lady. Your family is so proud of you and all your accomplishments. It has been a joy for us to be part of this time in your life. Now go strong and free on your way with our prayers and best wishes. Mom, Dad, and Meredith.

TODD SCHULZ: Where did our time go? Just yesterday you were our little boy; today you're our young man about to embark on an exciting future that we pray is filled with those special things we've shared with you so far: joy, hope, and love . . . above all — love. We love you dearly. Mom, Dad, and Jeff

JANET LYNN RICHMOND:

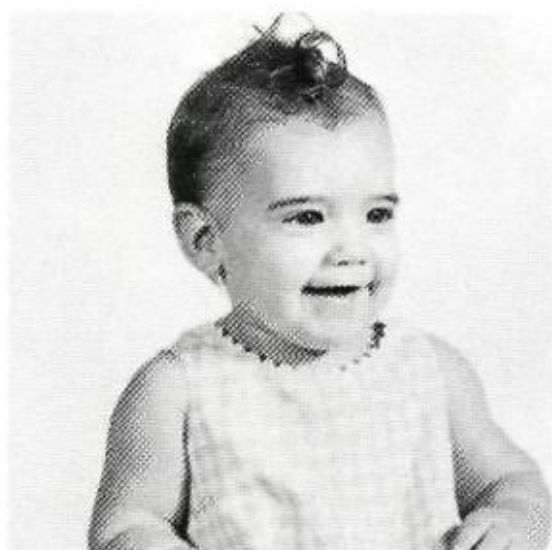

Janet — it seems like only yesterday you were a little girl swinging in the back yard and riding your tricycle down the sidewalk; laughing all of the time. You are a big girl now, keep laughing and having fun while pursuing what we hope will be a happy future for you. Thanks for the memories. We love you! Mom, Dad, and Mike

BILLY LUDLOW: Yea Bill! Keep enjoying your life. We've enjoyed you. And remember, maybe that Bear's hurt and maybe he ain't. Heh, heh. We are proud of you. We love you. Love from Mom, Dad, Rob, Wendy, Neil, Huddie, Merlin, and Wolfman Jack.

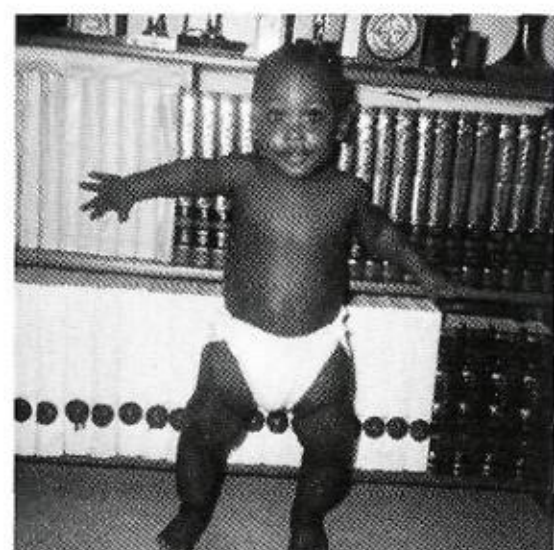

REBECCA LARSON: We are certainly glad that you are a big part of our lives. We love your humor, your diligence, and your sparkle. You have many talents. We love you very much and we thank God for placing you in our care. Believe in Him and yourself, and you should do great! Much love from Mom, Dad, and Beth

ELIZABETH ANN HARRELL: Beth, you are a joy and blessing in our family as God's special gift to us. You have shown through past endeavors that you can accomplish great things in the future. Seek God's wisdom above all else. Col. 1:9-10. Love Mom, Dad, David, and Richard

SHANNON VAUGHAN: You are as beautiful on the inside as you are on the outside. Continue to bless others with your sweet, sweet spirit. Thank you for being such a wonderful daughter. You have been a blessing to us all. God bless you always. Prov. 3:5-6. We love you. Mom, Dad, Libby, and Todd

SHAWN EUGENE WASH: Shawn, just do your best in whatever you do, though sometimes it may not be easy for you. Half-heartedness never accomplished a goal, and positive thinking is food for the soul. There is no limit of what you can control, just do your best whatever the future holds. Give life your 110% that's all we can ask, in spite of all the odds, whatever the task. We love you. Mom, Dad, and Earnie

GRETHCEN LEIGH SHAW: The joy you have brought into my life can never be put into words. Thank you for being my friend, my companion, my faithful daughter. You have grown so many ways and your future is sure to hold many rewards. Please stay as sweet and honest as you are now. Always remember I love you. Mom.

LISA JONES: Dear Lisa, love is . . . delight and joy in the growth you have shown as an individual; pride in your many successes; high expectations for what is to come; and appreciation for all you have meant to your family. Congratulations on this very important milestone in your life. Mother and Daddy.

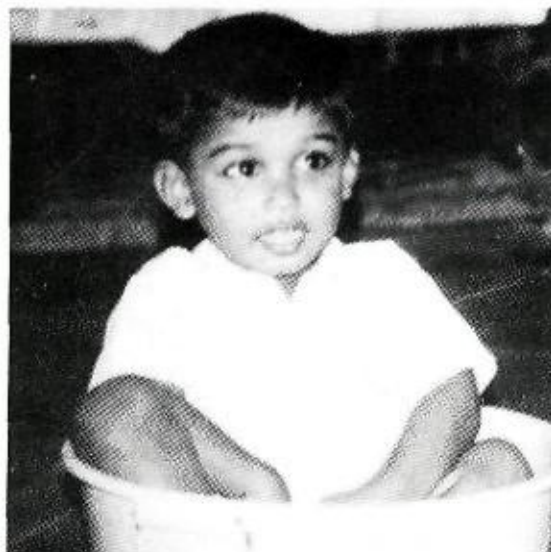

AMY MILLER: Amy, you are precious to us and we love you very much! Be thankful for every blessing and stay close to God as you move on in your life. We're proud of you and with you all the way!

Love, Mom, Dad, Brian,
and Darrell

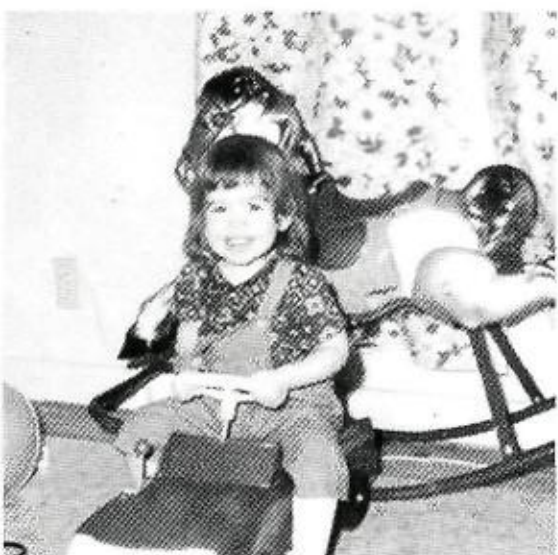

SHANKAR SUNDARAM: Congratulations! We are enthusiastically watching you grow up from a care-free boy to a responsible and hard working young man. We are very happy and proud of your achievements. We are thankful to God for having given such a wonderful, intelligent, industrious and honest son. You have set your goals high and we wish sky should be the limit.

We love you,
Mom, Dad and Easwar.

ROBERT RUSSELL: We are very proud of you and wish you all the best of the future. You can obtain any goal you set for yourself and we expect you to accomplish much. We love you and are very proud you are our son.

Love, Mom and Dad

LILY J. COLEMAN: Congratulations! You made it with God's help. May He guide you through life and may you prosper health and wealth. We love you.

Mom, Dad, and Dale.

ERIK JASON BEARDEN: Erik, we thank God He gave you to us. You bring joy and brightness into our lives. You brought surprises, also, to live with us when you were a little guy — frogs, snakes, tarantulas — never a dull moment. We love you very much.

Dad, Mom and April.

NICHELE FITZPATRICK: Nice, individualist, creative, humorous, elegant, loving, and electrifying!

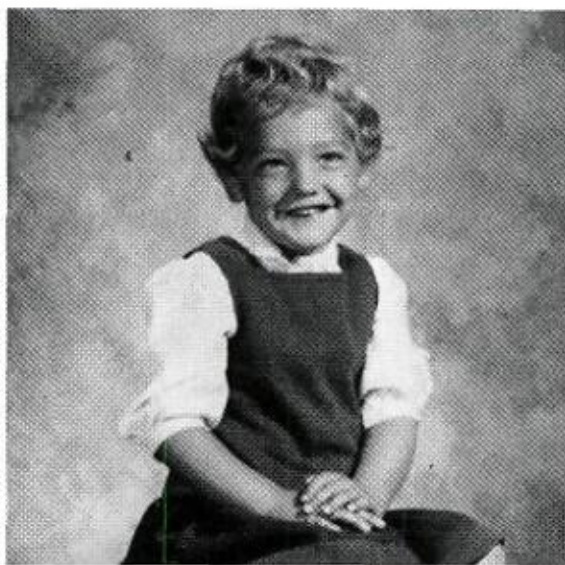

All of these things you are to us and we love you very much. You have come a long way and will even go further. Always keep God first and He will bless you always.

Love, Mom and Jerome

HOLLY THOMAS:

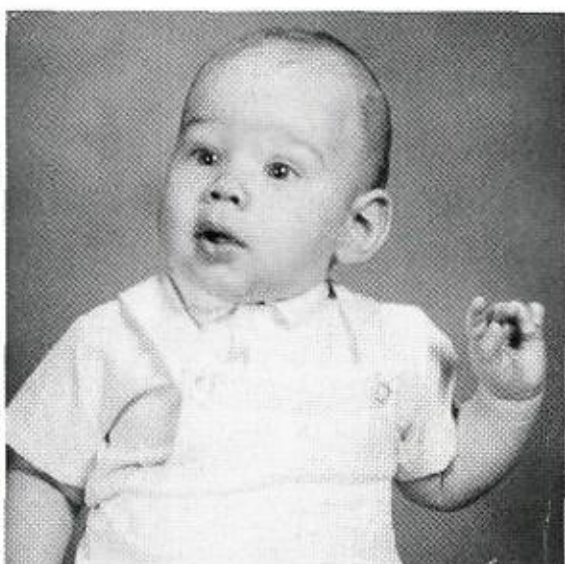

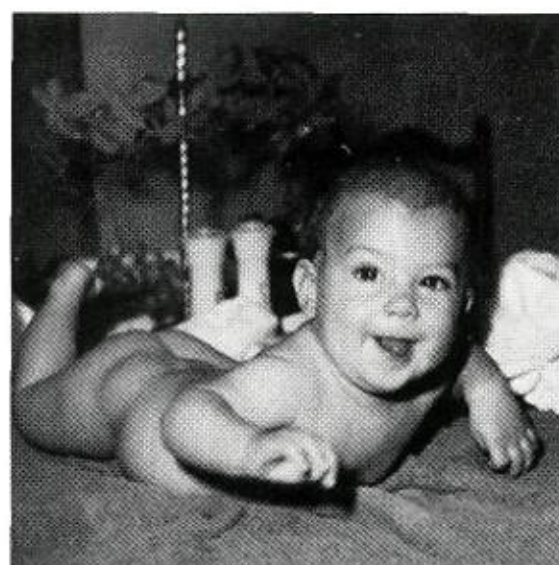

Dearest Holly, As you leave your high school years and begin the adventure of college and the world beyond, may you always keep a song in your heart and know the love of God in your life. We are very, very proud of you! Love and Congratulations, Mom and Dad

**CLAIRE LAVENDER TATE:**

Claire, you are a dream fulfilled. May your life continue to bless others with your love and loyalty. Always be a lady! All our love, Dad, Mom, and Tim

**DEAN HAROLD LILLIBRIDGE:**

Seems only yesterday you were building forts in the back yard. Your namesakes and Grandfathers, James Harold Lillibridge and Harold Leroy Orwig would be very proud of you now. Proceed with the rest of your life in knowing our love is always with you. God bless, Love Mom, Lonnie, and Daylene

**TIM MURRIN:**

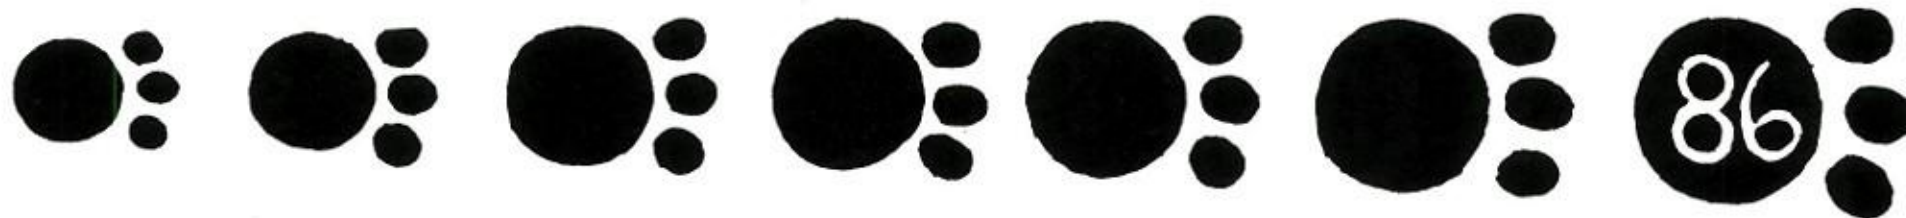

Congratulations, Tim! We are very proud of you for completing your first important step in life. Continue to set high goals and work hard to achieve them. We wish you happiness and success in the future. Always keep your faith in God. We love you very much, Dad, Nan, and Grandad

**DONALD GLENN HATCH:**

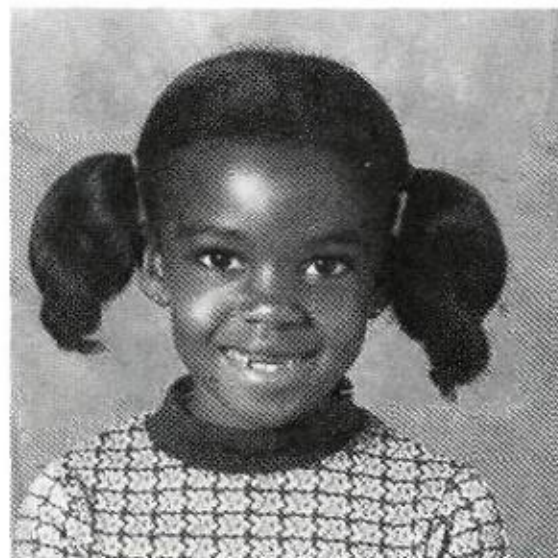

Congratulations to our youngest son. We are so proud of you and your many talents. There are no limits to what you can do in your adult life. Love, Mom and Dad

NOEL BECK: You have brought so much happiness to my life, I want to congratulate you on a job well done. Always keep your priorities in order: 1) God, 2) Family, and 3) job. Have two goals: Wisdom — that is knowing and doing right, and common sense. Reach for the stars. The sky is the limit. Good Luck, Mom.

SCOTT GRIFFIN: Congratulations son. You have worked hard throughout the years, and have done well. We are very proud of you, and wish you happiness and success for the future. We love you, Mom, Dad, and Melissa

**ELIZABETH ELLEN
BUCHANAN:**

Warmest Congratulations on your graduation from Sherman High School. Your family is proud of your accomplishments, your independence, and your desire to seek high standards in all of your endeavors. We love you. Mom, Dad, and John.

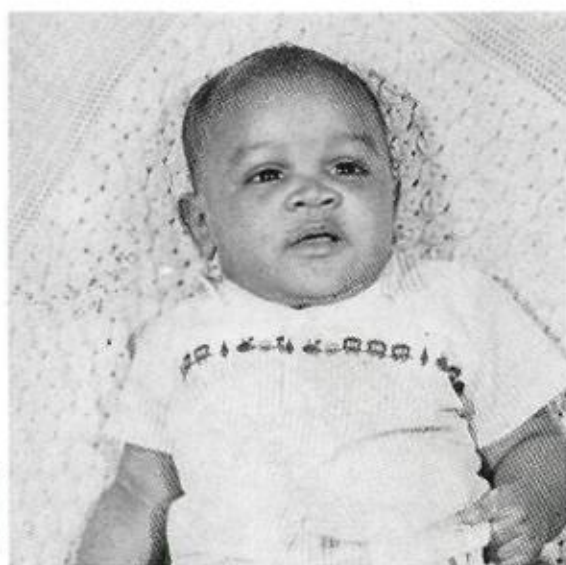

JENNIFER O'DONNELL:

We are so proud of you — you have worked long and diligently for this day. What a joy and delight you have been to us! Remember to always put God first in your life and good things will come your way. Love Mom, Dad, Craig, and Brent.

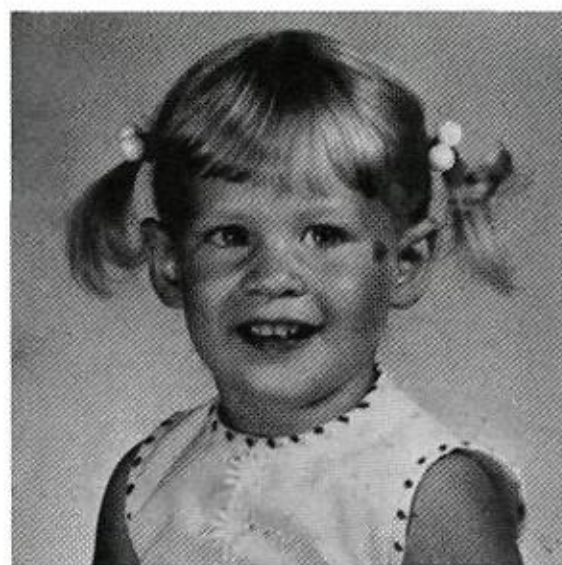

ROBIN RIDGEWAY:

When that one great scorer comes to write against your name, he marks — not that you won or lost, but how you played the game. Love, Mom and Dad.

QUENTON LA DON BOYD:

Congratulations! We are very proud of you and the things you have accomplished. Continue to be the nice person that you are and remember, the sky is the limit and there's nothing you can't conquer. Love you, Dad, Mom, and Sterling.

CATHRYN SIMS:

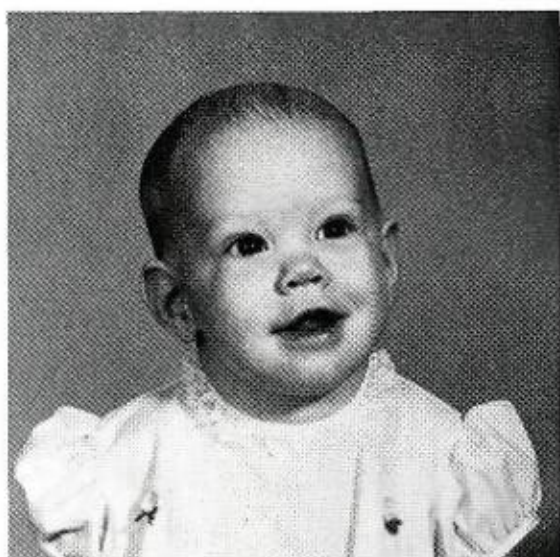

We are so thankful for the last eighteen years with you. Cathryn, you have been a constant source of joy and love in our home, and we will miss the fun and excitement that follows you. God has blessed you with a great love for people and we eagerly look forward to your future. We are blessed to be your family. Mom, Dad, Shelley, and Matt.

TOBI ARMSTRONG:

Your name from the Hebrew, Tobias, is appropriate: "God's goodness." Your gifts — may you continue to return them to Him. We love you, the A's.

MONIQUE GREEN: Dear Monique, as you change your colors from the maroon and white of Sherman Bearcats to the green and gold of the Baylor Bears, please know that the pride that you have brought to us has certainly been a dream come true. We look forward to sharing with you in your future accomplishments. Your winning smile and your contagious enthusiasm for life are priceless assets. Please know that our love and support will be yours forever. We love you. Mom, Dad, and Hillary

DON JARVIS: I am very proud that you are my son. As you go out into life always remember "to thine own self be true." May your hopes and dreams come true and as you go through life may God hold you in the palm of his hand. Love, Mom

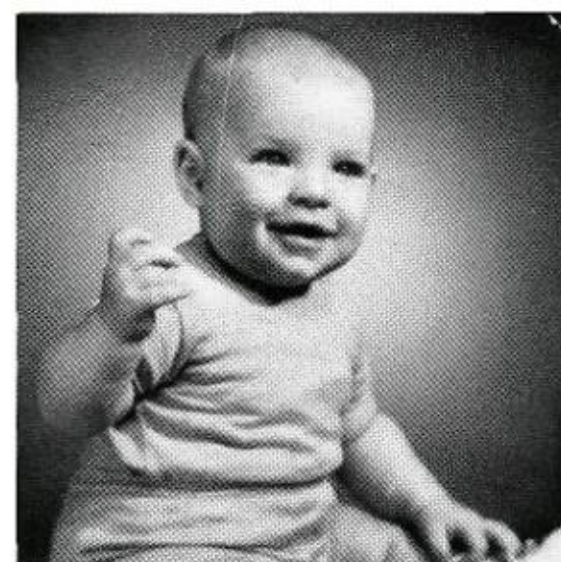

MELISSA GAIL HICKMAN: Congratulations on all your accomplishments. I am so very proud to have you as a daughter. May your future be successful and full of happiness. I'll always be there if you need me. I love you. Mom

MELINDA McCLEESE: Melinda, we are so proud of you! Set high goals for yourself and work hard to attain them and success will be yours. Our love and support are unending and our prayer is that happiness, love, and good health will always be yours. Dad, Mom, Chris, Kevin, and Becky

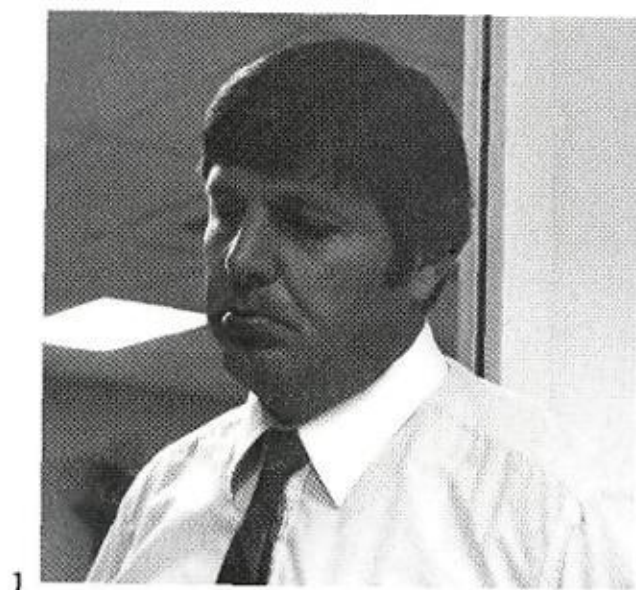

BRIAN SELF: "The childhood shows the man, As morning shows the day." (Milton — *Paradise Regained*) Looks like it's going to be a wonderful day! Congratulations from all your family.

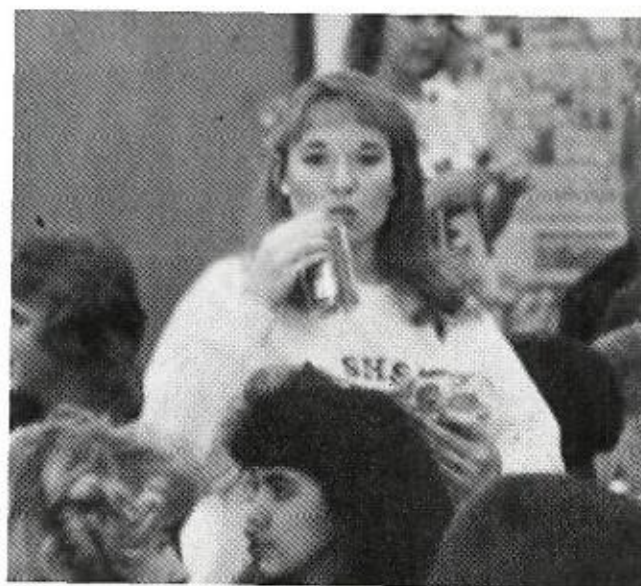

KEVIN EARL BARENTINE: Congratulations. The first twelve years are now memories. Continue to progress, set your goals high and success is always within your grasp. Good luck and always remember we love you. Mom, Dad, and Danny

FIRST LOVE.

If you want to see what love looks like, look at Jesus. If you want to see what Jesus looks like, look at His people.

The distinguishing mark of a real Christian is love — because Christ is love. Love made visible. When you think about it, what good is love you can't see? God showed His love for us right out in the open — on the cross. For all to see.

The family at First would welcome the opportunity of sharing with you the love God has shared with us. First Love lasts forever.

First love lasts forever.

Dear Kelley,
It has been a joy
being your friend. I hope
we continue to go forward
the way we have this year
Keep ~~your~~ yourself the

Dear Kelley,
You are a
wonderful
friend. I hope
we continue to
go forward the
way we have
this year. Keep
yourself the
way you are.

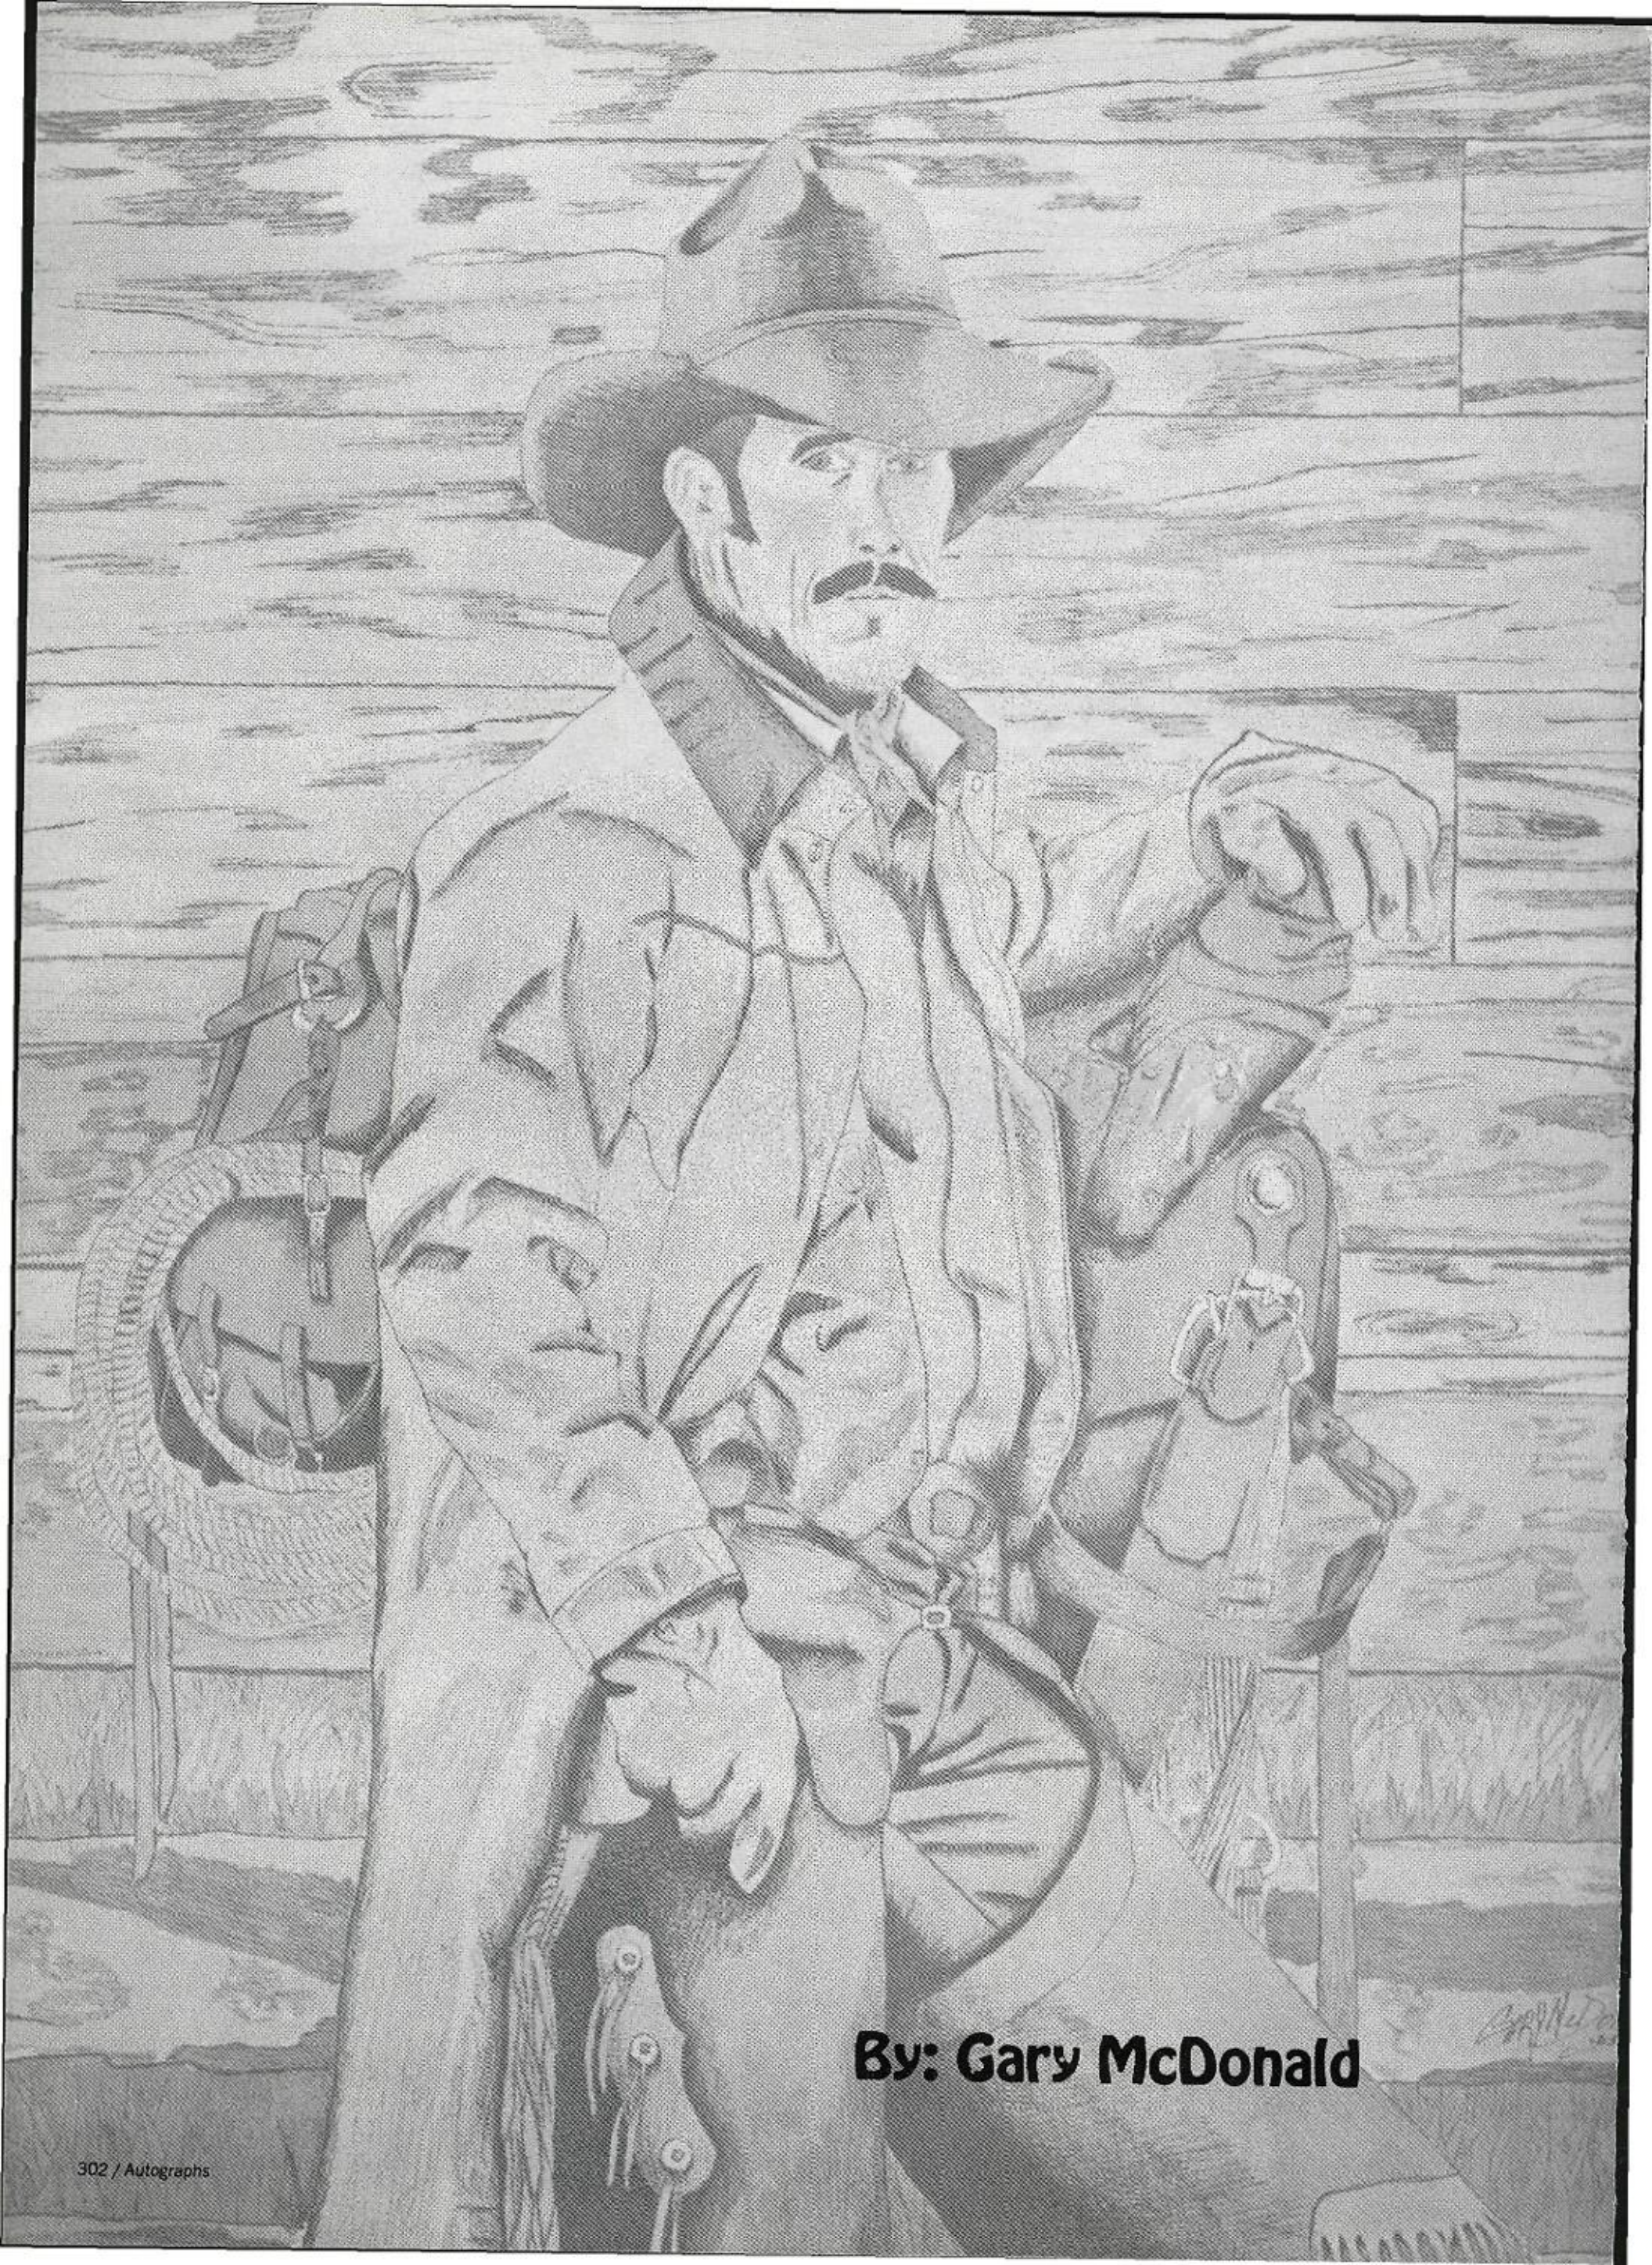

Kelly, a
nice person and
a good friend. I
hope you in some classes
this year. I have to be up
summer, and have some
your friend
Jungla

Kelly,
I just want
you to know I'm
glad you were in
my Algebra class
& it wasn't for
you I wouldn't
have passed.
Thanks a lot!
I'm also glad
we became
friends. Stay
Nice
Dad!

I am a very
sweet girl
that I haven't
known for very
long but I would
like to get to know
you better. I hope I have
you in next year.
Classes Good Luck!

to Kelley
You are a Super
girl. Thank
you for all
the help. I
will be back
soon. I hope
you are all
well. Love
Tino Stone

Kelley - You have been
a "joy" to have in
homeroom. I wish you a
lot of luck this summer
and the many summers
to come. I'll be thinking of
you - Mrs. Ellis

Love Always
